Dear Sir:-

Your letter concerning
the information of my son's
recent desertion from the
Carlisle school was received.
I assure you it was very
sad and shocking news for me,
and I am very sorry, to hear
such of Benedict. I am sure
Benny had some reason for
deserting your school. He had
written a letter home which
certainly appealed to my

sense of mistreatment at
your hands. It did not
sound as if he were
justly treated

Benedict was very anxious
to return to Carlisle, and I
consented readily, thinking it
would bring about some good.
I am of the opinion that
it has failed.

When Benedict is returned to
the school, I will ask you
to do this, "Do not be ^{to} severe
with him." I am sure he will
be a better boy altogether if

he is justly treated.

In case Benedict does not
return to the school immediately
you will please forward his
check which was sent you
formally.

You will oblige
Mrs Hobbs.

Dear Madam:-

J. H. H. H.

This is to inform you that your son Benedict has not yet been apprehended. I will let you know if he is returned to the school.

I am sorry to know that Benedict has made you believe that he has been unjustly treated. He was punished for an offence which to me seems very serious.

A little over a month ago, our school was placed under strict quarantine by the State Board of Health because of a case of small pox. I had guards stationed at the entrances to the school grounds, who were instructed to stay at the gates, allow no one to enter or go out. Pupils and employees were ordered to stay away from the hospital where we had the case of small pox.

Benedict was given his turn as a guard. He left the gate, went outside and talked with the girls in the hospital. He not only betrayed his trust by doing this, but endangered the lives of all on the school grounds. I think his was a very serious offence, punishment for which could not be termed mistreatment.

Very truly yours

Since writing to you relative to the return home of Benjamin Guyon I have had a report from the oculist who is treating his eyes recommending that he be sent home as his eyes are in such condition that he is not able to do good school work.

As Benjamin will have to pay his own expenses home and also pay for his eye treatments, he will have to have some of his money in your hands transferred to his account here. He would also like to have money to buy some clothing before he leaves.

I should think that \$75.00 would be sufficient to cover all expenses.

NOTE.—One of these blanks should be filled out by each pupil at Government boarding schools, preferably with the assistance of the superintendent or some one designated to act as his representative. If the superintendent is of opinion from the information given that the pupil is entitled to enrollment he should so indicate by signing the blank in the proper place and filing in the individual pupil's folder. In the case of pupils concerning whose eligibility or need of Government aid there is some doubt, superintendents should make proper remarks and recommendations in the space indicated and forward the form to the Indian Office for consideration.

Madam:

Ben Guyon, who is enrolled here from the White Earth reservation, has informed me that you are acting as his guardian and that you now have in your care some of the rent money that has accrued from the use of his allotment. Ben should be sent to Philadelphia to consult a specialist with a view of being treated to correct his eyesight and I would be pleased to hear what amount of money is available that could be used for the purpose outlined.

No charge will be made for the actual services that will have to be rendered and the expense of the trip will be limited to \$6.16 for transportation and boarding at the hospital at a rate of \$1.50 a day.

Ben has requested me to state that his period of enrollment at Carlisle will terminate at the close of the current school year and that he would like to have such an additional amount transferred here as will be required by him

March 16th, 1916.

Miss Margaret Warren,

404 Federal Bldg., Minneapolis, Minn.

Dear Miss Warren:

When your favor of the 11th instant was received here the amount of the thirty-five dollar check you enclosed therewith was credited to Ben. Gayon's account and when our school physician returns to Carlisle later this week it will be arranged so that he can use a part of it in taking a trip to Philadelphia to be examined by Dr. Fox with a view of effecting a further improvement in the condition of his eyesight.

The contents of your letter were brought to Ben's attention and he was advised that he should try to get along for the few months longer he will have to remain here without using more of the funds to his credit in your care, and as he seems to be fairly well supplied with clothing his request for additional funds will not be renewed.

Trusting that a favorable report can be conveyed to you after Ben's eyes have again been examined, I remain,

Very truly yours,

HKM.

Mr. O. Lipps, Supt.

Dear Mr. Lipps:

Owing to a change in the office force here and working with an expert file clerk who is here temporarily, I have been busy and therefore neglected answering your letter of the 15th ultimo, and replying thereto, will say, I am pleased that Ben can get further treatment for his eyes, because from a recent photo I noted he was much improved.

I am sending \$35.00 which will allow for railway fare and two weeks board. If it should be for a longer period, let me know so I can advance the amount necessary. He has \$100, which I had hoped to turn over to him with the additional amounts as I procured them when he attains his majority, thinking it might be a nucleus on which to start him in earning his livelihood, which seems to me, better than spending it on trifles and clothes, furthermore, I do not wish to encourage him in thinking it "easy money" and all he has to do is to ask for it, or run bills on the strength of it. The farmer who has the lease met with a painful accident in a premature explosion of dynamite. He lost a hand and one eye. He has a large family to care for and it has not been easy to pay on the lease and has asked for an extension of time.

Last fall I sent Ben a suit of clothes thinking it might serve for best and with his annuity check of \$18.50 which he must have received also helped out on his wardrobe.

Very truly,

Margaret Warren

Dear Sir:

On the 27th of November last I wrote you relative to a request for money which Benedict Guyon had made. It seems he borrowed \$35.00 from his brother Joseph and he wants to pay this back as soon as he gets money from you. He would like also to have about \$25.00 placed here for his own use from time to time.

Benjamin F. Caswell, another of our pupils, requests that \$50.00 of his money in your hands be transferred to me so that he can have some money to spend from time to time. He also makes a similar request for his sister Eva, who is also a pupil here.

If you approve of the above pupils having the money requested, I will be glad to see that they spend it properly.
