The laws relating to the transfer of Indian children from reservations and schools are as follows:

That hereafter no Indian child shall be sent from any Indian reservation to a school beyond the State or Territory in which said reservation is situated without the voluntary consent of the father or mother of such child if either of them is living, and if neither of them is living without the voluntary consent of the next of kin of such child. Such consent shall be made before the agent of the reservation, and he shall send to the Commissioner of Indian Affairs his certificate that such consent has been voluntarily given before such child shall be removed from such reservation. And it shall be unlawful for any Indian agent or other employee of the Government to induce, or seek to induce, by withholding rations or by other improper means, the parents or next of kin of any Indian to consent to the removal of any Indian child beyond the limits of any reservation. An Indian boy or girl 18 years old and over may, without the consent of parents or others, personally sign the application form on its being changed to suit the case.

INDORSEMENT.

A child showing one-sixteenth or less Indian blood, whose parents live on an Indian reservation, Indian fashion, who, if debarred from the Government schools, could not obtain an education, may be permitted in the reservation day and boarding schools, but it is preferable that it be not transferred to a nonreservation school, without permission from the Office. Children showing one-eighth or less Indian blood, whose parents do not live on an Indian reservation, whose home is among white people where there are churches and schools, who are presumed to have adopted the white man's manners and customs, and are to all intents and purposes white people, are debarred from enrollment in the Government nonreservation and reservation schools. Superintendents, in all cases where doubt exists as to the degree of Indian blood of a child proposed for transfer, should fully satisfy themselves of the facts by affidavits from reliable persons, which affidavits must be kept on file at the school.

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other nonreservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

A pupil dismissed from school for cause must not be enrolled in any other school without the permission of the Commissioner of Indian Affairs. Full facts must be submitted with each request.

Important—Only those students who desire to come to Carlisle because they have a definite purpose in view will be admitted. Applications for enrollment must be submitted in all cases for consideration before transportation can be made available. Time will then be taken to find out the records students have made in the schools previously attended, and to secure recommendations as to their *moral character* and their worthiness for further attendance at a Government institution.

Mrs. Louisa Jordan,

My dear Madam:

This is to acknowledge receipt of your letter of July the 22nd and to advise that the contents of the same have been carefully noted. Since writing my former letter to you I have learned thru a reliable source that your son Dewey did receive money from his home to assist him with his desertion, and until some satisfactory explanation can be made I must refuse to co-operate with you to deprive him of further school training. Dewey is too young a boy to throw away all his chances by going to work now.

Very respectfully,

Mrs. Louisa Jordan,

R. F. D. 5, Syracuse, N. Y.

My dear Madam:

I have noted the contents of your letter of July the 30th, and in reply thereto will state that it was reported to me that Dewey boasted openly before his desertion from his outing home that he had the money to pay for his transportation home. However, as that can not enter into the merits of the case in so far as his return to Carlisle is concerned I will gladly give him another chance if he comes back to school at his own expense. That should prove the sincerity of his desire to be given another chance.

Will you let me hear from you again?

Mr Sipps:
Dear Sir.
I recieved two letters since my
Boy Dewey came home I was
Kind of surprised that you should
think he recieved no money from
home I wish you could see the last
letter I wrote to him he says he
left it down where he was in
New Jersey if you want to
look in his letter and see its
the letter I wrote about the last
of June. I would like to show you
prove that I sent money to him
to come home if you only knew how
bad I felt when I heard he was
at the Onondaga Reservation I was
wishing all the while he was
there for him to stay five years
and then come home I thought

that time I'd have a home of my own but now I rent the place im trying to save money to buy a home if I was rich and could afford to send my children to a high school in Syracuse I would never send my children to a govrent school thats why I was so sorry Dewey ran away from there the way he told me he got in trouble with the boss boss his boss said he would ~~kick~~ him out he said he was eating cherries once and all such things I suppose of course I don't say Dewey is the best boy he don't need to be scolded he needs to be talked to nice if you want him to go back to school you get to keep him there don't send him to the country any more Please give him some thing to work at at school then I think he will stay he sure

he would like to be a Plumber or Electrician then two trades he would like to learn it very much but Mrs Denny said he was to small if you please try to get him in there I think he will stay as long as you want him to

Mrs. Louise Jordan,

R. F. D. 2, Lafayette, N. Y.

Dear Madam:

I have to report to you that your son Dewey deserted from his Outing home on July the 4th and that nothing has been heard regarding him since that time.

I have reasons to believe that some one at his home sent him the required funds to pay for his transportation home, and I can only add that the previous very good record he had made here will always be marred by the desertion which will now have to be noted on that report.

Very truly yours,

Mrs. Louise Jordan,

R. F. D. 5, Syracuse, N. Y.

My dear Madam:

When your letter of July the 24th came to me I referred it to one of our Boys' Outing Agents with a request that a report be made me regarding the condition of affairs mentioned in your letter. On Friday, August the 1st, a statement as follows was addressed to me:

> "I visited Dewey Jordan and found him to be alright. The letter, which he wrote to his mother, was false and his reasons for writing same was because of being homesick.
> He wrote another letter telling his mother he was alright and had a good home."

Hoping that you have been assured by this time by Dewey direct that he is getting along very nicely, I remain,

Very truly yours,

Superintendent.

Dear Mr Freedman –

I received a letter from my son Danny. I am kind of scart and sorry too. I dont believe he has a very good place, He says he gets scolded some-thing awful. And I think they make him work like a horse. You know he is not old enough to work hard like that then he said he hasn't got hardly any shoes he is almost barefooted.

felt awful fa[illegible] I heard
that. Of course I know Dewey
is awful hard on shoes. But
I think the gowner can keep
up with a pair of shoes for him
Oh there is another thing I
always wanted to ask you as
I heard a good deal Mr Dewey
is awful rough with the boys
I wish you would tell him to
keep his hands off from my
boy. If he don't I can report him
any time. Look at poor John
Frith. He was here nearly all
last summer first one accident
he uses his fist and
like uses his fist and
when he kicks the boys feet

I dont mind . . . one of my
children to get whipped if he
uses a whip or regularly whips
same time after fourteen
years old nobody got right
to whip 'em talk to them this
worth a good deal to talk to
them this is all good bye
I wish you would send to
the shoes from Miss Louise

School opens on that date and you should not lose any time from your studies.

Mrs. Louisa Jordan,

My dear Madam:

I have noted with care the information you conveyed to me in your letter of August the 5th, and because your son Dewey had made a splendid record here before he deserted from his outing home I will give him another chance if he agrees to pay for his return transportation to Carlisle from the funds to his credit in our school bank. Just as soon as I hear that you and Dewey are willing to co-operate in that way transportation will be made available for his use at Syracuse and he can then sign a check to pay for the ticket when he arrives here.

I cannot promise you that he can be given a chance in our engineers' department when he returns to school, because there are always a number of older applicants to be considered who have the size and strength required to do the heavy work required in that department.

Dear friend:-

Dewey Jordan returned to the school September 8th and is here now attending school regularly, working his half days and has every appearance of a happy, healthy contented boy. He did run away this summer but he returned of his own accord, paid his fare to Carlisle and has behaved like a little man and there has been no punishment given him, outside of a little talk and advise.

The package containing a suit and other clothing came to him in good condition. We had an inquiry from the post-office regarding this package but this came long after Dewey had received the package. I shall ask the disciplinarian to have him write you a letter.

Very truly yours

Supervisor in Charge.

Dear Sir:

Am very glad to receive good reports from my Son Dewey Jordan and I sincerely hope that they may continue as good in the future. Is there any possible way that you could arrange to have him stay at the school farm through the summer months instead of sending him to the country. He doesn't seem to do as well in the country as he is doing now, and he writes and tells me

that he likes where he is better than any place yet

So if you can arrange it that he can stay where he is and not be transfered to the country I would be very thankful to you. Awaiting a reply as to your decision I remain

Respectfully

Dear Friend:

I have your letter relative to Dewey Jordan and note what you have to say regarding his going under the outing. He made a failure of his outing, last summer, and it is not at all likely that he would have been given another chance this summer. As it is your request to have him remain here during the summer I will have him do so.

I am sorry to report that he was taken away from the Dairy, just a few days ago, because the man in charge reports that he was a disturbing element among the other boys, was lazy and a shirker. We have plenty of work at our Dairy and cannot have a boy down there who will not do his best. Dewey is now working in the quarters where the Disciplinarian can have close watch over him.

I have your letter regarding Dewey. I have to inform you that at the present time he is here in school. As you wrote me several weeks ago that you did not want him to go under the outing, I have not made any plans for him to go. He will remain at the school all summer. My dear Madam:

Upon receipt of your letter of September the 26th I made inquiry about your son Dewey and learned that he is now here at school and getting along very nicely. As this is our first month of school the regular monthly "home letters" are just being written this week. Dewey's will probably be addressed to you as usual.

I also take pleasure in stating that he had a very good home under our Outing this summer, and that he made a splendid record in every way.

NOTE.—One of these blanks should be filled out by each pupil at Government boarding schools, preferably with the assistance of the superintendent or some one designated to act as his representative. If the superintendent is of opinion from the information given that the pupil is entitled to enrollment he should so indicate by signing the blank in the proper place and filing in the individual pupil's folder. In the case of pupils concerning whose eligibility or need of Government aid there is some doubt, superintendents should make proper remarks and recommendations in the space indicated and forward the form to the Indian Office for consideration.

Dear Sir.

I have received your answer to my request and I am satisfied that you have decided so, as since then I have joined the navy and I would have had to sent the instrument back. I regret that I will not be able to return to school next fall but I think that it is better to help make history than to read it and I will do my best to represent Old Carlisle in a manner

that will compel others to form a good opinion of the school.

I owe much to Carlisle for what I have learned while there in the line of shop and music work and for the academic work, as it has placed me in a splendid paying position in the navy above the ordinary wages at least.

I never before as I do now realize the words of a certain line in the school which reads thus, "We never can pay our debts to you," because I know now that I can never fully pay my debt to Carlisle but I will try and pattly

by it by doing my best to uphold the good reputation.

Yours truly

Dear Sir:

I am writing to you to ask if I may have my horn sent here from the school it is a government horn but I understand some of the boys are allowed to have their instruments in the summer when they expect to return to school.

I have a splendid chance to play in the band here and it would allow me to practice during the summer.

So if you can arrange to have my horn sent to me I would be very much obliged to you.

Dennis Thomas or Elmer Doody will know which horn it is.

Could you please tell me whether I passed in academic work?

Respectfully yours

Dewey Jordan.

My dear Dewey:-

I have your letter asking that the band instrument which you used while at Carlisle be sent to you. I am sorry that it seems best not to comply with your request. I have not allowed any of the boys who have gone home to take their instruments with them. This was permitted last year, I understand, with the result that we came near losing two very valuable instruments.

Mr. Heagy informs me that you passed in your Academic work, having made a grade of 76%.

I hope that you may have a pleasant vacation and that you will find work and keep busy. I want you to come back to school in September with a good clean summer record. With my best wishes to you, I am Very truly yours
