Mr. F. C. Campbell, Spec. Supervisor,
Blackfeet Agency,
Browning, Montana

My dear Mr. Campbell:

Carl Schildt will be readmitted to this school on condition he pays his own expenses here, enrolls for a period of three years and understands that if he doesn't settle down to business and stay here, the liquor case may be opened against him. He must understand that any use of liquor here will mean his prompt return to his home where the other liquor case may be brought up.

Sincerely yours,

JF-E

John Francis, jr.,
Carlisle Indian School,
Carlisle, Penna.

Dear Mr. Francis:

This is to inform you that Carl Schildt, a member of this reservation, was formerly a member of Carlisle but deserted. He is now on the reservation and in trouble because of the introduction of booze and is committed to the next Federal Grand jury.

The boy informs me that since leaving Carlisle, he has regretted his action and feels that if he can once more leave the reservation, he will make good and desires that he be given another chance at Carlisle.

The boy has a pleasing appearance and seems to be sincere in what he promises. If you will accept him, I will arrange to have him released from the charge now against him with the understanding, of course, that he goes to Carlisle and remains there and also see that he pays his own transportation expenses to Carlisle.

JF jr--2

I realize that you may ^{have}/some compunctions about accepting this boy under these circumstances but feel that I am justified in recommending him and that you will be equally justified in accepting him.

I will await information from you.

Very truly yours,

INDORSEMENTS.

The laws relating to the transfer of Indian children from reservations and schools are as follows:

That hereafter no Indian child shall be sent from any Indian reservation to a school beyond the State or Territory in which said reservation is situated without the voluntary consent of the father or mother of such child if either of them are living, and if neither of them are living without the voluntary consent of the next of kin of such child. Such consent shall be made before the agent of the reservation, and he shall send to the Commissioner of Indian Affairs his certificate that such consent has been voluntarily given before such child shall be removed from such reservation. And it shall be unlawful for any Indian agent or other employee of the Government to induce, or seek to induce, by withholding rations or by other improper means, the parents or next of kin of any Indian to consent to the removal of any Indian child beyond the limits of any reservation. (28 Stats., p. 906.)

Provided, That hereafter no Indian child shall be taken from any school in any State or Territory to a school in any other State against its will or without the written consent of its parents. (29 Stats., p. 348.)
