That hereafter no Indian child shall be sent from any Indian reservation to a school beyond the State or Territory in which said reservation is situated without the voluntary consent of the father or mother of such child if either of them are living, and if neither of them are living without the voluntary consent of the next of kin of such child. Such consent shall be made before the agent of the reservation, and he shall send to the Commissioner of Indian Affairs his certificate that such consent has been voluntarily given before such child shall be removed from such reservation. And it shall be unlawful for any Indian agent or other employee of the Government to induce, or seek to induce, by withholding rations or by other improper means, the parents or next of kin of any Indian to consent to the removal of any Indian child beyond the limits of any reservation. Dear Sir:

As recommended in your letter of December 12, 1913, I am pleased to hand you herewith check #5464 payable to the order of Martha R. O. Water in the sum of \$25, to be expended under your supervision.

As this expenditure is under a regular authority it would not be necessary to take it up as a transfer of funds. It may be accounted for as a voluntary deposit for safekeeping. This method of handling similar checks is used at other non-reservation schools and appears to be very satisfactory.

Mr. Almond R. Miller,
Superintendent, The Ponce Agency,
Whiteagle, Okla.

My dear Sir:

In further reference to my letter of June the 9th, I submit below for your information a copy of the report that was made on June the 12th by our Girls' Outing Agent regarding Martha R. O. Water:

"In regard to Martha Waters, I submit the following report: Martha Waters is living with Mrs. Alfred Wagg, Collingswood, N. J. I visited her on Wednesday, June 10th and find she is very happy and contented in her home. Her eyes do not seem to be giving her any trouble at all. She tells me she likes her home very much and is learning many things and looks much better than when she came out.

The family consists of Rev. and Mrs. Wagg, a little son nine years of age, and a daughter just home from Dickinson College. Rev. Wagg is pastor of the Methodist Church located next door to the parsonage, so the home is in a delightful location. The work is not heavy, in fact, quite light. All the washing is sent out including Martha's - ironing is done at the home - all working together.

As to her being left alone - she has never been left alone at night. During the past week special services were held in the church next door and which Mr. and Mrs. Wagg attended. Martha, at her own desire, preferred to remain at home with the little boy. She has the privilege of attending always. She is a part of the family, has her place at the table with the family, sits on the porch with them in the even-

2- Mr. Almond R. Miller, Superintendent.

ings. The evenings she remained at home were spent in the dining room writing letters and reading. The services were over in about two hours.

Mrs. Wagg says Martha wrote numerous letters on the Sunday following her arrival on the previous Friday. She asked permission to remain from Sunday School. Doubtless, at that time she was strange and new in the home and expressed her lonesomeness in her letters. She says her eyes bothered her the first day due to the wind and dust from traveling.

She wrote this home but says she did not write home that she was left alone. I presume she wrote that first Sunday 'I am all alone to-day', failing to state why and that it was at her own request.

However, at this time everything is quite satisfactory in her home both to Mrs. Wagg and to Martha and already she shows a marked improvement. I am inclosing a letter written by Martha to her uncle. She says her parents are not living. She wrote this in her room while I was downstairs talking to Mrs. Wagg."

Will you please have the enclosure delivered to Mr. Primeo and kindly convey to him the information I have just copied for your farther satisfaction?

Very respectfully,

HKM.

My dear Sir:

When your favor of June the 4th, regarding Martha R. O. Water's complaints, was received here I referred it to our School Physician with a request that he report as desired by you. I submit below for your information a copy of the statement he addressed to me this morning:

"Martha Waters has an old trachoma which received active treatment at my hands. She improved so much under care that she was allowed to go to the country. Her trouble is probably more dissatisfaction than anything more serious."

Although Martha only left here on May the 29th to go to her Outing home instructions are being issued to the Girls' Outing Agent to see her at once in her home to find out what basis there is for her complaint. You can rest assured that Martha will not be allowed to remain in that home if her patrons leave her alone at night.

Sir:-

I am forwarding herewith a proposed petition for the sale of 120 acres of inherited land to which Martha R. O. Water is one of the heirs, holding a one-third interest.

Martha's older sister desires to sell this land in preference of selling a part of her own allotment and in view of the fact that they hold a considerable acreage of land I believe that it would be all right to dispose of a part of their inherited land provided the funds are rightly used.

In case Martha desires to sell this land have her sign each of the three copies on the line next to the signature of her sister who has already signed, and return the papers to this Office.

CERTIFICATE OF AGENT OR SUPERINTENDENT.

I hereby certify that the statements made in the foregoing application and certificate, to the best of my knowledge and belief, are true, that the consent of Martha R. O. Water
(Principal, Carlisle, Pa. Agency.)
was voluntary, and I recommend the transfer of said child.

SPECIAL NOTE.

This form must be executed in duplicate when a child is transferred from a reservation to a non-reservation school. The Superintendent of the nonreservation school will retain the original for his files, and the duplicate shall be deposited in the Agency records. The agent will then send to the Commissioner of Indian Affairs his certificate as provided by law. All the blanks must be properly filled in every case.

NOTE.—Age limits, fourteen to twenty years. Preferably fourteen to eighteen. Students must be at least one-fourth Indian, preferably full Indian. Special cases beyond the age limit will be given consideration. An industrial course only can be taken and the term reduced to three years, in exceptional cases.

Read Instructions on this Application Blank carefully

INDORSEMENTS.

The laws relating to the transfer of Indian children from reservations and schools are as follows:

That hereafter no Indian child shall be sent from any Indian reservation to a school beyond the State or Territory in which said reservation is situated without the voluntary consent of the father or mother of such child if either of them is living, and if neither of them is living without the voluntary consent of the next of kin of such child. Such consent shall be made before the agent of the reservation, and he shall send to the Commissioner of Indian Affairs his certificate that such consent has been voluntarily given before such child shall be removed from such reservation. And it shall be unlawful for any Indian agent or other employee of the Government to induce, or seek to induce, by withholding rations or by other improper means, the parents or next of kin of any Indian to consent to the removal of any Indian child beyond the limits of any reservation. (28 Stats., p. 906.)

Provided, that hereafter no Indian child shall be taken from any school in any State or Territory to a school in any other State against its will or without the written consent of its parents. (29 Stats., p. 348.)

The rules provide that—

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other nonreservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

An Indian boy or girl 18 years old and over may, without the consent of parents or others, personally sign the application form on its being changed to suit the case.

This form is to be used only in transfers from reservations, or Indian schools, to nonreservation schools.

Important—Only those students who desire to come to Carlisle because they have a definite purpose in view will be admitted. Applications for enrollment must be submitted in all cases for consideration before transportation can be made available. Time will then be taken to find out the records students have made in the schools previously attended, and to secure recommendations as to their *moral character* and their worthiness for further attendance at a Government institution.

Dear Sir:-

Replying to your inquiry relative to the amount of money Martha Water has in bank at present, I have to say she has yet \$22.68 of the \$100 sent her last September. Her expenditures have been as follows:-

Oct.2, Ticket Ponca to Carlisle,	\$ 34.57
Oct.28, Personal expenses,	19.00
Nov.7, Dental bill	1.25
Nov.28 Personal expenses	22.50

It seems to me, that as she seems well supplied with clothing now, that the amount she has in bank should be sufficient for her Christmas purchases.

Very truly yours
