SUBJECT: In re

lease.

Muskogee, Oklahoma.

September 24, 1917.

John Francis, Jr.,
Supt. U. S. Indian School,
Carlisle, Pennsylvania.

Dear Mr. Francis:-

I have your letter of the 18th instant enclosing an oil and gas mining lease on commercial form covering the allotment of BEN PERRYMAN, and it is noted that you state you are enclosing a letter from one Walter D. Elrod, which letter you evidently failed to enclose, as same did not accompany your letter.

In connection therewith you are advised that the United States Oil Inspector reports that the maps in his office show no favorable development immediately adjacent to the land contained in the lease above mentioned, that three-quarters of a mile due East of the East line of this 80 acres, a dry hole has been completed to the depth of 1970 feet in the NE corner of the SW/4 of Section 11, Township 19, Range 14, and that one-half mile North of the North line another failure has been completed, the exact

location of which land being the NW corner of the NE/4 of Section 11, Township 19, Range 14.

It is not considered that these failures condemn this property for development and operation, and it is believed that the 80 acres involved has a bonus value at this time of \$2.00 to \$3.00 per acre, with provision to drill on same.

As the terms of the lease as drawn provide that a rental of \$1.00 per acre each quarter, or \$4.00 per annum, in the event a well is not drilled, the office feels that the execution of this lease would be to the best interests of the allottee. The lease submitted is returned herewith.

Very truly yours,

Superintendent for

Mr. John B. Brown,
Supervisor U. S. Indian Schools,
Muskogee, Okla.

Dear Mr. Brown:

Mr. Checote arrived here last Friday with his three pupils. Frances Perryman appears very much dissatisfied, and the matron is having considerable trouble with her. She does not want to go to school and insists that Mr. Checote told her she might return home if I would approve of it. I have already written Mr. Checote regarding the matter. It appears that the girl had some trouble at a Catholic Mission School, and if we cannot control her here, there is a Catholic school at Reading, Pennsylvania, where we now have three Indian girls, and I am sure they will be able to control her there, if Mr. Checote will approve of her transfer to that school. All of the other Five Tribes students appear to be getting along very well, and after they become a little more accustomed to the place, I believe they will develop into very good students.

Very sincerely yours,

If the money is sent direct to me it will be handled in the usual way thru our school banker's office."

Mr. Checote has not complied with the request and as the girl is anxious to have the use of the very limited sum she wants now I respectfully ask that some assistance be given. Dear Sir:

Your letter enclosing one from Frances Perryman, a pupil of this school, relative to her spending her vacation at home this summer has been received.

I wrote some time ago to Frances' guardian Mr. Samuel J. Checote of Okmulgee, relative to this matter, but have never heard from him. If he does not approve of her spending her vacation at home he should let me know so that the matter can be settled.

Frances is getting along very nicely here but the fact that so many of her friends are going home at this time has likely made her dissatisfied and anxious to go too. I have no objection to her going if she has a good home to which to go, but will await your recommendation and that of her guardian before taking any further action.

As all arrangements have been completed for Madeline Keel to go to her home this evening I am re-

turning herewith her letter as you requested me
to do.

About the same time I received your letter enclosing check I had a note from Frances asking me to write you for some spending money which indicates that she has given up the idea of going home this summer. I think it is just as well and if you approve I will not say anything to her about the money which you sent for her expenses home. Shall I retain a part of the ~~amount~~ you sent for spending money for her or do you prefer that I return the check as you sent it and mail me another check for whatever amount you think best that she ~~should~~ have for spending.

Dear Sir:

Your letter of July 25, 1917, at hand, and in reply will say that you may retain the \$85.00 I sent you recently, and give it to Frances Perryman as you see fit. She is in your care, and I wish you to deal with her as you think right and proper.

Frances' own allotment rents for \$300.00 per year, the eighty at Hamilton Switch, in which she owns a one-half interest, rents for \$80.00 per year and the eighty east of Tulsa, \$100.00 per year, out of which must be paid taxes and repairs. The taxes on her own allotment last year were \$103.00.

Hoping this reply is satisfactory,

Dear Sir:

Please find enclosed oil and gas mining lease covering:

same being part of the allotment of Ben Perryman who was the father of Frances E. Perryman and Martha Checote, nee Perryman.

Please be careful and have Frances, when she signs her name, to write her name Frances and not Francis, as she was enrolled as Frances, and I am under the impression that she has been in the habit of writing her name Francis. I notice that her name in the check is spelled Francis.

When she has executed the lease take her before some notary public and have her acknowledge same and when she has done this either turn the check over to her or hold the same as you may think advisable; and when this lease has been executed and check been delivered, return the ~~same~~ to me at your earliest convenience.

Martha, joined by her husband, Samuel J. Checote, Jr.,

My dear Sir:

I have your letter of September 21, 1917 regarding a certain oil and gas lease which you desire that Frances Perryman, a student of this school, should execute.

In response I wish to advise you that I fully appreciate the fact that Frances is a quarter blood Indian, that she is over twenty-one, that she is legally capable of executing the instrument in question and is not subject, in an ordinary sense, to the jurisdiction of the Department of the Interior. Her present situation as a pupil of this school, however, places upon me a real responsibility as her advisor and friend.

In view of the fact that at the same time she received your offer she received a telegram offering her a material increase from another person, she feels as I feel that she should understand the value of the property which she is to lease and obtain for herself the largest amount which the property will bring.

Sincerely yours,

Dear Sir:--

I have received your letter of the 18th inst., and in reply would advise that Frances Perryman is a one-quarter blood Indian and there fore the Department has no jurisdiction over her nor even over her own allotment.

A Mr. Swann was after this lease but offered only one dollar per acre; A Mr. Burton offered one dollar fifty cents per acre for the lease and I advised Martha to execute the same. After Swann had been advised that Martha had executed the lease he then offered Two dollars per acre. I told him that he had had his day in court and had stated that one dollar per acre was all that he would give, and I think therefore that under all the circumstances that Frances should join in this lease.

DEPARTMENT OF THE INTERIOR

OFFICE OF INDIAN AFFAIRS

WASHINGTON

March 18, 1916.

METHOD OF SENDING AND PAYING FOR TELEGRAMS.

ORDER No. 5.

TO ALL OFFICERS AND EMPLOYEES OF THE INDIAN SERVICE:

In lieu of Circular 1056, the following instructions in regard to sending and paying for telegrams, are hereby promulgated, to be effective on and after April 1, 1916:

1. HOW SENT.

No telegram on which the charges are to be paid by the Government, either directly or by way of reimbursement, shall be sent "collect" unless sent by a person not in the Service. See 3 (b).

- (a) **Indian Office.**—Messages sent by Government officers or employees to or from the Indian Office shall be marked in the lower left-hand corner, thus: "Official Business, Government day (or night) rate. Paid, charge Indian Office."
- (b) **Field Offices.**—Messages sent to or from any field office, which properly pertain to its jurisdiction, shall be marked in a similar manner: "Official Business, Government day (or night) rate. Paid, charge —, (giving name of the person or office to which bill should be presented for payment)."
- (c) **Traveling employees.**—All other messages sent by employees who are under the jurisdiction of a field supervising office, whether sent direct to that office or otherwise, shall be marked thus: "Official Business, Government day (or night) rate. Paid, charge —, (give name of the person or office to which the bill should be presented for payment)."

All other messages sent by employees who are *not* under the jurisdiction of any field supervising office shall be paid for in cash at the time the message is filed with the company for transmission, and the message shall be marked thus: "Official Business, Government day (or night) rate. Paid in cash by sender." In all such cases a copy of the message, showing that the original was marked "Paid in cash by sender," must be retained by the traveler and filed with his voucher on which reimbursement is requested.

2. METHOD OF PREPARATION.

- (a) **Rates.**—Each message must be marked by the sender so as to show whether it is sent at day or night Government rates. Night rates are cheaper, and should be used when too much delay is not occasioned thereby.

2. METHOD OF PREPARATION—Continued.

- (b) **Signature.**—Each telegram must be signed in sender's own handwriting. Typewritten or stamped signatures must not be used. Telegrams phoned to sending station of company must be confirmed by written message prepared and signed as herein directed.
- (c) **Address.**—Official telegrams sent to the Secretary of the Interior, or to the head of any bureau thereof, or to any other person in the Department whose official position is of sufficient prominence to insure proper delivery of the message at Washington, D. C., over the lines of the Western Union and Postal Telegraph Cable Companies, should be addressed "Washington" only, the letters "D. C." being eliminated. ("Departmental Order November 20, 1915.)
- (d) No duplicates should be furnished to the receiving office of the company, except to support lost messages, when ordered by the Indian Office, in accordance with paragraph 5 hereof.
- (e) **Appropriation.**—On each copy of the message give name of the appropriation chargeable with the toll.
- (f) **Form.**—When practicable use prescribed forms, making original and four copies, and disposing of the copies as marked thereon. Additional copies may be made as desired. If not practicable to use prescribed form, keep copy of the message and mail omitted forms as soon as practicable.

3. MANNER OF PAYMENT.

- (a) Vouchers of telegraph companies, when submitted for payment, must be supported by the originals of all telegrams filed by officers or employees of the Indian Service, after April 1, 1916.
- (b) Messages sent "collect" to a Government office or officer, by a person not in the Interior Department, may be paid for on presentation of a copy of the received message. However, the Government reserves the privilege of having such messages marked: "Paid, charge —, (giving the name of the person or office to which the bill should be presented for payment)," and in such cases it will be the duty of the telegraph company to present the original message in support of its bill. Field officers are advised to instruct correspondents to so mark messages which are to be paid for by the Government.

Commissioner.

DEPARTMENT OF THE INTERIOR

OFFICE OF INDIAN AFFAIRS

WASHINGTON

March 18, 1916.

METHOD OF SENDING AND PAYING FOR TELEGRAMS.

ORDER No. 5.

TO ALL OFFICERS AND EMPLOYEES OF THE INDIAN SERVICE:

In lieu of Circular 1056, the following instructions in regard to sending and paying for telegrams, are hereby promulgated, to be effective on and after April 1, 1916:

1. HOW SENT.

No telegram on which the charges are to be paid by the Government, either directly or by way of reimbursement, shall be sent "collect" unless sent by a person not in the Service. See 3 (b).

- (a) **Indian Office.**—Messages sent by Government officers or employees to or from the Indian Office shall be marked in the lower left-hand corner, thus: "Official Business, Government day (or night) rate. Paid, charge Indian Office."
- (b) **Field Offices.**—Messages sent to or from any field office, which properly pertain to its jurisdiction, shall be marked in a similar manner: "Official Business, Government day (or night) rate. Paid, charge —, (giving name of the person or office to which bill should be presented for payment)."
- (c) **Traveling employees.**—All other messages sent by employees who are under the jurisdiction of a field supervising office, whether sent direct to that office or otherwise, shall be marked thus: "Official Business, Government day (or night) rate. Paid, charge —, (give name of the person or office to which the bill should be presented for payment)."

All other messages sent by employees who are *not* under the jurisdiction of any field supervising office shall be paid for in cash at the time the message is filed with the company for transmission, and the message shall be marked thus: "Official Business, Government day (or night) rate. Paid in cash by sender." In all such cases a copy of the message, showing that the original was marked "Paid in cash by sender," must be retained by the traveler and filed with his voucher on which reimbursement is requested.

2. METHOD OF PREPARATION.

- (a) **Rates.**—Each message must be marked by the sender so as to show whether it is sent at day or night Government rates. Night rates are cheaper, and should be used when too much delay is not occasioned thereby.

2. METHOD OF PREPARATION—Continued.

- (b) **Signature.**—Each telegram must be signed in sender's own handwriting. Typewritten or stamped signatures must not be used. Telegrams phoned to sending station of company must be confirmed by written message prepared and signed as herein directed.
- (c) **Address.**—Official telegrams sent to the Secretary of the Interior, or to the head of any bureau thereof, or to any other person in the Department whose official position is of sufficient prominence to insure proper delivery of the message at Washington, D. C., over the lines of the Western Union and Postal Telegraph Cable Companies, should be addressed "Washington" only, the letters "D. C." being eliminated. ("Departmental Order November 20, 1915.")
- (d) No duplicates should be furnished to the receiving office of the company, except to support lost messages, when ordered by the Indian Office, in accordance with paragraph 5 hereof.
- (e) **Appropriation.**—On each copy of the message give name of the appropriation chargeable with the toll.
- (f) **Form.**—When practicable use prescribed forms, making original and four copies, and disposing of the copies as marked thereon. Additional copies may be made as desired. If not practicable to use prescribed form, keep copy of the message and mail omitted forms as soon as practicable.

3. MANNER OF PAYMENT.

- (a) Vouchers of telegraph companies, when submitted for payment, must be supported by the originals of all telegrams filed by officers or employees of the Indian Service, after April 1, 1916.
- (b) Messages sent "collect" to a Government office or officer, by a person not in the Interior Department, may be paid for on presentation of a copy of the received message. However, the Government reserves the privilege of having such messages marked: "Paid, charge —, (giving the name of the person or office to which the bill should be presented for payment)," and in such cases it will be the duty of the telegraph company to present the original message in support of its bill. Field officers are advised to instruct correspondents to so mark messages which are to be paid for by the Government.

Dear Madam:-

I have your letter dated January 8th saying that you want your niece Frances Terryman, at home and will come for her if you can be assured that she can go with you.

Personally I feel that Frances will make a great mistake in leaving school at this time, particularly in the middle of the year. The improvement in her is becoming more noticeable and she is too nice a girl not to make the most of herself.

At the same time, she is nearly white and has but little right in a school like this for which reason there will be no objections offered by me to Frances' returning home with you, if you can secure the consent of Supervisor A. S. Wyly. I have telegraphed him about this case and you can take up the matter with him.

Very truly yours

Superintendent.
