The reservation superintendent should send to the Commissioner of Indian Affairs his certificate as provided by law. All the blanks must be properly filled in every case.

If the information called for on any part of the blank is not known, that fact should be stated. No space should be left unfilled. Whether the parents are living or dead, their names must be given.

The person who signs the blank as consenting to the transfer should indicate his relation to the applicant by marking out the word "parent," "guardian," or "next of kin," leaving unmarked only the title appropriate to the signer.

INDORSEMENTS.

The laws relating to the transfer of Indian children from reservations and schools are as follows:

That hereafter no Indian child shall be sent from any Indian reservation to a school beyond the State or Territory in which said reservation is situated without the voluntary consent of the father or mother of such child if either of them are living, and if neither of them are living without the voluntary consent of the next of kin of such child. Such consent shall be made before the agent of the reservation, and he shall send to the Commissioner of Indian Affairs his certificate that such consent has been voluntarily given before such child shall be removed from such reservation. And it shall be unlawful for any Indian agent or other employee of the Government to induce, or seek to induce, by withholding rations or by other improper means, the parents or next of kin of any Indian to consent to the removal of any Indian child beyond the limits of any reservation. (28 Stats., p. 906.)

Provided, That hereafter no Indian child shall be taken from any school in any State or Territory to a school in any other State against its will or without the written consent of its parents. (29 Stats., p. 348.)

That no Indian pupil under the age of fourteen years shall be transported at Government expense to any Indian school beyond the limits of the State or Territory in which the parents of such child reside or of the adjoining State or Territory. (35 Stat. L., 781.)

The rules provide that—

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other nonreservation school without the consent of both superintendents and the Commissioner of Indian Affairs, and superintendents will be held to strict accountability for such pupils taken to their schools.

An Indian boy or girl 18 years old and over may, without the consent of parents or others, personally sign the application form on its being changed to suit the case; but in all cases where the parents are living they should first be consulted.

Dear Sir;

I have the honor to transmit herewith the application of Lillie Thompson for the enrollment of her son, Addison Thompson, in your school.

This boy is of but one-fourth Indian blood and has always attended public schools, but he seems to have completed the course offered in the school near his home and his parents feel that they can not afford to send him to higher schools or vocational schools.

On account of lack of parental discipline, it would be better for the boy to be placed in some good boarding school, such as Carlisle, where he could get good mental and moral training.

Respectfully,

C. E. Norton

Dear sir I am in a lot of
trouble and you are the only
one that can help me out. I
have a thing I call a husband,
but that is all, nothing but
gambling and drunkedness at
the present time he is a way I
don't know where, has been
gone over a week, just about
two weeks is all he can stay
at home he has always been
just this way and we have not
any home we can call our own
have to rent he has got

rid of every thing he had,
and I thought if Addison
was away in school he
wouldn't have any thing to
depend on, but he is worse
than before, don't care any
thing for his family I don't
think the way he does I have
three little girls but Addison
is the only one on the roll
I wish you would send
him for he has always been
my only support for the Agent
sent some money every month
and with the help of some of
my folks we got along real
well, and since Addison
has got large enough to

work, he has gave me the
most of his earnings. I do all
I can try to raise and
save what we have. If I
could talk to you my story would
be heart rendering. I hate
to ask you to send Addison
home but it is all I can
do we are in hard circumstances
since I dont have time for my
dependants. You can ask him
about his father and the way
I have always had to do,
but it is for the childrens
sake I do it. I dont know
whether you are a married
man and have a family. if
you are maybe you can
sympathize with me. Addison
has enough money that he
can pay his fair back to you if
you only will please let

him come home. Won't you
do this for me. And I sure
will never forget you, for
he is my main help. I am
ashamed to think I made such
a choice as I did but if
Addison comes home. I am
ready, to get rid of him
Mr Francis if you think I
am lying to you you can
write to all of my neighbors
and ask them just write
to Nelson, Cooper Hardy, &c.
if you think this is not true
I would not ask you to send
Addison home, if I could get
along without him but I can't
and please send him at once.

and kindly oblige
Mrs Lillie Thompson,

P.S. Addison can pay his fair
ticket to you. that you see
him when he went up there.
Please let him come home.

Supt. John Francis, Jr.,

Dear Mr. Francis:-

I beg to acknowledge receipt of your letter of November 12, 1917, enclosing one addressed to you from Mrs. Lillie Thompson, mother of Addison Thompson, a pupil of this jurisdiction enrolled in your School.

I have to advise that I had a similar letter from Mrs. Thompson and feel that she no doubt needs the assistance of her son in order to help her along. She is a white woman and her husband, an Indian is just as worthless as she says and probably more so.

I very much dislike to deprive the boy of his chance for schooling in your Institution, as it would appear even more strongly from her letter that he is in need of an education. I am sure that all Mrs. Thompson says in her letter are facts but I believe at this time I would withhold permission for the boy to return home until I may be able to see Mrs. Thompson and see if there

-2-

is not some way that she can get along without the
necessity of depriving the boy of his school chances.

After I have seen her I will advise you
further.

My dear Mr. Norton,--I am in receipt of your letter dated Feb. 26, 1918 relative to Addison Thompson. This boy deserted from this school November 18, 1917 and your letter gives us the first information of his whereabouts. Being a deserter, I would not recommend his being sent any money. If he wishes to return to the school, I could place a ticket for his use to be paid for from his funds in your hands. I paid his fare to Carlisle from government funds last fall. If he has funds with you, \$34.47 of it, should be used to reimburse this school for his fare.
