Mr. Jackson Thompson,
Checotah, Oklahoma.

My dear Sir:

I hereby acknowledge receipt of your letter of May 20th, with which you sent exchange in the amount of \$300.00 to be divided equally among your three wards, Tooka McIntosh, Louisa and John Beartail, for the purpose of paying for transportation in order that they can come to your home.

As \$100.00 each will be sufficient to pay for their return fare to Carlisle the liberty will be taken to retain here a sufficient amount to pay for their return if it is decided that their reenrolment is to be effected unless I hear from you to the contrary. If it is determined at a later date that one or more of them will not return the amount retained will be forwarded to you.

Please be advised further that the girls are to leave Carlisle on the evening of June 6th and that John will follow with our party of home-going boys on June the 7th.

Very respectfully,

HKM.

Superintendent.

My dear Mr. Lipps:

Referring to your letter of the 15th instant, with reference to Tookah McIntosh returning home for the summer vacation, her guardian, Mr. Jack Thompson, of Checotah, Oklahoma, informs me that he wants her to come home at the close of school. He also says he is guardian of two other children there whose terms of enrollment expire at the close of this year and he desires that these children come home also. I think he will re-enroll all these children provided their records have been good and there is room for them at Carlisle. I would thank you to write him about this.

My dear Mr. Wyly:

Tooka McIntosh came to this office this evening to make inquiry about the arrangements that are being made for her return home this summer. She will have been here for her full three year period of enrolment at the close of our year's work later this month and is entitled to return home at government expense. However, I desire to be informed whether or not she should return home and what action will meet with your approval and her guardian's wishes.

As it will be convenient to have Tooka accompany the other girls going home this year on June the 6th if she is to be allowed that privilege, it will be appreciated if you will let me hear from you very soon regarding this matter.

Very truly yours,

My dear Friend:

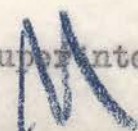

Your letter of the 8th instant has been received here and all of us are pleased to know you had such a pleasant trip home. It is a further satisfaction to know you have arranged so that you can spend the summer months with your grandmother at her country home and that we may expect you to return here in time for you to resume your studies on the opening day of school in September. We shall have room for you and will gladly place transportation for your use at any time you notify us that you are ready to start. As some of your friends must be planning to attend school somewhere next year I shall be pleased to have you submit a list of the names of those who might become interested in Carlisle. The enclosed envelope may be used without affixing a stamp.

Hoping we shall hear from you again and that you will have a very pleasant vacation, I am,

Dear Sir:

I thought I would write and tell you how we got home. We got here at 12:00 a. m. and found all my folks well. We are tired out from our long trips.

I am going to spend my summer with my Grandma out in the country, and in the fall, I like very much to return to the school, if I can. Mr. Thompson asked me, if I would like to go back or go to other school, I don't care to go to ^{an} other school, but Carlisle.

Mr. Lipps, would you please write and tell me, if I could return to the school in the fall?

While I should have liked to reenroll the young people for three year periods, the fact that they are paying for their transportation must be taken into consideration and so I shall gladly have them return here for the shorter period specified.

In order that the applications may be complete it is desired that you note thereon your approval and return them to me for our files.

Dear Mr. Lipps:

The enclosed applications for the re-enrollment of Tokka McIntosh and John and Eliza Beartail were received today, and since the term of the applicants is for two years, I telephoned Mr. Thompson, guardian, at Checotah, Oklahoma, and he stated that the applicants were ready to return to Carlisle, and you had placed their transportation at Checotah for their return. He seemed to think that they could finish the work in two years and preferred not to change the term.

The applications are forwarded to you without my approval, but if you care to accept these students for only two years, you may return the applications for my indorsement, if necessary.

So that there may not be any delay about the coming to Carlisle of your wards when the applications are filled out I have had transportation made available at Checotah for their use. Just as soon as the applications are filled out the tickets can be procured by you.

Thanking you for your kind help and assuring you that we will gladly welcome the three young people in whom you too are interested, I am,

NOTE.—One of these blanks should be filled out by each pupil at Government boarding schools, preferably with the assistance of the superintendent or some one designated to act as his representative. If the superintendent is of opinion from the information given that the pupil is entitled to enrollment he should so indicate by signing the blank in the proper place and filing in the individual pupil's folder. In the case of pupils concerning whose eligibility or need of Government aid there is some doubt, superintendents should make proper remarks and recommendations in the space indicated and forward the form to the Indian Office for consideration.

Miss Teekah McIntosh
Checotah, Oklahoma.

My dear Teekah,-

I have your letter and am very glad to know you have decided to return to Carlisle for two more years. I am glad to tell you that it will not be necessary for you to pay your tuition here. You belong to the class of Indians of your tribe who do not have to pay tuition. We will ask you to pay your fare to Carlisle, only.

I am enclosing an application blank which you can fill out, have your guardian and Supervisor Wily approve and return to me. I am sending you two blanks in the hope that you can persuade Louisa Beartail to return with you. She can come under the same conditions that you would return.

If you can use your influence to have John return with you, I shall be glad to see him too, in September.

With my kind regards to all of you and trusting that you may have a pleasant summervacation, I am

Very truly yours

Superintendent.
