PHYSICIAN'S CERTIFICATE.

I hereby certify that I have this day carefully examined the above-named child herein proposed for transfer and find him to be in proper physical condition to attend school, and not afflicted with tuberculosis or any disease which would be a menace to the health of other pupils.

This 3 day of Sept, 1917.

Physician at Murkin Agency.

CERTIFICATE OF AGENT OR BONDED SUPERINTENDENT.

I hereby certify that the statements made in the foregoing application and certificate, to the best of my knowledge and belief, are true; that the consent of Rosa J. Brownlee
(Parent, guardian or next of kin) was voluntary.

(Here state whether the child lives within reach of a public school, whether the State laws permit it to enroll therein, and if it lives near the public school why it can not attend such school.)

This boy lives within two miles of public school, which the state laws permit him to attend and which he has always attended. On account of lack of prental discipline he does not attend regularly now, and it would be best for him to be insome such school as Carlisle, where he would get mental and moral discipline.

I recommend the transfer of the said child.

This 5th day of September, 1917

Agent or Superintendent.

CERTIFICATE OF SCHOOL PHYSICIAN.

I hereby certify that on 9/28/17, I made a careful examination of the physical condition of Ernest James
(as soon after arrival as possible), the child named in the foregoing application, and found him to be in good physical condition

I therefore recommend that the said child be _____ enrolled in this school.

School Physician.

SPECIAL NOTE.

This form must be executed in duplicate when a child is transferred from a reservation to a nonreservation school. The Superintendent of the nonreservation school will retain the original for his files, and the duplicate shall be deposited in the reservation school records. The reservation superintendent should send to the Commissioner of Indian Affairs his certificate as provided by law. All the blanks must be properly filled in every case.

If the information called for on any part of the blank is not known, that fact should be stated. No space should be left unfilled. Whether the parents are living or dead, their names must be given.

The person who signs the blank as consenting to the transfer should indicate his relation to the applicant by marking out the word "parent," "guardian," or "next of kin," leaving unmarked only the title appropriate to the signer.

INDORSEMENTS.

The laws relating to the transfer of Indian children from reservations and schools are as follows:

That hereafter no Indian child shall be sent from any Indian reservation to a school beyond the State or Territory in which said reservation is situated without the voluntary consent of the father or mother of such child if either of them are living, and if neither of them are living without the voluntary consent of the next of kin of such child. Such consent shall be made before the agent of the reservation, and he shall send to the Commissioner of Indian Affairs his certificate that such consent has been voluntarily given before such child shall be removed from such reservation. And it shall be unlawful for any Indian agent or other employee of the Government to induce, or seek to induce, by withholding rations or by other improper means, the parents or next of kin of any Indian to consent to the removal of any Indian child beyond the limits of any reservation. (28 Stats., p. 906.)

Provided, That hereafter no Indian child shall be taken from any school in any State or Territory to a school in any other State against its will or without the written consent of its parents. (29 Stats., p. 348.)

That no Indian pupil under the age of fourteen years shall be transported at Government expense to any Indian school beyond the limits of the State or Territory in which the parents of such child reside or of the adjoining State or Territory. (35 Stat. L., 781.)

The rules provide that—

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other nonreservation school without the consent of both superintendents and the Commissioner of Indian Affairs, and superintendents will be held to strict accountability for such pupils taken to their schools.

An Indian boy or girl 18 years old and over may, without the consent of parents or others, personally sign the application form on its being changed to suit the case; but in all cases where the parents are living they should first be consulted.

Compliance must be given to all orders and instructions which have been promulgated in connection with the new course of study issued December 1, 1915.

The information as to public school facilities called for in the certificate of the Superintendent (third page hereof) must be given, and all superintendents are especially directed to exhaust every means to secure enrollment of Indian children in the State public schools, pursuant to instructions heretofore issued in this regard.

Dear Sir;

I have the honor to transmit herewith the application of Rosa J. Brownlee for the enrollment of her son, Everett James, in the Carlisle Indian School for a term of three years.

This boy has always attended public schools, but has reached the age when his mother no longer can control him and he should be in some such school as Carlisle, where he will be taught mental and moral discipline, as well as class-room work, and be fitted for work in life as a useful citizen.

Respectfully,

Dear Madam:-

Your first letter requesting the return home of your son Everett James, was referred to Superintendent Norton for his advice and recommendation. His answer was that he did not believe that Everett was needed at home but that he would see you and then write me again. I have not heard from him finally.

Everett is well and getting along nicely and I hope it will not be necessary for us to take him out of school at this time.

Very truly yours

Superintendent.
