NOTE.—One of these blanks should be filled out by each pupil at Government boarding schools, preferably with the assistance of the superintendent or some one designated to act as his representative. If the superintendent is of opinion from the information given that the pupil is entitled to enrollment he should so indicate by signing the blank in the proper place and filing in the individual pupil's folder. Dear Sir:-

I wish to inform you that I am the father of Lincoln Levering and Edna Levering of your school. These children are mine and have been there for nearly three years and their time expires next Summer.

If the way is clear I expect to visit them but I think Edna is out in the country for the winter, if it is so, I wish you would send for her to return to the school that I may get a chance to see her on my return there. If nothing hinders me I may likely stop at your school next Sunday, the 18th.

I came here as one of the delegates of the Omaha tribe of Indians of Nebraska to confer with the Indian Office and that of attorneys of the Omaha claim. These two things ~~xxx~~ we were sent here to take up with the different departments and the same has nearly been completed.

Remember me to Lincoln there and with best regards to yourself, I am

Dear Sir:-

Your children Lincoln and Edna, have completed their term at this school and will be entitled to go home at government expense this month. I have arranged to send Edna to Walthill, Nebraska, Monday June 11th leaving here the evening of that day. She should be due in Chicago Tuesday evening about 5 o'clock. You can figure from this when she will be due at Walthill.

Lincoln will leave with the party of boys June 12th and will be due there just a day later.

If Elizabeth Janis is not able to carry out some arrangements relative to stopping at Minneapolis on her way home, she will be sent to Walthill with Edna. I will write you if there is a change in her plans.

Dear Sir:

I am in receipt of the application for the enrollment of your three children. I note that your youngest daughter will not be fourteen years of age until the 19th of December. According to the Indian Office regulations I will not be able to pay her fare to Carlisle. If you can do this, I can make room for her, so that she may come to Carlisle with her brother and sister.

I have not heard further relative to the enrollment of George Standing Bear.

I have this morning placed tickets at Wall Hill for the use of Edna and Lincoln. I am sorry that I will not be able to pay the expenses for an escort for these two children. I hope you can see your way clear to pay the transportation of Margaret that she may be able to come. If you cannot do this, I will be able to pay her transportation to Carlisle after the 19th of December. Perhaps you can place her in your local school until that time.

Very truly yours,

Dear Mr. Francis:-

I enclosed herewith three application papers for my children who will enroll at your school. One of them will come from Pine Ridge Agency, South Dakota, for enrollment, too. That child's name is Geo. Standing Bear.

These in all will make four in number from our family alone, to attend Carlisle Indian School this year.

You can, according to these numbers, place four transportations at Walthill, Nebr. here, our nearest R. R. point at this Indian Agency. Its the Burlington route, it can go far as Chicago and then you can fix the Eastern route to Carlisle.

I want to know if I can be allowed to bring these children to Carlisle, under Government expense, as it is necessary that some one look after them, for their wants and to their comfort in traveling as well.

I'll be glad to bring these young people if you can fix it and make the necessary arrangement to meet the end in the most satisfactory manner,

Very respectfully yours,

Levi Livering

Dear Sir:

Lincoln Levering, age 17, sixth grade, a three-quarter Omaha boy from Walthill, Nebraska, came to the school to-day and requested to be enrolled. He informs me that he was at Carlisle three years and that his term expired in 1916 and states as his reason for wishing to enroll at Pipestone that he desires to be nearer home. Under the new rules governing enrollment, I cannot accept this boy, of course, without your consent and the approval of the Indian Office and I ask you to give the matter early consideration and advise me as to your wishes. Pending advice from you, I have allowed the boy to enter our classes and shall keep him here until I hear from you.

Dear Sir:

Referring to the enrollment of your son Lincoln in this school, I have to advise that the matter was taken up with the superintendent of the Carlisle school, and he states that Lincoln will have to return to that school in view of the fact that he has not completed the course there. He further states that you have made application for Lincoln's enrollment at Carlisle and that transportation has been placed at Walthill for his use. I called Lincoln in this afternoon and told him that he had better return to Walthill and make the trip from there but as he has no funds to pay his railroad fare and other expenses I would suggest that you send him about \$4 for the purpose.
