Mr. Benjamin Harrison has shown me your letter of February 28th.

Benjamin tells us that he wants \$25 with which to secure proper medical attention for his eyes. We feel the request his entirely justifiable and know we would not have sufficient out of the allowance give him here to take care of this item.

We recommend therefore that you send us a check for \$25, which we will arrange to deliver to him.

Dear Sir:-

Your boy Benjamin,<sup>W.</sup> deserted from the school about a week ago, was apprehended at a town about 50 miles from the school and returned. There were two other boys with him and the total cost to the school of their arrest, meals, railroad fares, amounted to \$23.55. This divided among the three boys makes \$7.85 apiece which amount each boy owes the school.

As Benjamin has no funds here, I ask that you send me a check for \$ 7.85 so that I can pay his debt.

Very truly yours

Dear Benjamin:

Mr. Dickey has returned from his trip to see you boys and informs me that you have expressed the desire to go home this fall, some time in September. If you remain with the Ford people until you finish the course, become a regular employee there, and are dropped from our school rolls, the Government will not pay your fare home as it does not do this for any of the pupils who are dropped from the school rolls.

Mr. Dickey gives a good report of most of the boys and I am glad to know that you are all doing your best. I am especially glad to know that you have taken interest in the school work this winter and that more of the Carlisle boys have finished the students course this year.

With my best wishes, I am,

Very truly yours,

Dear friend:

I have your letter asking for a statement as to the time and place of your birth, this information to be used in connection with your work at the Ford factory.

Our record here shows that you were born about the year 1892 in New Mexico, possibly at Seama your present home. This is all the information I can give you from our records.

Dear Sir:

It is customary for a man working for the Ford Motor Company is to obtain a certificate of some kind before begining on his seventh month, so that his age can be proven. Having been called to this matter by the Investigator of the Company, I am desirous of securing certificate soon as possible.

Being unfortunate, alone, and no one to call upon at the locality where I was born and raised like others do, and knowing a possibility of finding my age by looking up the records at the school, I am requesting you to get me this desired certificate.

If you are in a position to do this for me at earliest convenience, I will be greatly benefited.

We are all well and happy, I am,

Yours truly,

NOTE.—One of these blanks should be filled out by each pupil at Government boarding schools, preferably with the assistance of the superintendent or some one designated to act as his representative. If the superintendent is of opinion from the information given that the pupil is entitled to enrollment he should so indicate by signing the blank in the proper place and filing in the individual pupil's folder. In the case of pupils concerning whose eligibility or need of Government aid there is some doubt, superintendents should make proper remarks and recommendations in the space indicated and forward the form to the Indian Office for consideration.
