Dear Mr Francis

I'm in the radio station for a short time my ship being in the dry dock not being able to do very much I was sent there for instruction in wireless and will probly leave in few days. And I'm getting along fine so far.

my shoulder is not quite well yet - from the accident I met shortly after I left Barbours. I suppose you have heard by this time what and our boys have brought upon himself is now waiting for a general court martial in Norfolk. In regarding to the War Risk Insurance I have taken five thousand police

which is a very easy
term to pay each
month. We had full
explanation of it
from the Chaplain
who is a former
student of Carlisle
High school. and
he wrote some poems
about Indians I'll
send them when I
get back to the
ship. We started for-
saw some time ago
but one of the

engine became
disabled so we had
to return back to
the yards. I'm now
in the Naval Reserve
Force instead of
being a National
Volunteer. Your efforts
shall not be waste
and I know you
have lead us in the
path while we were at
school and I'll take
as much interest
your advice as if
I were at school.

I thank you ever so
much for your advice,
best regards to
every body.

Sincerely yours.

Dear Mr Francis

I wish to extend
my greeting to all of
those who have taken
part in the red cross
branch at the school.

I certainly was indeed
glad to get the package
this is the second
package I received

The other I do not know who
sent it. The sender did not
put his name on it. This what
he wrote. Three cheers for the
saulais. Three cheers for the
Oklahoma. And Three cheers
for Uncle Sam and many
of them. I can make out
where it came from.

I'm the only here from Carlisle
Foreman as on his first
voyage to France he must be
across by this time if nothing
had happen to him. I do
not know just how long
I'll be here myself. Part of
the fleet is already across,
and division stationed some-
where in South America.
This about all the censors
will allow me to say.

I have one hundred and fifty dollars in Liberty loan bond, at 5 per cent interest. My salary forty seven dollars per month second class, Radio or electrician. I am closing. I send my best regards to everybody.

Yours Truly

Oct. 17, 1916.

Mr. O. H. Lipps,

Supt. Carlisle School,

Carlisle, Pa.

Dear Mr. Lipps:-

Enclosed find application of George Cayenne, for enrollment of himself in your school.

He appears to have the necessary qualifications and there is apparently no objection to his enrollment.

He states he was born at Havre, Montana, in 1897, month unknown, which would make him an American. He has attended school at the St. Paul Mission near Harlem, and finished the 6th grade in that school.

Very truly yours,

[Handwritten Signature]
Superintendent.

Encl.

I hereby certify that the records of this school show George James Cayenne to have been born in 1897 and that he is a half blood Chippewa Indian. His father and mother are both dead. The only reference to the place of his birth and the month is a statement of the superintendent of the Blackfeet Agency in which he refers to the statement of George himself that he was born at Haver, Montana, in 1897, month unknown.

I am in receipt of the letter of September 1. I thank you for your promise to send your photograph. As you are distinguished characters, it is right that we should preserve them for youths of generations to come.

I am glad to hear that you are both well and happy. We opened school yesterday with about the same enrollment that we had last year.

I wish you every success in your new work, and everything that you do right, and see everything that you do is given the very best that is in you. If you are a sailor be a sailor.

Good-bye boys, I wish you all the luck and success.
