My dear George:

I have received your letter of the 24th instant with reference to your desire to enter the Ford Motor Company's factory in Detroit, Michigan, and must state in reply thereto that I will be pleased to have you return here. However, you must understand that at this time no assurance can be given you that you could be selected after six months of preparation because I do not know now how soon we shall have an opportunity to place additional boys in Detroit. I know you have the training necessary to give you a chance and if you want to come back to Carlisle until you can be selected to go to Detroit regardless of the time it will take I shall gladly cooperate as may be required to effect your reenrollment.

I am glad you have had a chance to make use of your training by assisting with the work at the Keshena School, and before you make up your mind to leave you should see Mr. Marble or Superintendent Nicholson about the matter. An opportunity will then be afforded to select your successor

-2- Mr. George Osh, Keshena, Wisconsin.

and you can leave with a good standing and without inconveniencing anyone.

Hoping I shall hear definitely soon what you will do, I am,

Very truly yours,

I have no allotment of any kind or raising cattle, and if you secured me satisfactory employment I will appreciate your kindness. I will make up my mind to STICK. I am aged 19 and in 8th grade and my trade while at Carlisle was Plumbing, heating, electrical machinery. I got recommendation from my boss Mr. H. F. Weber, and address of a good citizen whom you may write for my testimonial concerning my personal worth is the agent himself Mr. Nicholson or Mr. Marbel.

If you have other factories beside Fords I would like to go. I shall be glad to hear from you soon. I am anxiously waiting to go there.

Dear Friend

I gave George
permission to go to ball game
yesterday afternoon and when
he left the state \$10 from me
I notified the State Police, and
had him arrested and he owned
up to it he had a hearing to
day I asked the officer not
to take him to Doylestown
until I heard from you
and he said, he would have
to do with him the same as
any one else. I expected
to find Mr. Dickie at Newtown
but was told that he had
gone in to school as soon as
out there

Dear friend:-

I have your letter of the 16th inst relative to the conduct of George Oshkesequoam and have to say that you did exactly the right thing by placing the matter in the hands of the law. You can tell the authorities at Doylestown that I do not think it for the best interests of the boy himself and for the interests of our other Indian boys, to intercede in any way whatever to lessen the punishment of a boy who has committed an offence such as that committed by Oshkesequoam. I believe that he should receive the same punishment that the law would impose upon any other boy of his age, for a like offence. The fact that he is an Indian should make no difference in his treatment.

Will you let me know what is done in this case.

Very truly yours

Supervisor in Charge.

Dear Friend

I have thought a great deal about the trouble I had with George Asheragquoan last Sunday while he owned up to the charge against him do you think the best thing for him would be to appear against him as he is nothing more than a lad of 16 and this being his first charge of this kind

I thought perhaps it would
that the punishment that he
has rec^d this last week
might be a great lesson
for him, and by giving
him another chance
it might make a man
out of him yet as the
matter stands he has
no one ~~one~~ to look after
him. If Mr. Dickie comes
around I would like
to have a talk with
him about the matter

Dear friend:-

I have your letter relative to George Osh-
kekequoam and will send Mr. Dickey to take care of his case
within a day or two. He will in all probability return
George to you and you can send him to the school with the
other boys on the 28th inst.

I think George has had his lesson and by the
time he has been made to pay all costs and gets his discipline
here, he will not want to steal any more.

He has written me from the jail and he tells
me that it was Felix Fly who gave him and Harvey Concho the
whiskey upon which they got drunk on the 8th of August.

George Oshkesaquam:

I submit below for your information and guidance a copy of a self-explanatory letter that was received here today. If further explanation is required please see Mr. Meyer.

"Receipt is acknowledged of a letter from George Oshkesaquam, a Menominee student of Carlisle, who asks that his money, which he estimates at \$96, more or less, be sent for his use at your school. Please explain to George that there is no money belonging to him at this agency. He has probably been talking with some one concerning the payment of tribal funds now being made to the Menominees entitled to receive same. This is paid, however, upon application of the tribal members after they become of age, and are deemed competent by the Honorable Secretary of the Interior. George being under age cannot yet apply for his share, but will be permitted to do so as soon as he reaches his majority."
