Mr. Geo Nash, an employee of this Company and recently from the Carlisle School has expressed a desire to take up a course in the Michigan State Auto School in this city. The Course with the Auto School will take up time outside of working hours.

We have previously looked into this Course and have found it to be one worth the time and expenditure of money necessary. We do not know how much money Mr. Nash has desposited at the Carlisle School. In order for him to take the Course it is necessary that he first make a payment of \$100 cash.

We would be glad to have you advise us the amount of his present bank account and whether or not he has sufficient to warrant an expenditure of this amount at present.

I have just come out of the Presbyterian Hospital from an operation for acute appendicitis. I was laid up three weeks. This is why you did not hear from me about my two brothers who wanted to prepare themselves to enter the Ford factory.

Robert has decided to remain on the farm, but George is ready to come anytime he hears from you with instructions. George says that he means business and he also agrees to put his best blows into the work in the next six or eight months so that he will be well prepared when the time comes for your selection.

Please let me hear from you at your earliest convenience how soon you can send for him and will it be possible to have him enter soon after the first of April.

A. H. Nash

My dear Mr. Lipps:

I have just received a letter from my brother George which sounds very encouraging.

He says that he wants to show you that he is in earnest and to prove this he will stand his own expenses to Carlisle and says that he thinks you have done enough in giving him a chance to be a candidate for the Ford factory.

Hoping that this will also be a guide in your decision in accepting my brother back, I am

I hope we shall see George here soon and that we can favor him during the next school year as is desired.

Mr. A. H. Nash,

1509 Arch St., Philadelphia.

Dear Mr. Nash:

I hereby acknowledge receipt of your letters of the 27th and 29th of March, respectively, and take the opportunity to state that I will gladly effect the re-enrolment at Carlisle of your brother George at any time he arrives here. An application for his entrance here should be filled out and approved by Superintendent Babcock before he starts and then our records will be complete. A blank form upon which the application may be submitted to the Superintendent for approval will be sent to George direct.

I must again call attention to the fact that George will have to come here with the understanding that he must await his turn for selection to take the training at the Ford Motor Company's factory in Detroit, Michigan, and that his selection will depend on what he does while preparing himself to be recommended for the place. Unless he is a willing worker here he cannot be expected to prove satis-

My dear Friend:

Your brother Albert H. has informed me that you can arrange to pay for your transportation to Carlisle if the opportunity is given you to reenroll for the purpose of preparing yourself to be selected later on to take the special course of training in the Ford Motor Company's factory in Detroit, Michigan. I have written him that I will gladly give you the privilege to return here for the purpose mentioned, but that it must be understood that your work will have to be taken into consideration when the time comes to determine whether you should be recommended to take the work in the Ford factory in preference to some one else, and that you must await your turn.

There is enclosed herewith a blank form you should fill out and have approved by Superintendent Babcock before you start for Carlisle.

Supt. O.H. Lipps,

Dear Mr. Lipps:

We wrote you a letter some time ago stating that we would like verymuch to join the Ford moter Companies' force which was answered by acting Supt. Mr. Huff.

Robert and I are both ex-students of Carlisle, we feel that through your assistance and the school we could be helped and granted a privlidge to enter. We will also asure you that we will make good use of this opertunity. Now we mean business, we have a splendid chance right here in our home town if we can complete this trade.

Trusting that you will give this your personal attention, and hoping to have a favorable reply. We are,

Yours very truly,

George & Robert Wash

P. S.- We will be prepared to enter any time after the 1st., of Feburary or possibly sooner.

Messrs. George and Robert Nash,
Thurston, Nebr.

My dear Friends:

Replying to your letter of the 31st ultimo in regard to your joining the young men from this school who are now being instructed in the Ford Motor Company's factory in Detroit, Michigan, this is to state that we have our full quota of twenty-five boys now in the Ford factory and that others to take the places of those who complete the course and are placed elsewhere must be selected from among those boys here who are applicants for the special privilege. We are not allowing any boys to go to the Ford factory except under our Outing System and though you should return here to continue with your school work until you can be selected for the special work no assurance can be given you that your applications could be considered for a year or more. There are a number of boys now here who are preparing themselves to be selected.

Supt. O.H.Lipps,
Carlisle, Pa.

My dear Mr. Lipps:

AS I wish to become an auto machanic an not having the chance I am writing to you for assistance.

As being an ex-student of Carlisle, is there any chance to enter the Ford Motor Co., through the Carlisle Indian School?

The automobile business is a coming business so my ambition is to become an auto machanic or expert. I have a brother in the automobile business and also interested in an Auto Polo Co., in which Ford Cars are only used. I figure this will be an ^{en}oping for me if I should complete the course.

Hoping to hear from you soon. I remain,

Yours very truly,

George V. Nash.

My dear Friend:

I have received your letter of the 27th instant and must state in reply thereto that at this time places are not available in the Ford Motor Company's factory in Detroit for the boys whose names are on the waiting list here.

How soon additional places can be promised us I do not know, but with a number of boys now in school awaiting their chance no assurance can be given you that a place can be found for you in the future.

Trusting that you will succeed in getting a chance somewhere else, I am,

August 14th, 1914.

Mr. George Nash,

Thurston, Nebraska.

My dear Friend:

I thank you for the information contained in your favor of August the 12th, to the effect that you and your brother Robert would like to bring a party of students to Carlisle if transportation can be provided for you. I presume that both of you would want to be re-enrolled. If so, it could be arranged to provide transportation for you because you have not yet reached the age of 21 years. Robert's transportation could be provided as escort to the party if he could arrange with Superintendent Young to be detailed for that duty. Let me suggest, therefore, that you and Robert take this matter into consideration with Superintendent Young so that you can learn what he desires to have you do.

The blanks I enclose herewith may be distributed among the young people who desire to come to Carlisle with you, so that applications for their enrolment can be submitted to your Superintendent for his consideration and approval. Whatever assistance they then require will gladly be given.

Hoping that you will let me know in what other way I can assist you in completing the arrangements desired by you and your brother, I am, with best wishes,

Your friend,

Dear Mr. Lipps:

I am writing this letter to inform you that Robert and I figure that we can bring about eight or nine pupils back to Carlisle providing that free transportations can be furnished us. We will also try to select pupils whom in our opinion are deserving, and will prove themselves a credit to the school, and try to acquire an education. Trusting to hear from you very soon.

I am sincerely your friend,

George Nash.

Supt. M. Friedman

Carlisle, Pa.

Dear Sir;

Your circular letter received sometime ago in regards to the students going into the country to work, Robert and George are practically farmers, they have been raised and have worked on the farm. It is my wish that they should learn a trade; they always liked the automobile business. If you could place them where they could pick up the trade, it would be a great benefit to them in this western country.

Your every effort is appreciated, The boys like Carlisle fine.

Yours respectfully,

Josephine Nash.

Mrs. Josephine Nash
Thurston, Nebr.
Dear friend:-

I have your letter relative to your two boys, Robert and George, and note what you say regarding their trades. They are both working in the Print Shop now and as we have a very finely equipped shop, I think they will derive much benefit in the time spent there.

Their brother Albert, wrote to me sometime ago, saying that he would like to find work for them in the city this summer. I wrote him that this would be satisfactory, provided the boys went out under our regular outing rules. I have not heard from him lately.

Very truly yours

Superintendent.
