INDORSEMENT.

A child showing one-sixteenth or less Indian blood, whose parents live on an Indian reservation, Indian fashion, who, if debarred from the Government schools, could not obtain an education, may be permitted in the reservation day and boarding schools, but it is preferable that it be not transferred to a nonreservation school, without permission from the Office. Children showing one-eighth or less Indian blood, whose parents do not live on an Indian reservation, whose home is among white people where there are churches and schools, who are presumed to have adopted the white man's manners and customs, and are to all intents and purposes white people, are debarred from enrollment in the Government nonreservation and reservation schools. Superintendents, in all cases where doubt exists as to the degree of Indian blood of a child proposed for transfer, should fully satisfy themselves of the facts by affidavits from reliable persons, which affidavits must be kept on file at the school.

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other non-reservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

A pupil dismissed from school for cause must not be enrolled in any other school without the permission of the Commissioner of Indian Affairs. Full facts must be submitted with each request.

Important—Only those students who desire to come to Carlisle because they have a definite purpose in view will be admitted. Applications for enrollment must be submitted in all cases for consideration before transportation can be made available. Time will then be taken to find out the records students have made in the schools previously attended, and to secure recommendations as to their *moral character* and their worthiness for further attendance at a Government institution.

Dear Madam:-

I am in receipt of your letter requesting that your son Dennison be allowed to go home to spend his summer vacation.

Dennison has been a good boy all the year, and I have no objection to his going home after his school work is finished, which will be about June 1st. I enclose a Vacation Request blank for you to fill and return to me. The fare to Syracuse, N. Y. is \$6.92. You will note that the Agreement requires that you deposit at the school his return fare also.

Very truly yours

Dear Sir;

Would you kindly let my son, Dennison George come home for this summer. For this reason, I think that Dennison would be able to make more if he worked out in the country or city, which ever he'd rather do.

Last summer Dennison used to make (\$1.50) a day, and I'm sure he can make that again, if not more.

I'll sent his car fare in the next letter, if every thing is all right.

I've noticed how much Dennison, has improved since he's been there and I appreciate what that school has done for all of my children.

Will you please let me
know if Dennison can come
by return mail!

Yours Truly
