DEPARTMENT OF THE INTERIOR

OFFICE OF INDIAN AFFAIRS

WASHINGTON

March 18, 1916.

METHOD OF SENDING AND PAYING FOR TELEGRAMS.

ORDER No. 5.

TO ALL OFFICERS AND EMPLOYEES OF THE INDIAN SERVICE:

In lieu of Circular 1056, the following instructions in regard to sending and paying for telegrams, are hereby promulgated, to be effective on and after April 1, 1916:

1. HOW SENT.

No telegram on which the charges are to be paid by the Government, either directly or by way of reimbursement, shall be sent "collect" unless sent by a person not in the Service. See 3 (b).

(a) **Indian Office.**—Messages sent by Government officers or employees to or from the Indian Office shall be marked in the lower left-hand corner, thus: "Official Business, Government day (or night) rate. Paid, charge Indian Office."

(b) **Field Offices.**—Messages sent to or from any field office, which properly pertain to its jurisdiction, shall be marked in a similar manner: "Official Business, Government day (or night) rate. Paid, charge _____, (giving name of the person or office to which bill should be presented for payment)."

(c) **Traveling employees.**—All other messages sent by employees who are under the jurisdiction of a field supervising office, whether sent direct to that office or otherwise, shall be marked thus: "Official Business, Government day (or night) rate. Paid, charge _____, (give name of the person or office to which the bill should be presented for payment)."

All other messages sent by employees who are *not* under the jurisdiction of any field supervising office shall be paid for in cash at the time the message is filed with the company for transmission, and the message shall be marked thus: "Official Business, Government day (or night) rate. Paid in cash by sender." In all such cases a copy of the message, showing that the original was marked "Paid in cash by sender," must be retained by the traveler and filed with his voucher on which reimbursement is requested.

2. METHOD OF PREPARATION.

(a) **Rates.**—Each message must be marked by the sender so as to show whether it is sent at day or night Government rates. Night rates are cheaper, and should be used when too much delay is not occasioned thereby.

2. METHOD OF PREPARATION—Continued.

(b) **Signature.**—Each telegram must be signed in sender's own handwriting. Typewritten or stamped signatures must not be used. Telegrams phoned to sending station of company must be confirmed by written message prepared and signed as herein directed.

(c) **Address.**—Official telegrams sent to the Secretary of the Interior, or to the head of any bureau thereof, or to any other person in the Department whose official position is of sufficient prominence to insure proper delivery of the message at Washington, D. C., over the lines of the Western Union and Postal Telegraph Cable Companies, should be addressed "Washington" only, the letters "D. C." being eliminated. ("Departmental Order November 20, 1915.)

(d) No duplicates should be furnished to the receiving office of the company, except to support lost messages, when ordered by the Indian Office, in accordance with paragraph 5 hereof.

(e) **Appropriation.**—On each copy of the message give name of the appropriation chargeable with the toll.

(f) **Form.**—When practicable use prescribed forms, making original and four copies, and disposing of the copies as marked thereon. Additional copies may be made as desired. If not practicable to use prescribed form, keep copy of the message and mail omitted forms as soon as practicable.

3. MANNER OF PAYMENT.

(a) Vouchers of telegraph companies, when submitted for payment, must be supported by the originals of all telegrams filed by officers or employees of the Indian Service, after April 1, 1916.

(b) Messages sent "collect" to a Government office or officer, by a person not in the Interior Department, may be paid for on presentation of a copy of the received message. However, the Government reserves the privilege of having such messages marked: "Paid, charge _____, (giving the name of the person or office to which the bill should be presented for payment)," and in such cases it will be the duty of the telegraph company to present the original message in support of its bill. Field officers are advised to instruct correspondents to so mark messages which are to be paid for by the Government.

Dr. John Francis Junr -

Dear Sir

I have to report
that Stanley Kilcrease left
this house on Thursday
morning last for school as
usual as we expected.

At the usual time of the Boy's
return from school in the
evening he did not turn up,
so I telephoned to the school
mistress to find out if there

had been any trouble at
School, when she informed
me that Stanley had not
been at School that day at
all.

I did not write at once to
you as I thought he would
turn up again, as he had
left his belongings about his
room as usual, I knew
he had had some money sent
him from his Brother in Law
and I feared he had got
drinking and would not
return till he was alright again

I have not the least idea of
where he went or where he is.
Once he asked me how far
Bristol was from here as he
said he knew someone there
a Barber I think.

Bristol is the recruiting Centre
for this District
So upon the receipt of your letter
this morning I at once sent off
the Telegram you will have rec^d.

Farewellly Yours
George Gore
