INDORSEMENTS.

The laws relating to the transfer of Indian children from reservations and schools are as follows:

Such consent shall be made before the agent of the reservation, and he shall send to the Commissioner of Indian Affairs his certificate that such consent has been voluntarily given before such child shall be removed from such reservation. And it shall be unlawful for any Indian agent or other employee of the Government to induce, or seek to induce, by withholding rations or by other improper means, the parents or next of kin of any Indian to consent to the removal of any Indian child beyond the limits of any reservation. Provided, that hereafter no Indian child shall be taken from any school in any State or Territory to a school in any other State against its will or without the written consent of its parents. (29 Stats., p. 348.)

NOTE.—One of these blanks should be filled out by each pupil at Government boarding schools, preferably with the assistance of the superintendent or some one designated to act as his representative. If the superintendent is of opinion from the information given that the pupil is entitled to enrollment he should so indicate by signing the blank in the proper place and filing in the individual pupil's folder. In the case of pupils concerning whose eligibility or need of Government aid there is some doubt, superintendents should make proper remarks and recommendations in the space indicated and forward the form to the Indian Office for consideration.

My dear Mr. Francis:

The guardian of Mary Lieb, and I concur, requests you to keep Mary at Carlisle this summer. We feel that it would not be to her interest to have her return to the reservation. The facts in the case are that many of the girls ^{come home} for a vacation and fail to return. I am not so particular about the boys but I do want the girls to be kept in school until they are capable of taking care of themselves.

Sir:-

Mary Lieb, an Omaha pupil, completed her term at this school this spring and was sent to her home at Walthill, Nebraska. I now have a request from her guardian, Spafford Woodhull, to release her from this school as he desired to enrol her at the Haskell Institute, Lawrence, Kansas. He claims that he wants to do this on account of Mary's poor physical condition.

Mary was not in excellent health at Carlisle and I agree that the Kansas climate might be better for her. I therefore respectfully request authority to release her from this school.
