The laws relating to the transfer of Indian children from reservations and schools are as follows:

That hereafter no Indian child shall be sent from any Indian reservation to a school beyond the State or Territory in which said reservation is situated without the voluntary consent of the father or mother of such child if either of them is living, and if neither of them is living without the voluntary consent of the next of kin of such child. Such consent shall be made before the agent of the reservation, and he shall send to the Commissioner of Indian Affairs his certificate that such consent has been voluntarily given before such child shall be removed from such reservation. And it shall be unlawful for any Indian agent or other employee of the Government to induce, or seek to induce, by withholding rations or by other improper means, the parents or next of kin of any Indian to consent to the removal of any Indian child beyond the limits of any reservation. (28 Stats., p. 906.)

Provided, that hereafter no Indian child shall be taken from any school in any State or Territory to a school in any other State against its will or without the written consent of its parents. (29 Stats., p. 348.)

The rules provide that—

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other nonreservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

An Indian boy or girl 18 years old and over may, without the consent of parents or others, personally sign the application form on its being changed to suit the case.

Mr. Fred C. Campbell, Supt.,
Cheyenne River School,
Cheyenne Agency, S. Dak.

Dear Sir:

Joseph Yellowhead, one of our pupils from your agency, wishes to find out something about his land, whether it is leased and what amount of rent his being received for it. He also wants to know about his inherited land. He says his father and brother who died both had land and that he cannot get any word from his uncle, Baptiste Red Dog, who promised to look after it for him. He says a white man named Pitch who lives next to his land promised to look after it.

Joseph has been a very good boy while a student here and he appears to be very anxious about his land. He will appreciate any information you can give him.

Very truly yours,

D/B
