My dear Miss Johnson

Well I do not know how to answer you Nancy's health as she has not had her period since she has been here. We have taken her to the Doctor he is giving Nancy medicine for it. She seems well only somewhat nervous. I did not know what to say in the report so thought best to write to you hoping I have done all right.

Very Sincerely
Idda E. Condy

Superintendent.

NOTE.—One of these blanks should be filled out by each pupil at Government boarding schools, preferably with the assistance of the superintendent or some one designated to act as his representative. If the superintendent is of opinion from the information given that the pupil is entitled to enrollment he should so indicate by signing the blank in the proper place and filing in the individual pupil's folder. In the case of pupils concerning whose eligibility or need of Government aid there is some doubt, superintendents should make proper remarks and recommendations in the space indicated and forward the form to the Indian Office for consideration.

Dear Sir:

Nancy Whitewash who enrolled as a pupil here from your Agency in 1914 claims that she was enrolled for a period of three years.

As we have no application blank for her enrollment I am not able to tell whether her time is up this year or two years from now.

Will you please get into communication with Felix Jones, of Dixon, S.D., and let me know what his recollection is about Nancy's enrollment.

Very truly yours,

D:R

Mr. Felix Jones,

Dear Sir:

Replying to your letter relative to Nancy Whitewash, I have to advise that there was a misunderstanding about her term of enrollment and so she was not sent home with the home party which left here early this month. I have had a letter from the Superintendent at Rosebud and he tells me that the records there show that she enrolled for three years only, making her term end this year.

I used up the transportation funds so am not able to send her home this month, but will arrange to send her next month and will write you when and where to meet her.

Very truly yours,

D:R

Dear friend:-

I received your letter dated October 6th and while I am sorry that you do not feel able to return to Carlisle at this time, I am glad to know that you are working steadily and enjoy your work.

I am mailing you under separate cover a copy of our Year Book which I hope you will enjoy.

We are going to ask the graduates and ex-students of this school to pay for the Arrow this year. The high cost of paper and everything else, makes it necessary for us to do this. We are planning to give each month, three Arrows and a large Magazine Number of the Arrow for \$.50 a year. This is the offer to our ex-students. I shall be glad to put you on the list upon receipt of \$.50.

With my best wishes to you, I am
