Provided, that hereafter no Indian child shall be taken from any school in any State or Territory to a school in any other State against its will or without the written consent of its parents. (29 Stats., p. 348.)

An Indian boy or girl 18 years old and over may, without the consent of parents or others, personally sign the application form on its being changed to suit the case.

This form is to be used only in transfers from reservations, or Indian schools, to nonreservation schools.

Mr. Perry Keotah,
Anadarko, Oklahoma.

My dear Perry:

Your letter of the 11th instant was delivered to me this morning and I have noted the very earnest plea you make therein in behalf of Eustace Edwards, who had to be sent to his home last year on account of drunkenness. In reply thereto I must state that Eustace was given a second chance even after he had refused to give any information which would have freed him from the suspicion of burglarizing the School warehouse and which would have aided in getting the knowledge necessary in properly handling the others implicated with him. He took advantage of the opportunity to get drunk the second time on the vile stuff which he and the others had secured for the purpose of getting drunk.

Eustace is a grown man and no one here who knows him will believe that he was persuaded to drink with the Pawnee boys against his will. However, if he is in earnest I shall not object to his going to Superintendent Stinchecum with a view of establishing the fact that he has properly conducted

-2- Mr. Perry Keotah.

himself since the time he proved his undesirability for enrollment at Carlisle and with the request that the Superintendent write me too in his behalf. The matter will then be given further consideration. Do not be assured, however, that such consideration could be altogether favorable unless Eustace has tried to do very much better at his home than when he was given every help possible at Carlisle.

I am pleased to know that you are enjoying your vacation at your home and I hope to hear soon when you desire to have the transportation placed for your return. The work for the school year is to begin on September the 7th.

Very truly yours,

HKM.

Supt. O. W. Lippert
Carlisle, Pa.

Dear Supt.

I am at home and enjoying my vacation in the best way and having a good time, I found all well at home and glad to see me back. Mr. Lippert some time ago during the school

to send a number of
Pawnee boys were expelled
from Carlisle among them
was a very good friend
of mine a Delaware boy
from my home town Anad-
onko by the name of Eustace
Edwards of whom I am
possibly writing for. He thinks
that his letters would
not have any attention
is the reason he asked
me to write. Mr Lippert that
boy come to me with tears
in his eyes and took
me by the hand and asked
me to get him back in
Carlisle. He wants to go

to school for he is not
making any thing out of
his self around here
I he told me his story
of how it happened he says
he had gone up on third
floor in the large boys
quarters there at school
he had no intentions of
drinking at all or did he
want to drink but as
he walked along some one
looked out of one of the
rooms it was one of
Pawnee boys who in-
tend that he come in
drink. Eustace did

its and refused them but
they caught him by the
arm and brought him
in the room insisted he
drink and got him drunk!

he says it was not he
who broke in the Company
and stole the lemon extract.

Mr Lipps these are boys
who have got a second
chance and have made
good, but dear Capt Easton
had but one chance and
it was not his fault
that he got in trouble.

Mr Lipps he says he
pay his own way
walk the chalk line

Eustace was good in his studies and was showing up in football and doing well for his first year. His Father Mr. William Edwards spoke to me on the same subject and he asked me to try with all my effort to get him back and Mr Lipps & I think I can make a man out of him.

Eustace is forming here and is doing fine

Tell Mr. Lipps if there is any way in your power to get him back please

Edo for I think he will
live up to what he says
Hoping to receive an
early reply and get
your opinion of the
matter set close.

Yours truly

NOTE.—One of these blanks should be filled out by each pupil at Government boarding schools, preferably with the assistance of the superintendent or some one designated to act as his representative. If the superintendent is of opinion from the information given that the pupil is entitled to enrollment he should so indicate by signing the blank in the proper place and filing in the individual pupil's folder. In the case of pupils concerning whose eligibility or need of Government aid there is some doubt, superintendents should make proper remarks and recommendations in the space indicated and forward the form to the Indian Office for consideration.
