Dear Ed:

I have your letter of February 16th asking for money with which to come home this summer. Expenditure for this purpose from your bank account is entirely unnecessary as the government will furnish transportation and necessary expenses enroute.

My advice to you would be that you stay where you are and if possible get an opportunity to go out under the out-
ing system, enrolling for another term. There is nothing for you here in Oklahoma, and while I realize a trip home, a visit here, and a trip back would be quite pleasant, yet I think it entirely unnecessary and would not do you near so much good as it would to remain at Carlisle.

Sincerely,

My dear Sir:

When Edward Thorpe was seen at this office last evening he stated again that he wants to go home this summer and requested that you be asked to make available here for his use an amount of about \$40.00. The request is referred to you for such consideration as you believe should be given it. Edward has \$25.00 now to his credit and if he purchases a suit before he leaves here in June to go home he could not need more than about \$10.00 more to defray incidental expenses enroute home.

As he is entitled to leave Carlisle it will be arranged so that he can join the other boys who are to go to their homes this year and he will leave with them on June the 7th. Dear Sir:

I am again in receipt of a letter from Superintendent Lipps concerning the Bb cornet that Edward Thorp has that belongs to the Government. Please see Edward and secure the cornet so that I may have it forwarded to Superintendent Lipps. I had thought that Thorp had gone to Carlisle but it seems he has not. Please use your efforts to get him started to that institute ^{now} if his ticket is still at Shawnee and if it is not and he is willing to go, please so advise me in order that I may have Superintendent Lipps again place transportation for him.

Very respectfully,

Horace J. Johnson
