INDORSEMENT.

A child showing one-sixteenth or less Indian blood, whose parents live on an Indian reservation, Indian fashion, who, if debarred from the Government schools, could not obtain an education, may be permitted in the reservation day and boarding schools, but it is preferable that it be not transferred to a nonreservation school, without permission from the Office. Children showing one-eighth or less Indian blood, whose parents do not live on an Indian reservation, whose home is among white people where there are churches and schools, who are presumed to have adopted the white man's manners and customs, and are to all intents and purposes white people, are debarred from enrollment in the Government nonreservation and reservation schools. Superintendents, in all cases where doubt exists as to the degree of Indian blood of a child proposed for transfer, should fully satisfy themselves of the facts by affidavits from reliable persons, which affidavits must be kept on file at the school.

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other non-reservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

A pupil dismissed from school for cause must not be enrolled in any other school without the permission of the Commissioner of Indian Affairs. Full facts must be submitted with each request.

Important—Only those students who desire to come to Carlisle because they have a definite purpose in view will be admitted. Applications for enrollment must be submitted in all cases for consideration before transportation can be made available. Time will then be taken to find out the records students have made in the schools previously attended, and to secure recommendations as to their *moral character* and their worthiness for further attendance at a Government institution.

My dear Friend:

This is to acknowledge receipt of your letter of October the 3rd, with which you transmitted an application to cover your re-enrolment at this school for a three year period. Having noted that you are now more than twenty-three years of age I must state that you could not be admitted without special authority from the Commissioner of Indian Affairs, and in order to recommend you for such special consideration I must learn from you just what line of industrial work you desire to complete.

Will you let me hear from you so that such further action as may be necessary can be taken?

Dear Louis:-

Mr. Griswold has sent me the January report of all the Ford employes who are taking the Students' Course so that we may examine the records of our Carlisle boys. We find that nearly all the Carlisle boys are making excellent records for which we are very glad. I am sorry to note however that you do not have an excellent report as to your department. What is the trouble Louis ?

Mr. Lipps has sent Mr. Dickey up there to look into several matters and I would like you to see him and explain why it is that you cannot make as good a record as the other boys. If you prefer you can write Mr. Lipps personally about this.

I hope that it will not be necessary for me to call your attention to any more low marks. You are doing well in all other respects, judging from your report and I hope you may have a clean record this month.

With my kind regards to you and the other boys in your locality, I am

Very truly yours
