My dear Friend:

Your letter of the 7th instant has been received and in reply thereto must state that it will not be advisable to let you go to your home this summer. You have become located at your outing home and you should remain there to the end of the summer outing period.

The letter you now have in your possession from those in Oklahoma who are interested in your welfare is to the same effect.

Gentlemen:

Referring to your letter of the 20th instant in regard to the request by Hattie Phillips and Lizzie Francis that they be allowed to spend the vacation months at home, I respectfully state that unless such return home is necessary and advisable it will not be allowed this year.

Both girls have gone to outing homes for the summer months and their requests to return home will probably not be repeated. If they are favorable consideration should not be given them.

Very respectfully,

HKM.

Superintendent.

Dear Sir:-

We write you with reference to Hattie Phillips and Lizzie Francis, both students in your school.

Some time ago we got a letter from them, stating that they were in need of money, and we also received a letter from you advising that they would not require any money, but that we might deposit some money with you to be used by them. It seems that they have an idea that they should come home, and we are of the opinion that if they should return home that they will not go back to school. Each of these girls are now of age according to the rolls.

We wish you would interview them and ascertain what their idea is as to returning home.

Dear Hattie:-

I received your letter of May 18th in which you state that it is your desire to come home. I am today sending to O. H. Lipps, Superintendent, the sum of \$55.00. This is the balance due you from the rent received from Mr. McIntosh who has your land rented.

While I know that you are anxious to come home and see your folks, yet it is for the best interest of you and your people that you continue in school, and I am afraid that if you should come home you would not want to go back to school. You can talk the matter over with the Superintendent, and if you finally decide that you must come home for the summer and he will permit you to return you will have the money to come on. I trust that this will find you well and in good spirits, I am,

Dear Sir:

I have your letter of the 15th inst. enclosing a copy of one which you have written to Hattie Phillips, one of our students. Your letter addressed to her came in this morning's mail and has been forwarded to her outing home.

You say you would like to be advised further as to what the arrangement is by which she is in New Jersey at this time instead of at Carlisle. We have a system here by means of which we place our girls in well selected homes during a part of the time they are pupils at Carlisle. The girls go voluntarily and it was Hattie's wish to be placed in an outing home for the winter, so we put her in the home of Mrs. Benjamin Lippincott, Cinnaminson, New Jersey, where she has been since the first week in September.

She attends public school regularly, working out of school hours for her board and care.

Mrs. Lippincott has been one of our patrons for many years and always takes good care of our girls and shows a personal interest in their welfare and advancement.

If you wish a special report I will have our outing

As you will recall there is a five year lease on the surplus, but a lease for only one year at a time can be made on the homestead. You receive the sum of \$160.00 a year for the whole allotment, that is, \$80.00 for the surplus and \$80.00 for the homestead. We saw Tom a few days ago and he stated to us that you were not at Carlyle, but somewhere in New Jersey. Kindly keep us advised as to your whereabouts.

Dear Sir:-

We have your letter of May 18th with reference to the vacation of Hattie Phillips. You are advised that Hattie Phillips is an adult and has no guardian appointed. Her father is dead and her mother lives some eight or nine miles in the country. I presume that you sent the vacation request on the theory that the writer was her guardian. I am only looking after her affairs during her absence. I have heretofore sent you draft for eighty dollars to cover her expenses home.

With this explanation I presume that there is nothing further in the way of her returning home for vacation, and if there should be any other requirements please advise and I will attempt to comply with them.
