Dear Mr. Lipps:

Nettie Standing Bear's illness, I think, was merely an upset stomach caused by over eating.

I really am sorry, in a measure, that we asked for Nettie to come out to spend our Outing in Oak Lane. She is not doing well at all - not even her little part of helping Alvie. She counts the days till she returns to Carlisle - says she is going to go back and she'll take Alvie too. This has broken Mrs. Kuen all up - for she dearly loves Alvie. Nettie is not influencing Alvie for the best. She really doesn't turn her hand to find anything to do - comes down stairs in the morning and waits for the nurse to go ahead and do everything. She reads all the magazine and love stories she can find.

I did not like to scold her while she was feeling so badly with her stomach but I told Mrs. Kuen I would come out this week and give her a straight talk. I think when we recall her it will be wiser to recall her a few days before the other girls come in. Possibly one of your good letters might awaken her a little.

Very respectfully,
 Lida M. Johnston.

MISS LIDA M. JOHNSTON, Girls' Agent.

MR. D. H. DICKEY, Boys' Agent.

August 10, 1914.

Mr. Lipps,

Miss Johnston has returned Sara Powell and Nettie Standing Bear from the outing. They are failures. See letters attached.

It is recommended that they be disciplined by being deprived of town and other pleasure privileges during the rest of the summer, and to forfeit future outing privileges.

Nettie's special desire is to wait on table at the Club. She should be denied this privilege.

Josephine Peters, another outing failure, has asked to become a nurse. Inasmuch as this is a privilege granted only to good, deserving girls, I would recommend that she be given a longer time to "make good" before she is granted this request.

Respectfully

N. R. Denny
Outing Manager.

Such consent shall be made before the agent of the reservation, and he shall send to the Commissioner of Indian Affairs his certificate that such consent has been voluntarily given before such child shall be removed from such reservation. And it shall be unlawful for any Indian agent or other employee of the Government to induce, or seek to induce, by withholding rations or by other improper means, the parents or next of kin of any Indian to consent to the removal of any Indian child beyond the limits of any reservation. (28 Stats., p. 906.)

Provided, That hereafter no Indian child shall be taken from any school in any State or Territory to a school in any other State against its will or without the written consent of its parents. (29 Stats., p. 348.)

OUTING RECORD - CARLISLE INDUSTRIAL SCHOOL

[illegible]

Nov. 18th, 1913.

Mr. John R. Brennan,
Superintendent, Pine Ridge Agency,
Pine Ridge, S. D.

My dear Sir:

Replying to your letter of November the 15th, with which you transmitted a letter that was addressed to you by Nettie Standing Bear, I will advise that she and her sisters are being furnished with all articles of clothing that are considered necessary and which can be provided by the Government. Under the circumstances it will not be necessary for the girls to have the money now to their credit with you transferred to this school for their use here. However, I shall not have any objections to your sending a small amount for each if you deem it advisable to let them spend a small part of their funds for whatever they desire to secure and which cannot be provided them from government funds.

-2- Mr. John R. Brennan, Superintendent.

In this connection I beg leave to inquire whether the father will not do anything at all for the girls. Is there any way by which he can be compelled to do something for them?

Very truly yours,

Encl.

Mr. Meyer:—

In answer to the letter
concerning the Standing Bear girls'
clothing. The clothing the school
furnishes is sufficient for any
school girl. As to a party dress
the school does not furnish them—
but they can wear their uniform,
which is good enough. Nettie has
~~has~~ uniform coat & can have a
school coat for every day but
don't want to wear it. She also
has sweater of her own.

Good gingham dresses are
furnished for school & work.

Dear Sir:

The enclosed letter was received from Nettie Standing Bear who is now enrolled at your school. This girl and her sister have each \$56.20 on deposit with this office. They are orphans the mother being dead the father deserting them. If in your judgment the money should be used while they are in your school it will be transferred to your jurisdiction. If only a small amount is needed for music or other things we will be glad to ask authority of the Indian Office for the expenditure.

The funds of the youngest girl were used for her care while an infant.

Respectfully,

Brennan,

With the greatest of pleasure I will write to you over some things. I don't know whether you will agree with them or not.

In the first place we have to furnish most all our clothes over here, such as winter school dresses and every day dresses and coats, hats and also good dresses.

There is three of us besides.

I have to pay for my music books and still more to pay the dentist.

I know just how it is to be bothered but I can't help it.

I want to ask you if you would sent us our money that is at your office.

You told us we should get \$5.00 every month during the vacation, but we only got \$5.00 apieve this summer for Olive and I while we were at home.

On the other vacations we usually got \$15.00 apiece for July, Aug. and Sept. and last summer we didn't get a cent. And so if you would gladly sent us at lest \$10.00 to get our things we will be much oblige to you.

You must sent our interest that we get in May because
if you don't we wouldn't see it again because last you sent
it to Mrs. Little Eagle.

That is all for this time.

Truly yours,

NETTIE STANADING BEAR

P. S. You have my name Nancy in the record book and Olive's
Ora but them are not our names.

I was called Nettie every since I remember things.

NOTE.—One of these blanks should be filled out by each pupil at Government boarding schools, preferably with the assistance of the superintendent or some one designated to act as his representative. If the superintendent is of opinion from the information given that the pupil is entitled to enrollment he should so indicate by signing the blank in the proper place and filing in the individual pupil's folder. In the case of pupils concerning whose eligibility or need of Government aid there is some doubt, superintendents should make proper remarks and recommendations in the space indicated and forward the form to the Indian Office for consideration.

OUTING RECORD - CARLISLE INDUSTRIAL SCHOOL

March 2nd, 1916.

Mr. John R. Brennan,
Superintendent, U. S. Indian Agency,
Pine Ridge, S. D.

My dear Sir:

In September of 1913 Mrs. Ellis Standing Bear signed applications for the enrolment at Carlisle of Nettie, Olive and Bessie Standing Bear. The three year period for which the girls were enrolled will terminate at the close of the current school year, but it is understood here that the girls do not have any home to go to and it will be appreciated if you will advise me what consideration should be given their request if they ask for permission to return home for the vacation months.

Olive and Bessie are but 13 and 11 years old, respectively, and their return here could not be effected except transportation for their use could be provided from their own or their father's funds.

Trusting you can advise me soon, I remain,

Very truly yours,

Mr. John R. Brennan,
Superintendent, Pine Ridge Agency,
Pine Ridge, S. D.

My dear Sir:

Nettie I return to you herewith the letter from Mrs.
Angelina Standing-bear you forwarded to me with your
communication of April the 17th for my information.

Noting in your letter that you recommend Mrs.
Standing-bear's request to my favorable consideration,
I beg leave to call attention to the fact that the re-
turn to Carlisle of Olive and Bessie Standing-bear can-
not be allowed if they are taken away at the close of
the current school year because they have not reached
the required age of fourteen years by the time the next
school year opens in September. Furthermore, those two
girls are doing so very well at Carlisle and have become
so pleasantly and comfortably located at outing homes for
the summer months that I should consider it inadvisable
to let them go home at this time.

There is no objection to Nettie's going home for the
summer months or to remain permanently, as she has not put
forth any very great effort to profit by what we could give

80

her here and she is now at an age when she can be expected to assume some responsibilities.

In view of the fact that the Standing-bear girls were taken in at Carlisle when they were practically homeless it is hoped Mrs. Standing-bear will see the wisdom of allowing them to remain here. However, I will be pleased to hear from you again relative to the request noted in the letter herewith.

Very truly yours,

Dear friend:-

I have your letter saying that you would like your daughter Nettie to learn music while she is at Carlisle. Miss Dunagan, the instructor in piano music, informs me that Nettie was in her class for a short time and was learning very fast but had to stop because she did not have the money to pay for her lessons. Miss Dunagan further says that she can make room for Nettie at any time because she considers her a promising pupil and because Nettie works well, if the money to pay for her lessons can be provided in some way. If you can help Nettie by providing the necessary funds for her lessons, we will do what we can for her.

My dear Miss Johnston,-

Nettie Standing Bear has broken in health and it will be necessary to get her in an outing home as soon as possible. She would not even have to wait for the April party. I will send her out as soon as you can find a home suitable.

You suspected her trouble, I understand, and will know, with your experience, just the kind of a home she should go to. You understand that above almost everything else, she should be in a home where the environment is cheerful.

I will leave it with you, Miss Johnston, to find the best possible home for our Nettie.

Dear Mr. Francis,

As I am through with my work for the day, I feel as though I must write you a letter.

First of all I will tell you how pleased I am with my home. Mrs. Allen is as nice as she can be. I was in her room with her all day, sewing on my new dress. We are alone all day as Mr. Allen goes into the city and the children are in school.

We don't get lonely for we find ^{plenty} of things to talk about. I don't have any heavy work to do. I certainly get plenty of eggs and milk. I guess I gained several pounds in this one week. I feel very grateful to Mrs. Denny, Miss Johnston and of course you, for this chance of being out here on the farm.

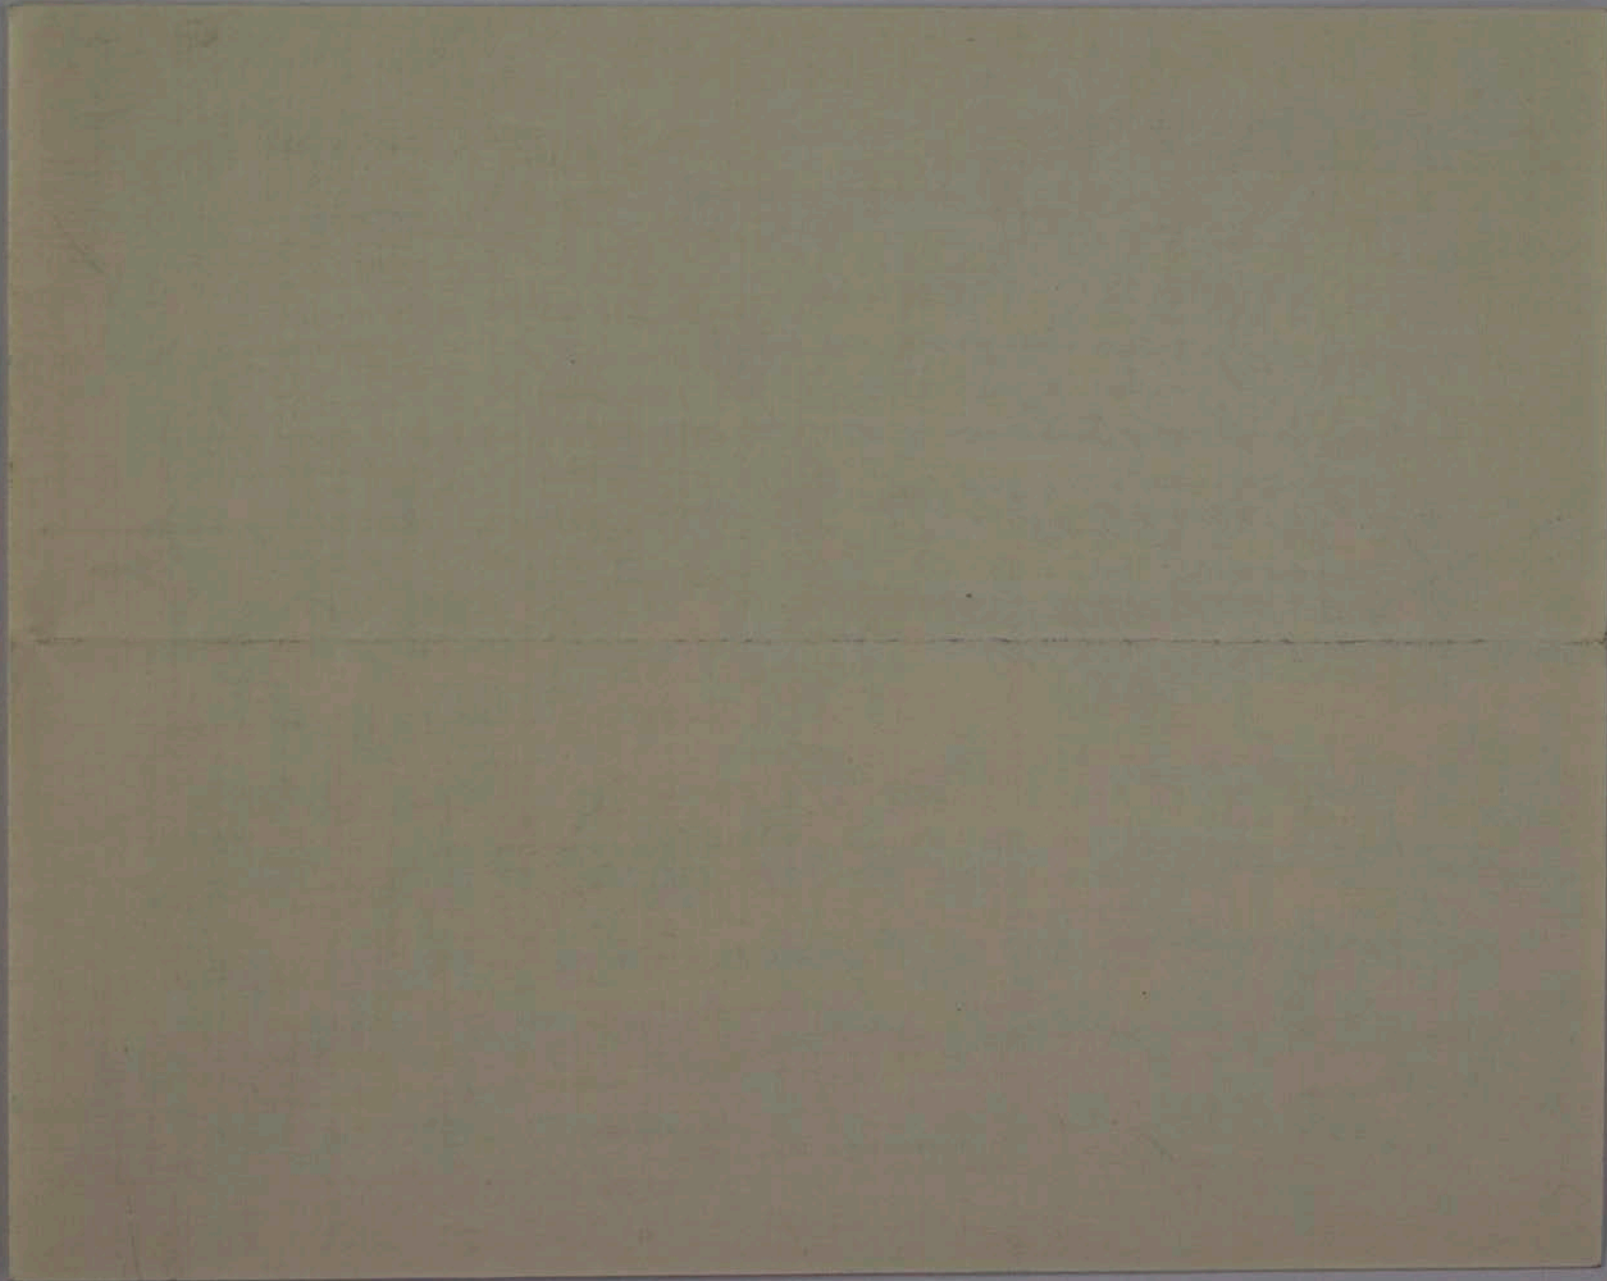

We had company to dinner on Sunday. Mrs. Allen played and the rest of us sang. I tried to help out with my croaking. We had a very enjoyable evening.

I certainly was glad to see my old friend the Arrow, which was received by Mrs. Allen last evening. I saw Norton's picture in there. I guess he has sailed now, for I have not heard from him for a long time.

How is every thing at the school? Give my regards to all, especially to my classmates and my company. I must close here with best wishes to you.

My dear Mrs Drury

May I have a couple
of flannel petticoats for Nettie. She
hasnt any with her and its really
to cold and bleak for her when she
hasnt even wollen underwear on,
and we are bound to have some
pretty wet days that will be so pen-
etrating. Had her change for long
sleeve underwear, but she hasnt one

bit of wool about her at all.

We all feel as if we had known
Nettie for a long time, so comfortably
does she fit into our family, and seems
as happy to be here as we are to have
her, and I'm glad to say her appetite
is improving, as the first few meals
I could scarcely coax her to eat, but now she
is seemingly enjoying everything.

Thanking you for your kindness

Mr John Francis Jr. Esq.,

My dear Mr Francis;— Enclosed is
Nettie's temperature chart, as it's just
a week yesterday since she went to bed, al-
though several days she was up part
of the day for short periods.

Her cough has gotten very much worse
the last four days, and after the spells
she is thoroughly exhausted especially
when she expectorates.

I think she is realizing there may be
something more deep seated than we
think, for yesterday she had a terrible
crying spell, and again today when
I took her breakfast.

I think she really ought to be under

the Doctor's care, for she don't seem to be able
to stay up long at a time & has no interest
in anything & seems so weak.

I'm so sorry for her, for she surely is
a lovely girl & she seems so happy here
but it worries her that she isn't able to help,
and I really don't have the time to stay
with her constantly.

Waiting orders from you, Sam

My dear Mrs. Allen,-

I have read your letter to Mrs. Denny regarding Nettie's condition and have consulted Dr. Menger. He thinks the symptoms indicate malaria and advises that you give her 3 grains of quinine after each meal for about a week and then report her condition. I am sending you some quinine tablets in another package.

If she continues having fever, I fear we will have to recall her so that she may be directly under the doctor's observation.

If you have any garden work to do, it would be splendid for her to do this when the weather is bright.

We all thank you for taking such good care of our Nettie and we do hope that this trouble is only temporary for we want you to know Nettie as we knew her, when she is at her best.

Thanking you again and hoping for the best, I am

Mettie's condition puzzles me so, sit down herself and I thought I ought to let you know about it. - While here she has gained 3 lbs. and eats heartily, enjoying especially eggs & milk which are so good for her, but every afternoon her temperature will rise (today 104 $\frac{2}{5}$) and altho burning up she cannot get warmer no matter how many covers she uses. Sunday noon she started to menstruate - and tells me it isn't but two weeks since her period before. This only continues one day for I had her rest. In the mornings she feels fine.

but shortly after lunch time when she goes to rest
shudders up so she must be shivering & still be
very hot.

Do you suppose she could have a touch of Malaria?
We are very high here but it may be in her system.
I neglected to say she had a nose bleed today altho
not a heavy one.

We just love Nettie and want to do for her what
ever we can to make her comfortable. She seems
so happy and especially so Elletts have come
from Norton

Will the doctor suggest something I could give

her, or will he send a prescription.

Wanted her to stay in bed but she seems to feel even more comfortable if about.

We have planned to go see her sisters & do some shopping for herself and she says she will be all right in a day or two, but I really thought I ought to tell you.

I was so glad to get the petticoats so promptly; and thank you so much for them.

Nellie sends her love & says not to worry she is all right, but I'm afraid to let these conditions go in without telling you.

Remember me to Nellie should you see
her

I so love these Indian girls. Each one
just finds a place in my heart & I feel as
if they were mine.

Awaiting any suggestions you will make,

Sincerely

Virginia P. Allen
(Mrs Wm P.)

P. S. Nettie only seems to
cough when she lies
down & only a trifle then;
and really sleeps well, but is
so heavy & numb when she
wakes.

Dear Sir:-

Dear Sir:-

I feel that I must write and tell you something of your daughter Nettie, whose health has not been what it should be. About a month or two ago, our school doctor reported that she was failing and I had her placed in the hospital for observation and treatment. She improved considerably and I had Miss Johnston, the outing agent, find her a home in the outing field where I sent her April 3rd.

Mrs. Allen, the country mother took her with the understanding that she was not well, needed building up and could only do what work her strength allowed. This home was on a farm and Nettie had plenty of fresh air, and all she could eat of fresh eggs and milk. She improved the first week and gained three pounds but afterwards began to develop a temperature so we thought it best to have her returned to the school. Miss Johnston brought her in on Wednesday and she is now in the hospital.

The doctor reported yesterday that her temperature had gone down and she was in splendid spirits. I had thought at first, of sending her to Toledo, Iowa where she could be treated at the Sanatorium but if she keeps on improving here, I think it might be just as well to keep her here with her friends and do all we could to build her up.

Nettie is a splendid girl and has many friends here who will all work, I know, to make her well.

I will keep you informed of her condition. I hope what we have done so far will meet with your approval.

My dear Mrs. Allen,-

Nettie has been here just a week and I am very glad to tell you that she has made steady improvement during that time. Doctor Menger says her temperature has been 99 and 98 right along and outside of the cough which sounds bad, she is getting along fine.

You do not know how much we all appreciate what you did for Nettie. Miss Johnston has told us in detail how good you all were to her, Mr. Allen, yourself and even the children adding their little acts of kindness and thoughtfulness. It was good of all of you to help us take care of one of our good girls and we all thank you.

We cannot repay you for your kindness very soon but when you come to see us at Commencement time, we will all do our best to give you a good time and keep you happy while you are here.

Dear Sir:

This is to inform you, in reply to your letter of the 12th inst., that your daughter Nettie left this morning for the Sac & Fox Sanatorium, located at Toledo, Iowa. While she did not seem to get any worse, Nettie did not improve very rapidly and our physician thought it best to send her to the Sanatorium.

Nettie went away in good spirit and I think with a determination to get well if possible.

Very truly yours,

Go Sanatorium

Dear Mrs. Wenny,

Just a few lines to
let you know that I am
getting along nicely. So far
I have not gotten sick or
even have temperature.

Mr. examined me last
evening and said that my
lungs are in good condition
and all I need to do would
be to get rid of my cough.

I was cheered a lot just by
that. I hope to be able to
be out in time for school

in the fall. Do you think I will be able to get in at Haskell or not if the pupils are transferred. I would like for my little sisters to go there also.

Mrs. Wenny I have a trunk there containing Elizabeth Allen's and my things. I told Elizabeth to get her things out when she returns there and leave my things there. When the school closes, may I trouble you in having the trunk sent here please? I have been worrying over that but now I shall rest in peace.

I received a nice long letter from Mrs. Allen and I felt terrible when she said she was coming to Carlisle to see me. I certainly would love to have seen her once more for she has been a mother to me for the short time I knew her.

It is very lonesome for me but I am trying to improve and get used to the place.

If the students are transferred I want to go to Haskell as I have one more year at Carlisle until my term is up. I am very sorry about the closing for really it has been my home for so long.

It is near bed time so I shall close, we go to bed at 8:30 and rise at 6:45

Hoping to hear from you and how things are there. With best wishes to you and everybody else there.

Lovingly Nettie S.B.

My dear Mrs. Perry,

Nellie Standingbear
trunk was all ready
to be sent to her.

It is at - girl's quarters
I was afraid it
would be missed.
Her name is on
her trunk.

We are on our road for
Chicago, and all O.K.
Sincerely
Ora L. Wright

Dear Mr. Blair,

Just a few lines
this morning I must
write, as I have nothing
else to do.

What I wanted to ask
was, are our chemistry
note-books, going to be
returned to us or not?
I received my physics book
yesterday and I wondered
if we will get our chemistry
ones. I would love to
have mine if I may.

This is Chautauqua week in town, and we were allowed to attend every day. We have had lectures, given by, Irvin S. Cobb, Mr. Lena Sadler, Mr. Sadler Mr. Evans and Private Peat.

Tonight Sgt. Smith lectures. I certainly enjoyed the one by Private Peat more than the others, although the others were great.

We had some Hawaiian singers perform yesterday. It was a treat to many of us as we never saw one before. I thought that the girl looked like an Indian.

I gained three lbs. since I come here, that was a month ago yesterday.

It is nice and cool here now & but it was just the reverse when I first come.

I must close here as I have some more letters to answer.

This leaves me feeling like my old self.

Respectfully,

Nettie Standingbear

P.S. If there are any 1917+18
year books left over, I would
like one of each.
