The reservation superintendent should send to the Commissioner of Indian Affairs his certificate as provided by law. All the blanks must be properly filled in every case.

## INDORSEMENTS.

---

The laws relating to the transfer of Indian children from reservations and schools are as follows:

That hereafter no Indian child shall be sent from any Indian reservation to a school beyond the State or Territory in which said reservation is situated without the voluntary consent of the father or mother of such child if either of them are living, and if neither of them are living without the voluntary consent of the next of kin of such child. Such consent shall be made before the agent of the reservation, and he shall send to the Commissioner of Indian Affairs his certificate that such consent has been voluntarily given before such child shall be removed from such reservation. And it shall be unlawful for any Indian agent or other employee of the Government to induce, or seek to induce, by withholding rations or by other improper means, the parents or next of kin of any Indian to consent to the removal of any Indian child beyond the limits of any reservation. (28 Stats., p. 906.)

*Provided*, That hereafter no Indian child shall be taken from any school in any State or Territory to a school in any other State against its will or without the written consent of its parents. (29 Stats., p. 348.)

That no Indian pupil under the age of fourteen years shall be transported at Government expense to any Indian school beyond the limits of the State or Territory in which the parents of such child reside or of the adjoining State or Territory. (35 Stat. L., 781.)

The rules provide that—

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other nonreservation school without the consent of both superintendents and the Commissioner of Indian Affairs, and superintendents will be held to strict accountability for such pupils taken to their schools.

An Indian boy or girl 18 years old and over may, without the consent of parents or others, personally sign the application form on its being changed to suit the case but in all cases where the parents are living they should first be consulted.

This form is to be used only in transfers from reservations or Indian schools to nonreservation schools.

Dear Mr. Lipps:-

Enclosed find application for the enrollment  
of Bryan Davis.

This young man appears to have the necessary quali-  
fications, but inasmuch as he is but one-fourth Indian blood,  
and rather light, I have deferred furnishing him with trans-  
portation until assured that you will accept him. He is a  
relative of Leo Kennerly.

Kennerly has been furnished transportation and leaves  
this evening for Carlisle.

Very truly yours,

  
Superintendent.

Mr. William Davis

Dear Sir:-

This is to inform you that your son Bryan owes a bill of Five Dollars for examination of eyes. The bill for ~~glasses~~ glasses has not yet come to the office but this bill will not be over Four or Five Dollars. As the government does not pay such bills except in cases where the pupils are absolutely without funds and have no way of getting any from home, I write to know if you will pay this bill for your son. A check for Ten Dollars should be sufficient to pay both bills. You can makethis check payable to your son but send it to me as the bills will come to my office.

Very truly yours

Superintendent.
