Such consent shall be made before the agent of the reservations, and he shall send to the Commissioner of Indian Affairs his certificate that such consent has been voluntarily given before such child shall be removed from such reservation. And it shall be unlawful for any Indian agent or other employee of the Government to induce, or seek to induce, by withholding rations or by other improper means, the parents or next of kin of any Indian to consent to the removal of any Indian child beyond the limits of any reservations. Mr. Clifford Johnson,

Carlisle, Pennsylvania.

Dear Mr. Johnson:

I have your letter of February 13, 1915, advising that you are dissatisfied at Carlisle, and ask that you be permitted to come home. You do not state why you have become dissatisfied with your school work, and without such information the office could not properly consider your request.

I am exceedingly anxious that all Indian citizens have every school advantage, and I feel that you could not occupy your time to better advantage than by attending school. There are probably many minor matters which arise in connection with this important work which do not just suit your fancy, but these are matters which come to all of us and should not be permitted to overcome your desire for an education, without which you can be of little use to yourself or those who may be dependent upon you in the future.

If you will address me further regarding this matter, setting out fully your reasons for wishing to leave the Carlisle Indian School, I will be glad to consider the matter further.

Sincerely yours,

Superintendent for the
Five Civilized Tribes.

My dear Mr. Parker:

Upon receipt of your letter of the 16th instant relative to a report that was made to you by Clifford Johnson to justify his transfer from this school to the Bacone University, it was referred to our Disciplinarian with a request that a statement be submitted. Mr. Gehringer, the Disciplinarian, replied as follows:

"Complying with your request of the 27th instant would say Clifford has never been satisfied with Carlisle since his arrival here, and has been more or less insubordinate.

On Sept. 9th, 1914, he was confined to the guardhouse for insubordination, on June 1st, 1915, he was again confined for drunkenness. Shortly after this he was in trouble over a clarinet, property of the school band, charged to Rec Spicer, but was settled by Clifford paying for the instrument.

It would seem to me that Clifford is trying to justify his transfer from here at the sacrifice of the good name of Carlisle."

My dear sir:

Clifford Johnson, a student enrolled at your school, has been importuning this office to secure his transfer to Bacone University, located in this City. In his letter of the 3rd instant, Mr. Johnson gave as his reason for desiring the transfer that the students at Carlisle are permitted to go to town too frequently and to drink intoxicating liquors.

Under this date I have answered his said letter of the 3rd instant, a copy of which is herewith enclosed for such action as you may deem proper.

Dear Mr. Johnson:

Receipt is acknowledged of your letter of the 3rd instant, expressing your desire to be transferred from Carlisle to Bacons University. You give as your reason for desiring the transfer that the students at Carlisle are permitted to go to town almost every night; that they are in the habit of drinking intoxicating liquors, a habit which you do not want to acquire, and that you desire to attend a better regulated school.

As stated in my former letter to you, the school year at Bacons is now far advanced and, before your transfer could be effected, the present session would be more than half gone. Therefore, I again suggest that it would be to your interest to remain at Carlisle.

In regard to the students being allowed to go down town too frequently and to drink intoxicating liquors, I am sending a copy of this letter to the Superintendent, in order that he may be advised of the situation as outlined by you.

Sincerely yours,

Superintendent for the

Dear Sir:

Your letter of January 23, 1915, to Superintendent Gabe E. Parker, has been referred to me for proper reply.

In your letter you state that you wish to come home immediately and to attend Bacone College, Oklahoma; also that you wish to quit school at the end of this year and go into business. Your letter would indicate that you were very far from prepared for a successful business career, and my only advice to you would be to remain at Carlisle as long as the Government is willing to allow you this privilege. Your reasons for leaving at this time do not appear to me to be sufficient to warrant a recommendation to that effect. I hope you will yourself "think it over and over" before deciding that you have sufficient education to fit you for business life. You should also talk with Supervisor Lippe.

My dear Sir:

I thank you for your favor of September the 18th and for this opportunity to state that all money for the use of your ward, Clifford Johnson, should be sent to me direct. The amounts will then be placed to his credit in our school bank and whatever sums he may need from time to time will then be paid out by checks to him on which will be required his signature. In that way his expenditures will be supervised and it will be known at all times just how much money he has and is spending.

All necessary clothing is furnished to all boys who are in attendance here, but there is no objection to his having money in bank which may be used from time to time to buy such articles of clothing which are not furnished as necessary equipment by the government. Clifford will also have daily opportunities to wear suits of cloth-

ing other than the school uniform if he so desires.

In this connection I will report that when Clifford came here he fell in at once with several very undesirable fellows from the Five Tribes who were then yet in attendance here and his attitude was such that it was doubtful whether he could be retained in school. However, the characters mentioned have been removed from school and I understand that Clifford is now doing very much better.

At any time Clifford forwards requests to you I will be pleased to have you refer them to me, and if he needs money a request for it should be submitted to this office for approval.

Assuring you that your co-operation in doing what is best for your ward will be appreciated, I remain,

Dear Sir:

I find out from different sources here that some of the boy friends of Clifford Johnson are contemplating raising funds to send him so that he may run away from school, and in order that we may prevent such a move on his part I am hereby notifying you so that you may keep a close watch on him . I want him to stay there in school but of course he being like all other boys a temptation like this would encourage him run away.

I am taking a great interest in my Ward, especially in his schooling and I think at the present time school is the place for him and if possible I would like to keep him there, therefore I would like for you to look into the above and see that no such move is made, or that funds do not go to him for that purpose.

Dear Sir:

I am in receipt of a letter from My Ward, Clifford Johnson, who is at present in school, in which he states that he is very much in need of an Overcoat. Now of course I am not in position to know whether or not this is an actual necessity, however if that is the case you may purchase him one.

I fully realize that Clifford, under your good care will get the things which is needed, although in your position, an item of this kind might be in some way overlooked.

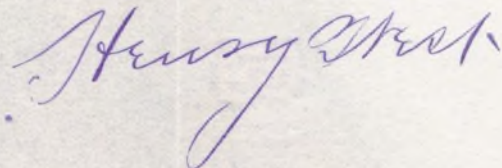

Clifford states in his letter for me to send the money direct to him; that if same is not sent that way he fears he will not get this coat, however I am enclosing you \$30.00 for which you may make this purchase if you deem it necessary.

Trusting that the above is in every way satisfactory and hoping to hear from you in the near future.

Your letter of the 6th. inst. relative to Clifford Johnson, my ward, coming home to spend the vacation, received. I also had a letter from Clifford on this matter and took it up with Supt. Mr. Henry West,

My dear Sir:

I have received your letter of the 30th ultimo, to which was attached a communication that had been received by you from your ward, Clifford Johnson.

When Clifford was seen in regard to the matter he stated that he would prefer to attend school where all his time could be devoted to academic work, and his argument seems to be a reasonable one. However, he has not shown by his work here that he is at all sincere in his desire to make progress and it is my opinion that he is anxious to get away from school because he does not want to be restrained or required to do anything except what suits his fancy.

~~Clifford~~ *Clifford* has not done very much for himself at Carlisle and because he seems to have ample funds to pay for what he gets in the way of an education it is believed advisable that he should be taken away from Carlisle and placed in some other school where use can be made of what money he has in paying for his education.

2- Mr. Henry West.

Clifford's letter to you is being returned here-

you to do what is believed best for your ward, regardless
of what my preferences in his case are.

My dear Sir:

Your ward, Clifford Johnson, has again come to this office with a request that permission be given him to return to his home. He stated that he cannot see the necessity of remaining here and as his lack of purpose during the year has indicated that it will be a most difficult matter ever to make him realize the importance of being earnest and anxious to make good use of his time it is my opinion that very little can be gained by having him remain at Carlisle. It is a fact that a great deal of extra time and attention has to be given to boys of Clifford's type which could be used to better advantage by assisting those who desire to make use of their time.

Only last week he was reported as a deserter because he was absent from his work and all the other duties required of him. Only this morning he came to this office to sign a check in the amount of \$62.00 to replace a clarinet which has recently been missing and which was seen in his

-2- Mr. Henry West.

possession. He stoutly denied stealing the clarinet but admitted that he had found an instrument and had given it to white boys he did not know. Clifford has recently been detected in other acts of petty thieving.

In view of the fact that such a report has to be conveyed to you it is believed that the young man should be taken away from Carlisle and placed in some school where his money could be used to pay for tuition fees and other expenses incident to the securing of an education. It will be appreciated if you can advise me without delay what help you can give.

Dear Mr. Wyly:

Upon receipt of your favor of the 2nd instant, relative to an allowance of \$200.00 to be used to pay for tuition fees at this school for Clifford Johnson, I called the young man to my office and had a talk with him. He has decided that he would like to attend the Mercersburg Academy, the school in which it is proposed to enroll the Enas Wilson who was brought to Carlisle several weeks ago.

Clifford has not done any good at Carlisle because he would like to return to Oklahoma, where he evidently roamed unrestrained and was not required to do anything except that which entirely suited his fancy. However, in spite of his record here, it is my recommendation that he be given a chance to show whether he is really worthy of further encouragement and aid. At Mercersburg he will be required to do satisfactory work or his return here will be effected.

Will you please let me know whether Clifford has the

Dear Mr. Lipps:

Henry West, of Vian, Oklahoma, the guardian of Clifford Johnson, a Cherokee boy enrolled at your school, has made application to Gabe E. Parker, Superintendent for the Five Civilized Tribes, for an allowance of \$200 of the funds of his ward now on deposit at the Agency, to pay Clifford's tuition at Carlisle. On looking up the enrollment records in this case it is ascertained that Clifford is a fullblood Indian and I do not understand that restricted Indians are required to pay tuition for attendance at your school.

Before making a recommendation to Superintendent Parker in this matter I desire to have a statement from you as to whether or not this boy is required to pay tuition.

Mr. Clifford Johnson,
U. S. Indian School,
Carlisle, Pennsylvania.

Dear Mr. Johnson:

I am in receipt of your letter of the 8th instant relative to returning to your home in Oklahoma. In reply you are advised that you were enrolled in the Carlisle Indian School for a term of three years, and I am sure it will be to your best interests to remain in school and complete the course you have commenced.

I am pleased to note the improvement in your penmanship, and I am sure if you are doing as well in other subjects you will never regret the time you have spent at Carlisle.

Everything at home is progressing nicely, and I do not see any necessity for your returning at this time.

Sincerely yours,

Acting Superintendent for
the Five Civilized Tribes.

Clifford Johnson:

I submit below for your information and guidance a copy of a letter that was addressed to me from Superintendent Parker's office on February 25th:

"The office has received numerous letters from Clifford Johnson relative to returning home at the close of this term. I do not believe that the boy should be permitted to return home until he completes the full three-year course for which he is enrolled. If he returns home he will come in contact with his old associates and gradually acquire habits to which the Indian, especially if he has plenty of money, is prone.

The office has written this boy on several occasions, advising him that he should not and could not return home this season, and it is suggested that you interview him and inform him of the uselessness of writing further to this office concerning this matter. Perhaps, after you have an interview with him he will, in a measure, overcome his homesickness and take more interest in his school work."

Very respectfully,

HKM.

Superintendent.

Dear Mr. Lipps:

There are enclosed herewith letters from Clifford Johnson and Edmond Calvin, expressing a desire to return to their homes during the vacation. The matter was taken up with Clifford's guardian, Mr. Henry West, today and he thinks it not advisable for Clifford to come home.

Previous correspondence relative to Edmond's return home indicates that it is the desire of his guardian, Mr. Geo. W. Bell, that Edmond remain at Carlisle.

I therefore disapprove of these boys returning to Oklahoma for the vacation.

The Honorable
Commissioner of Indian Affairs,
Washington, D. C.

Sir:

Permit me to invite your attention to the case of Clifford Johnson who was readmitted to this school on September 22d and deserted on October 11th. Under date of September 20th a check in the sum of \$200.00 was drawn on the account of Clifford Johnson by Gabe E. Parker, Superintendent of the Five Civilized Tribes, and forwarded to me to apply on Clifford's tuition for the scholastic year beginning in September 1917.

I am now informed that Clifford has enrolled in a business college in Muskogee and is taking bookkeeping and stenography. Mr. Parker requests me to return the \$200.00 sent by U. S. Treasury check #31885 to his office so that it may be applied to the lessor's account.

This check was deposited, in accordance with the regulations, as Miscellaneous Receipts, Class 2. In view of the circumstances I would be glad to receive instructions as to the action that should be taken by me in the matter.

Very respectfully,

Superintendent.

Mr. Gabe E. Parker,

My dear Mr. Parker:

The receipt is acknowledged of your letter of November 20, 1917 in regard to Treasury check #318885 in the sum of \$200.00 drawn by you upon the account of Clifford Johnson to apply on his school tuition for the scholastic year beginning September 1917.

You advise me that you were very much surprised to learn that Clifford did not return to Carlisle but that he is enrolled in a business college located at Muskogee, and to request that the check in the sum of \$200.00 be returned to you so that it may be applied to the lessor's account.

In response you are advised that our records show the receipt of the check in question. They also show that Clifford Johnson was readmitted on Sept. 22, 1917 and deserted on October 11, 1917. Clifford's status is therefore that of a deserter.

The check has been placed to the credit of the United States. Under the circumstances I am not sure of what action I can take in the premises and I have this day asked the Indian Office for instructions.

Sincerely yours,

Superintendent.

Gentlemen:

Under date of September 20, 1917, check in the sum of \$200.00 was drawn from the account of Clifford Johnson and forwarded to you to apply on his school tuition for the scholastic year beginning September 1917. The office was very much surprised to learn recently that Mr. Johnson did not return to your school and it now appears that he is enrolled in a business college located here and is taking up bookkeeping and Stenography.

In view of the fact that Mr. Johnson does not intend to return to Carlisle, the \$200.00 sent you by U. S. Treasury check #318885 should be returned to this office so that it may be applied on the lessor's account.

Sincerely yours,
