### INDORSEMENT.

A child showing one-sixteenth or less Indian blood, whose parents live on an Indian reservation, Indian fashion, who, if debarred from the Government schools, could not obtain an education, may be permitted in the reservation day and boarding schools, but it is preferable that it be not transferred to a nonreservation school, without permission from the Office. Children showing one-eighth or less Indian blood, whose parents do not live on an Indian reservation, whose home is among white people where there are churches and schools, who are presumed to have adopted the white man's manners and customs, and are to all intents and purposes white people, are debarred from enrollment in the Government nonreservation and reservation schools. Superintendents, in all cases where doubt exists as to the degree of Indian blood of a child proposed for transfer, should fully satisfy themselves of the facts by affidavits from reliable persons, which affidavits must be kept on file at the school.

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other non-reservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

A pupil dismissed from school for cause must not be enrolled in any other school without the permission of the Commissioner of Indian Affairs. Full facts must be submitted with each request.

My dear Madam:

Your son, Charles J. Roe, desires to return home for the summer vacation months and has deposited a sufficient amount of money to pay for his transportation one way. In our school bank he has credit for the amount that would be required to pay for his transportation to return to Carlisle.

I shall be pleased to grant Charles's request if you desire that he shall be given the privilege to return home. There is enclosed herewith a blank upon which your formal request may be submitted to me for filing away at this office.

Will you let me hear from you as soon as convenient?

My dear Friend:

In order that arrangements for your return to school can be completed before the opening day of the school year on September the 7th, I would be pleased to hear whether transportation for your return is to be placed at Harbor Springs. Would you prefer to have your ticket routed over different lines than those used when you went to your home?

Hoping that I shall hear from you soon and that you can report having had a very pleasant vacation, I remain,

My dear friend:

I have received your letter of the 15th instant, reporting that your return to school cannot be effected before the 1st of November and that you are now in need of the money you placed on deposit to pay for your return transportation.

I am sorry to learn that you have been unfortunate and that you have a doctor's bill to pay, but the money on deposit here for your transportation must be held intact for that one purpose and cannot be sent to you. It is equally unfortunate that you must lose so much time from your school work and I hope I shall hear soon that it can be so arranged that your return to school can be accomplished considerably earlier than you now anticipate.

My dear Friend:

Upon receipt of your letter of the 23rd instant I requested that a check be drawn for the balance of the amount you deposited for your transportation and you will find the same enclosed herewith. It is for an amount of \$19.26, as \$20.74 was required to pay for the ticket you used going from Carlisle to your home.

I trust you will not have to delay longer than the 1st of November your return to Carlisle. It is unusual to send money to a student that was to be used to pay for return to Carlisle and you should keep it in mind that you will have to save the cost of your ticket over and above what you could have saved otherwise from your wages.

Hoping that you have recovered from your injury and that you will be able to go to work soon, I remain,

I was injured while operating the printing press and I need the money to pay the doctor and get back to work that is ~~how~~ <sup>why</sup> I need it, therefore, I beg of you to send it.

I am sorry that I cannot go back to school before the 1st of November. Because I have a mother to support and am trying to save enough money to keep her during the winter.
