Dear Mr. J. Francis:-

Will you please inform me why it is that Cecil Bryant is still in the sixth grade as he was in the seventh when he left here two years

DEPARTMENT OF THE INTERIOR

February 14, 1918

Mrs. Denny:

With reference to a letter received from his mother asking why Cecil Bryant continues in the sixth grade when he has, as she says, been in a more advanced grade, I have to say that we have been giving considerable attention to Cecil and have made a special effort to see that he advances in his school work but we find that he is incapable of advancement.

It was necessary for him to leave last spring and when he returned, during the summer, one of the teachers was detailed to work with him alone, prepare him for the examinations, and give him tests so that he might go on with his class. He gave up, however, and was able to do nothing with the tests, and this year his work has been only fair so that he is not qualified for more advanced work in the Carlisle school.

Respectfully,

Dear Sir:

While Cecil Bryant was a pupil of this school it was necessary to send him to Philadelphia two times for special treatment. The fare each time and board at the Germantown Hospital amounts to \$16.82.

I have written twice to his mother, Mrs. Mary J. Bryant, asking her to send me a check for the amount due so that I might pay these bills, but have received nothing from her. The first letter was written December 20th and the second letter January 24th.

There is also a recent bill of 50¢ against Cecil, making the total amount due us \$17.32.

Will you please assist us in collecting this bill from his mother.

I have your letter relative to your son and have to inform you that Cecil returns to the Hospital for an operation next Tuesday. He is in good condition and I think can stand the operation all right. I am standing good for all of his expenses realizing that you will be able to reimburse me for these expenses. The operation will not cost him anything but he will have to pay his railroad fare both ways for the two trips and for his board while he is in the hospital. When it is all over I will send you a bill for the whole amount expended in his behalf.

I can see Cecil Bryant on Thursday next or the following Tuesday and probably operate the same day. If he will stop at my office before going to the hospital, I will see what he needs and make my plans for the afternoon accordingly. This may save him a day in Philadelphia. If he has had an acute cold in the nose or throat within three weeks, have him wait until it is cured, as we do not usually operate under such circumstances.

Very truly yours,

*R. Butler*

DEPARTMENT OF THE INTERIOR  
UNITED STATES INDIAN SCHOOL

CARLISLE, PA.

Mrs. Denny:

With reference to a letter received from his mother asking why Cecil Bryant continues in the sixth grade when he has, as she says, been in a more advanced grade, I have to say that we have been giving considerable attention to Cecil and have made a special effort to see that he advances in his school work but we find that he is incapable of advancement.

It was necessary for him to leave last spring and when he returned, during the summer, one of the teachers was detailed to work with him alone, prepare him for the examinations, and give him tests so that he might go on with his class. He gave up, however, and was able to do nothing with the tests, and this year his work has been only fair so that he is not qualified for more advanced work in the Carlisle school.

Respectfully,

Principal

### **INDORSEMENTS.**

The laws relating to the transfer of Indian children from reservations and schools are as follows:

That hereafter no Indian child shall be sent from any Indian reservation to a school beyond the State or Territory in which said reservation is situated without the voluntary consent of the father or mother of such child if either of them is living, and if neither of them is living without the voluntary consent of the next of kin of such child. Such consent shall be made before the agent of the reservation, and he shall send to the Commissioner of Indian Affairs his certificate that such consent has been voluntarily given before such child shall be removed from such reservation. And it shall be unlawful for any Indian agent or other employee of the Government to induce, or seek to induce, by withholding rations or by other improper means, the parents or next of kin of any Indian to consent to the removal of any Indian child beyond the limits of any reservation. (28 Stats., p. 906.)

Provided, that hereafter no Indian child shall be taken from any school in any State or Territory to a school in any other State against its will or without the written consent of its parents. (29 Stats., p. 348.)

The rules provide that—

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other nonreservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

An Indian boy or girl 18 years old and over may, without the consent of parents or others, personally sign the application form on its being changed to suit the case.

This form is to be used only in transfers from reservations, or Indian schools, to nonreservation schools.

Applications for enrollment must be submitted in all cases for consideration before transportation can be made available.
