INDORSEMENTS.

The laws relating to the transfer of Indian children from reservations and schools are as follows:

That hereafter no Indian child shall be sent from any Indian reservation to a school beyond the State or Territory in which said reservation is situated without the voluntary consent of the father or mother of such child if either of them is living, and if neither of them is living without the voluntary consent of the next of kin of such child. Such consent shall be made before the agent of the reservation, and he shall send to the Commissioner of Indian Affairs his certificate that such consent has been voluntarily given before such child shall be removed from such reservation. And it shall be unlawful for any Indian agent or other employee of the Government to induce, or seek to induce, by withholding rations or by other improper means, the parents or next of kin of any Indian to consent to the removal of any Indian child beyond the limits of any reservation. (28 Stats., p. 906.)

Provided, that hereafter no Indian child shall be taken from any school in any State or Territory to a school in any other State against its will or without the written consent of its parents. (29 Stats., p. 348.)

The rules provide that-

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other nonreservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

An Indian boy or girl 18 years old and over may, without the consent of parents or others, personally sign the application form on its being changed to suit the case.

This form is to be used only in transfers from reservations, or Indian schools, to nonreservation schools.

Important—Only those students who desire to come to Carlisle because they have a definite purpose in view will be admitted. Applications for enrollment must be submitted in all cases for consideration before transportation can be made available. Time will then be taken to find out the records students have made in the schools previously attended, and to secure recommendations as to their moral character and their worthiness for further attendance at a Government institution.

March 14th, 1916.

Mr. James E. Henderson, Superintendent, Cherokee Agency, Cherokee, N. C.

My dear Mr. Henderson:

Your letter of the 6th instant has been received and it has been noted under what unusual conditions the transfer to Carlisle of thirteen year old (Adam Driver) was effected.

Supplementing my communication of March 1st in regard to the case, I must call attention to the law relating to the transfer of Indian children from reservations as follows:

"Provided, That no Indian pupil under the age of fourteen years shall be transported at Government expense to any Indian school beyond the limits of the State or Territory in which the parents of such child reside or of the adjoining State or Territory. (35 Stat. L., 781.)

In view of the provision noted above I fail to see in what other way I can aid you and it is my opinion that the mother of the boy must be asked to pay the cost of the ticket. When that is done I shall ask the Office for the special authority required to effect the enrolment of the boy at Car-

liste and will recommend that it be granted for the reason that no one else will have to be deprived of enrolment here if the boy is retained in school.

Trusting that the matter can be adjusted satisfactorily, I remain,

Mr.O.H.Lipps, Superintendent,

Carlisle Indian School,

Carlisle, Pa.

Dear Mr. Lipps:

This is to acknowledge receipt of your letter of March 1,1916 in which you say that it will be impossible for you to enroll Adam Driver the boy whom I took to Carlisle January 2, for the reason that he was not fourteen years of age.

Carlisle without first submitting his application to you for approval were unusual. He had been to see me a number of times relative to getting my consent to allow him to go to Carlisle and finally brought his mother in to sign his application. Upon examining the records and from what his mother said I found him to be a little more than one month too young to pass the age requirements for enrollment in Carlisle, whereupon I told his mother that she might sign the application but that we had better submit it to you for approval before sending him to Carlisle. The mother took the boy home saying that she would keep him there

until after the party started and nothing more was seen of him until the train was starting from Cherokee when he was seen running to get the train. The Boy's earnestness appealed to me and I consented to take him with the party.

In view of the fact he was nearer his fourteenth birthday than his thirteenth, lacking only thirty five days of being fourteen and that he was well advanced for his age and in view of the further fact that his home conditions are not at all good, I believe that his application should receive very earnest consideration on the part of you and the Indian Office.

Respectfully,

James E Henderson

Sir:-

Yesterday, I wired you as follows,-

"Adam Driver a deserter from this school reported to have enlisted and been sent to Fort Slocum is shown by our records to be 17 years of age. The age of Johnson Hornbuckle also a deserter reported to have enlisted at Fort Slocum, is also under question. Will advise you of his case later."

as follows,-

"Superintendent Indian School Cherekee, North Carelina advises Adam Driver was born February 7,1902 Johnson Hornbuckle born 1900. Does not give exact date."

boys are students of this school and were placed in a farm home with George W. Row, Yardley, Pennsylvania, where they had agreed to work for the summer. They evidently became dissatisfied and drifted into the Army. They should be returned to this school, and your cooperation in having them returned, will be appreciated.

Mr. James E. Henderson.
Superintendent. The Cherokee Agency.
Cherokee, R. C.

Dear Mr. Henderson:

I have received your favor of the 25th ultimo, explaining that the approved application you recently submitted is to cover the enrolment of the Adam Driver you brought to Carliele with your party of the 2nd of January. It is noted, however, that he was then but thirteen years of age and therefore not only ineligible to receive transportation at government expense but ineligible as well for transfer here because an older member of the seme family was not enrolled at the same time as is required to comply with the Indien School Rules.

As the boy's mother is probably unable financially to pay for the ticket you provided for his use I will appreciate your making such an explanation as will justify me in asking the Office to grant such special authority as may be required to adjust the matter, if the rules now in force can be waived at all to favor the lad.

Hoping I shall hear from you soon so that settlement of

My dear Mr. Lipps:

Referring to your letter of the 21st inst. relative to application submitted by me to cover the enrollment at Carlisle of Adam Driver, I will say that I should have sent a letter of transmittal with the application. It is for the enrollment of Adam Driver who is now in your school. When we started to leave Cherokee, Adam had decided not to go to Carlisle and I had not taken his application. When the train was starting he came and demanded to go and was permitted to do so. The application upon my return to Cherokee was over looked until a few days ago.

When your letter of March the 17th was received here I noted that you have secured additional information which indicates that Adam Driver is older than now appears on the approved application you submitted to cover the lad's enrolment at Carlisle. In view of such facts I return to you herewith the application so that it can be changed in accordance with the latest information. Just as soon as our records are complete it can be arranged to pay for his transportation from government funds and no special authority need be secured for his enrolment.

Carlisle, Pa.

My dear Mr. Lipps:

I am in receipt of your letter of March 14, 1916, with further reference to the enrollment of Adam Driver who is in your school.

The age given in the application was given to me by his Mother and the records were not consulted at the time. Since receiving your letter, I have consulted the available records on file in this office and find that upon the payment roll of September 5th, 1912, this boy's age was given as being 11 years old. This would of course make him older than reported in the application.

I am enclosing herewith a statement signed by his
Mother in 1912, saying that he was 10 years old. If after
looking over the records and observing the size of the boy
you think that he was not 14 years old when transferred to
Carlisle, kindly let me know and I will forward the amount of
his transportation from my personal funds as his Mother is not

able to pay for his transportation and I feel responsible for his being in Carlisle.

Very respectfully,

My dear Mr. Henderson:

I have your check for \$20.00 to pay the transportation to Cherokee of Adem Driver, one of our pupils. As you may know our rules require the boys who go home for their vacations to deposit enough for their return fare. According to this rule it will be necessary for Adam's mother to send \$13.20 more before he can be sent to her. Those boys who are going home to spend their vacation months will not be allowed to leave here until about the first of June when the regular home party leaves. The rules now require that all pupils should remain at school until after they have taken the uniform examinations. Will you please give this information to Mrs. Eliza Knought.

a balance of only \$5.48 to his credit. It will be
necessary for you to send him more before we can arrange
for his return to you this coming June.

Commanding Officer Fort Slecum, N. Y.

Sir:-

Yesterday, I wired you as follows,-

"Adam Driver a deserter from this school reperted to have enlisted and been sent to Fert
Slocum is shown by our records to be 17 years of
age. The age of Johnson Hornbuckle also a
deserter reported to have enlisted at Fort
Slocum, is also under question. Will advise
you of his case later."

as follows,- Later in the day, I again wired you

"Superintendent Indian School Cherokee, North Carelina advises Adam Driver was bern February 7,1902 Johnson Hernbuckle bern 1900. Dees not give exact date."

This is to inform you that both of these boys are students of this school and were placed in a farm home with George W. Row, Yardley, Pennsylvania, where they had agreed to work for the summer. They evidently became dissatisfied and drifted into the Army. They should be returned to this school, and your cooperation in having them returned, will be appreciated.

Very truly yours

Dear Madam: I have your letter saying that you need your
son Adam Driver, at home this coming summer. Adam went
to work on a farm early in April and has agreed to remain
where he is for the summer. I cannot see how he can break
this agreement very well. He knew that his time was up this
June and that if he went under the outing, he would have to
stay there all summer. He made his own decision to go out
and it seems to me, he should now keep his word and stay out.
I have no objection to his going home in the fall for a visit.
Very trulynyours
