Remarks and recommendations of superintendent with reference to eligibility and need of Federal aid:

This boy has been living at this school for a number of years and has no permanent home. His mother is dead, and his father is a sort of a wandering laborer - very seldom taking any interest in his children. I believe this boy to be entirely worthy of the school privileges offered by the Government.

Superintendent.

NOTE.—This blank should be filled and signed by the superintendent or some one designated to act as his representative and filed in the individual pupil's folder. If the superintendent is of opinion that the pupil is entitled to enrollment he should so indicate on the blank. If he is in doubt as to the pupil's eligibility or need of Government aid he should make recommendations in the space indicated and forward a duplicate to the Indian Office for its consideration.

PHYSICIAN'S CERTIFICATE.

I hereby certify that I have this day carefully examined the above-named child herein proposed for transfer and find him to be in proper physical condition to attend school, and not afflicted with tuberculosis or any disease which would be a menace to the health of other pupils.

This 8 day of Aug, 1916

Dear Frank: I have your letter asking to join the Navy. I feel that I should advise you against it just now. If the first place, I am quite sure they will not accept one as young as you are. Francis Ojibway who is 20 years old, tried to get in but failed. They are getting more and more strict in their requirements. Then again, I do not think you should leave your outing home before your time there expires. The best thing for you to do is to remain where you are until September, then come in to the school and talk with me about it.

Very truly yours
