INDORSEMENTS.

The laws relating to the transfer of Indian children from reservations and schools are as follows:

That hereafter no Indian child shall be sent from any Indian reservation to a school beyond the State or Territory in which said reservation is situated without the voluntary consent of the father or mother of such child if either of them is living, and if neither of them is living without the voluntary consent of the next of kin of such child. Such consent shall be made before the agent of the reservations, and he shall send to the Commissioner of Indian Affairs his certificate that such consent has been voluntarily given before such child shall be removed from such reservation. And it shall be unlawful for any Indian agent or other employee of the Government to induce, or seek to induce, by withholding rations or by other improper means, the parents or next of kin of any Indian to consent to the removal of any Indian child beyond the limits of any reservations. (28 Stats., p. 906.)

Provided, That hereafter no Indian child shall be taken from any school in any State or Territory to a school in any other State against its will or without the written consent of its parents. (29 Stats., p. 348.)

The rules provide that—

A pupil who has been regularly enrolled in a nonreservations school must not be taken to any other nonreservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

An Indian boy or girl 18 years old and over may, without the consent of parents or others, personally sign the application form on its being changed to suit the case.

Mr. Cyprian Wilkie,
Belcourt, N. D.

Dear Friend:

I have a letter from Supt. Craige saying that you want to come to Carlisle to take a preparatory course which we have to offer the boys who go to the Ford Factory. I enclose herewith an application blank which you can fill out and have Mr. Craige approve and return to me. I am also sending you under separate cover a copy of our Arrow which gives some Ford information and also one of our catalogs.

Our Ford class is just about formed so that you should make an effort to get here as soon as possible. You understand that I cannot promise you definitely now that you will be one of the boys selected; it depends upon yourself whether you can join the next party.

Trusting that I may have a prompt reply, I am,

Very truly yours,

D/B

My dear Mr. Craige:

I have your letter relative to Cyprian Wilkie, an Indian young man who desires to take up some work in mechanical drawing here preparatory to going to the Ford Factory. I am this morning sending an application blank to this young man and other information which our Ford boys must have. When this application is returned to me I will write you again whether we can accept the young man. From your recommendation I take it that he is the kind of fellow we want to help.

Very respectfully,

Oscar H. Lipps, Superintendent,
Carlisle Indian School,
Carlisle, Pennsylvania.

My dear Mr. Lipps:

Cyprian Wilkie, an Indian of this reservation, about twenty-six years of age, desires to take the mechanical drawing course in your school in order to better fit him for a position in the automobile factory in Detroit, about which the Indian Office has written several agencies. I have known this young man for a little more than a year and a half and have found him to be sober and reliable. He seems sincere in his desire to fit himself for this work and is willing to pay his own transportation to your school if you can find room for him.

I recommend that you give his application favorable consideration.

Very respectfully,

Superintendent.

RCC-NER.
