### INDORSEMENT.

A child showing one-sixteenth or less Indian blood, whose parents live on an Indian reservation, Indian fashion, who, if debarred from the Government schools, could not obtain an education, may be permitted in the reservation day and boarding schools, but it is preferable that it be not transferred to a nonreservation school, without special permission from the Office. Children showing one-eighth or less Indian blood, whose parents do not live on an Indian reservation, whose home is among white people where there are churches and schools, who are presumed to have adopted the white man's manners and customs, and are to all intents and purposes white people, are debarred from enrollment in the Government nonreservation and reservation schools. Superintendents, in all cases where doubt exists as to the degree of Indian blood of a child proposed for transfer, should fully satisfy themselves of the facts by affidavits from reliable persons, which affidavits must be kept on file at the school.

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other nonreservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

A pupil dismissed from school for cause must not be enrolled in any other school without the permission of the Commissioner of Indian Affairs. Full facts must be submitted with each request.

That hereafter no Indian child shall be sent from any Indian reservation to a school beyond the State or Territory in which said reservation is situated without the voluntary consent of the father or mother of such child if either of them is living, and if neither of them is living without the voluntary consent of the next of kin of such child. Such consent shall be made before the agent of the reservations, and he shall send to the Commissioner of Indian Affairs his certificate that such consent has been voluntarily given before such child shall be removed from such reservation. And it shall be unlawful for any Indian agent or other employee of the Government to induce, or seek to induce, by withholding rations or by other improper means, the parents or next of kin of any Indian to consent to the removal of any Indian child beyond the limits of any reservations. (28 Stats., p. 906.)

*Provided*, That hereafter no Indian child shall be taken from any school in any State or Territory to a school in any other State against its will or without the written consent of its parents. (29 Stats., p. 348.)

Dear Sir:-

Yours favor of August 28th. was addressed to Michigan instead of Minnesota and was not received by me until the 15th. inst. I told Joseph Wishcop to get ready and he has been going down to the boats when they came in twice a week since that time trying to find out something about his transportation and ready to go each trip, as the boats have been getting in about midnight that has been quite a task for him.

I received this morning a letter from the "Soo Line" telling me that they had been requested to furnish the transportation and that they had asked the Booth Line to furnish boat ticket, the boy will start tonight and I am writing this explanation so that you may know that it is not his fault that he is late in getting there.

Respectfully,

Dear Sir. Your letter 9th. in reply to my  
letter sent school for services to two Indian boys  
Calvin Lawrence & Joseph Wishcups.

In reply I would say that I was not authorized  
by school to attend these boys. Lawrence  
came to my office. Wishcup took sick.

Suddenly died his Employer Mr. Forman  
sent for me. He scarcely had time to  
consult Carlisle when the boy had a  
severe attack of kidney Colic. The amt.  
of the bill in each case was very small.

and in course of looking over  
I sent same to you Rhine  
understanding even that the school  
looked after the interest of the  
even though they were away from  
the immediate case,

However it is necessary to  
be designated by the school as  
medical attendant, kindly advise  
me and the next time I  
am consulted or called to  
attend an Indian I'll have  
them send for authority first.

NOTE.—One of these blanks should be filled out by each pupil at Government boarding schools, preferably with the assistance of the superintendent or some one designated to act as his representative. Mr. Joseph Wishcop,

My dear Joseph:

This is to acknowledge receipt of your letter dated February 17th stating that you understand the Indians of Minnesota have received \$150.00 and that you wish to receive your share of it.

You are advised that the Chippewas of Minnesota drew two payments during the month of November; one payment being the annuity of \$19.50, which I sent to Carlisle, and the other \$130.60, which is deposited to your credit in the Bank. You are also advised that your father has nothing to say as to how that money shall be spent, or where it shall be kept, for the reason, that according to your letters your father is a drinking man and you are too young, which necessitates the funds being handled under supervision.

You are wishing to let me know that your father told you that when you are twenty-one years old that you are to look and work for yourself, and it appears that asking for this money does not mean working for yourself.

Now, Joe, it will be a pleasure to me if you will make a man of yourself and amount to more than what

they have under this jurisdiction as I would like to have you show me three people under the Grand Portage Agency who do not drink and who are thoroughly honest. I do not know what record you are making for yourself at Carlisle but I would be pleased to be able to boast that you are one Grand Portage Indian who can be depended upon for honesty, at least.

Perhaps you need your money and if you do, the way you can get it transferred to Carlisle is for you to see Superintendent Lipps and have him make the application to me and I will be glad to transfer your \$130.60 to Carlisle. Otherwise, I wont do it.

O. H. Lipps,

Supt. Carlisle School,

Carlisle, Pa.

Dear Sir:

I have the honor to enclose herewith Individual 110  
Indian check No. 106 drawn in the amount of One Hundred Dol-  
lars (\$100.00) against the account of Joseph Weesh koob Jr  
in the City National Bank of Duluth, Minnesota. This check  
is to replace a "bad check" I sent you on a recent date  
which check was drawn on the Cook County State Bank of Grand  
Marais, Minnesota where Weesh koob has no account. I was  
called up to "stop payment" on the check and I stopped it  
in order to avoid protest. I guarantee the enclosed check  
to be good for face value.

Verybrespectfully,

*M. D. Archibutte*  
Superintendent & S.D.A.

Dear Sirs:-

I am enclosing herewith check of Joseph Wees Koob, Jr. (Wisheop), for \$100.00, made payable to your order, which is to take place of a check for the same amount on which payment has been stopped.

Superintendent M. D. Archiquette of the Grand Portage Reservation, Grand Portage, Minn., made a mistake in drawing a check on another bank instead of the City National Bank of Duluth, Minn.

Regretting the trouble that you have been caused by this mistake, I am

Yours very truly,

Superintendent.

There must be some mistake in the matter, and I will thank you to investigate and let me know at your earliest convenience what disposition to make of the matter.

Supv. Indian Employment,

Dear Sir:

There is a young man of this jurisdiction Joseph Weeshkoob Jr. age 21 years and apparently very capable and ambitious young man who wishes to enter some automobile factory. This young man it appears, finished a three-year enrollment at Carlisle last summer and re-enrolled after which he came home on a visit but finally decided that he wants to get into a machine shop instead of returning to Carlisle. I tried to persuade him to return to Carlisle as per his agreement but he appeared determined on the other proposition.

Should you see it expedient to get him a place in one of these factories he has my best recommendations as he has shown sterling qualities which is out of the ordinary for Grand Portage Indians. His address is Grand Marais, Minnesota.

Very respectfully,

(SIGNED) M. D. ARCHIQUETTE
