Charles L. Ellis, Supt.,
Pine Ridge Indian Agency,
Pine Ridge, S.D.

Dear Sir:

Paul Red Star and Alex Iron Whiteman, two pupils of this school from your jurisdiction, deserted last Thursday night and I have information from one of their school mates here that both left for their home.

This same boy tells me that Paul received a check for \$50 from Pine Ridge Agency. Will you please let me know if this is so and why the check was not sent through the Superintendent of this school. If you will refer to Mr. Francis' letter dated May 29, 1917, you will note that he asked that any money sent to Paul should be by check made payable to him as Superintendent.

Both these boys enrolled last fall for a term of three years and are therefore not eligible for enrollment at any other school. I wish you would take what steps you can to have them returned to the school to complete their term.

Very truly yours,

D:R

Chief Clerk in Charge.

DEPARTMENT OF THE INTERIOR

UNITED STATES INDIAN SCHOOL

CARLISLE, PA.

96
AGREEMENT between Paul Redstar and
Carlisle Indian School.

1st. It seems quite important that the Ford Motor Co. employ only such Indians as are recommended by the Indian School, because the class of boys which are roaming about and seeking positions are not of the desirable kind, and their entrance into this Institution would bring them into close touch with the Carlisle boys, and have a tendency to drag them down and to ruin. There are many Indian youths living upon the various reservations, who are living leisure lives, and have no definite purpose in view. They, of course, hear about our boys making good at your factory, and they take it upon themselves to gain entrance. It is very obvious that their entrance into the factory would be detrimental to all concerned. We want a clean institution, in which to place our Carlisle.

2nd. It is quite important too that the school be careful to recommend only boys of good school record, including their ability and moral character. The Ford factory is not equipped with a regular disciplinarian staff, and therefore, could not control those who are inclined to be unruly. Boys who enter this factory must be a disciplinarian unto themselves, and a boy who has acted the truant in school, could not be put upon his honor.

3rd. It is quite necessary also that the Ford Motor Co. suspend or expell boys of ill repute, in order that we keep a clean industrial supply of boys. Those who have weaker characters will go from bad to worse and drag down those who otherwise would make good. In mild cases, it would be advisable to report the matter to the Superintendent of the Carlisle Indian Industrial School, suspending the boy at fault, until some disposition of him is afforded by the Superintendent. It might be well to recall him to school for discipline, placing a more desirable boy in his position, or it might be well to reprimand him, whereas in severe cases he should be expelled at once, however, his wages should be retained in order to meet any debts that might appear. A letter to the school reporting the difficulty will be answered and attended to at once.

4th. Indian youths have not the knowledge of spending money in legitimate ways, therefore, it seems necessary that they be guided in their savings. Boys who are on the probation list will need 75% of their earnings to meet

DEPARTMENT OF THE INTERIOR
UNITED STATES INDIAN SCHOOL
CARLISLE, PA.

their living expenses, but those who have become shareholders can get along well with 50%.

5th. It is not the purpose of the Indian School to hamper the Indian boys in any way in any investments which they see fit to make, and a part, or the whole amount shall be sent to the Indian depositor upon satisfactory proof of legitimate needs. In all cases where an Indian boy desires to withdraw his savings, he should make request to the Motor Co., and by their recommendation, such amount as he shall ask shall be forwarded.

6th. It is not the intention of the Government to withdraw these Indian boys at any time, in order that they may be transported to their reservations, but it is the aim of the Government that they shall build for themselves a career.

I hereby concur in and agree to adhere to all of the foregoing to the best of my ability.

Any general statement or wishes of patron or pupils, together with Agent's estimate of place, people, and pupil:

Paul gives expression of contentment and he is well liked by his country parents; he attends school regularly and is making good advancement. He wishes to remain where he is during the coming summer.

Paul had the drink habit when he came to Carlisle but he tells me he has not touched it for a long while, and I believe he is trying hard to improve his condition. The home life and environment where he is is the most favorable to help him.

OUTING RECORD — CARLISLE INDUSTRIAL SCHOOL

Oct. 16th, 1914.

Mr. Mark Redstar,

Manderson, South Dakota.

My dear Mr. Redstar:

It gives me pleasure to report to you, in reply to the letter you addressed to Mr. Meyer at this school, that your son Paul is not in jail and that your daughter's operation was not at all serious.

Paul has recently gone to the home of Mr. Wm. D. Worth at Prospectville, Pennsylvania, where he is to spend the winter months. A report from Mr. Worth indicates that Paul is getting along very well.

Stella was operated on some time ago to hasten the healing of a sore on her leg that was caused by the scratch of a nail and which had become affected. The operation was successful and the sore has healed. I must report, however, that Stella has had more or less trouble with scrofulous sores and that her glands have also become swollen at times. There is no cause for alarm about her condition.

Very respectfully,

HKM.

Supervisor in Charge.

Wanderson S. Nisk

Oct. 9. 1914

Dear Mr Meyers.

I like to ask a few questions regarding that of Paul - Stella Redstar.

The former is told to be in jail over the thing. and the latter is told to went through an operation. it is an understanding that a sick student should be sent home if his or her sickness is serious. now if this is true about my childrens I would like you to notify me the straight facts about it. I remain

Mr. Wm. D. Worth,

Prospectville, Pennsylvania.

My dear Sir:

I have received a telegram from Paul Red Star's father in which it is claimed that Paul has written home saying he is sick. Knowing that the illness, if any at all, cannot be serious because you have not reported the same to me I desire, however, to be informed as soon as possible whether Paul is at all indisposed. Will you also question Paul how it has happened that the father has gotten such information?

Very truly yours,

HKM.

Supervisor in Charge.

March 16th, 1915.

Mr. Wm. D. Worth,

Prospectville, Pennsylvania.

My dear Sir:

I thank you for the information you conveyed to me in your favor of March the 15th, relative to Paul Red Star and the inquiry I addressed to you several days ago.

A copy of your letter is being forwarded to Paul's father and I believe that Paul too should assure his father that he is well.

Being confident that the boys from this school given into your care are well looked after and that you would have reported any ailment of Paul's without a request from me, I remain,

Very truly yours,

HKM.

Supervisor in Charge.

Prospectville Re.
March, 15, 1915

Mr. Lippe.

Dear Sir,

I received your letter this morning and was indeed surprised because Paul Red Star has not been sick a day since he came last fall. He has not missed a meal and has never said a word to us about not feeling well, and has gained several pounds since coming out.

I asked him about it this morning before he started to school and he said

he did not write that he was sick but that his nose bled occasionally. I asked him if it bled often and he said no and that it had not for quite a while. I cannot understand Paul's motive for sending such a report home because he seems quite well and satisfied. He goes to school every day and is doing good work. His teacher sends very good reports home both in regards to his conduct

and studies.

I have always been very careful when I made out the health reports and have questioned Paul but he has never made one complaint and am sorry his father should have this unnecessary worry and that you should have this trouble. Because there is no reason for it.

Sincerely Yours
John D. North,

March 16th, 1915.

Mr. Mark Red Star,

Manderson, South Dakota.

My dear Sir:

Upon receipt of your telegram of recent date, in which you made inquiry about the condition of your son Paul's health, a request was at once addressed to the Outing patron at whose home Paul is staying for information relative to the sickness that had been mentioned. This morning a letter as follows was received here from Mr. Worth, a most careful man and who would have reported before this any illness from which Paul could have been suffering:

"I received your letter this morning and was indeed surprised because Paul Red Star has not been sick a day since he came last fall. He has not missed a meal and has never said a word to us about not feeling well and has gained several pounds since coming out.

I asked him about it this morning before he started to school and he said he did not write that he was sick but that his nose bled occasionally. I asked him if it bled often and he said no and that it had not for quite a while. I cannot understand Paul's motive for sending such a report home because he seems quite well and satisfied. He goes to school every day and is doing good work. His teacher sends very good reports home both in regards to his conduct and studies.

-2- Mr. Mark Red Star, Manderson, South Dakota.

I have always been very careful when I made out the health reports and have questioned Paul but he has never made one complaint and am sorry his father should have this unnecessary worry and that you should have this trouble, because there is no reason for it."

Assuring you that it is a pleasure to convey so favorable a report to you, I remain,

Very truly yours,

HKM.

NOTE.—One of these blanks should be filled out by each pupil at Government boarding schools, preferably with the assistance of the superintendent or some one designated to act as his representative. If the superintendent is of opinion from the information given that the pupil is entitled to enrollment he should so indicate by signing the blank in the proper place and filing in the individual pupil's folder. In the case of pupils concerning whose eligibility or need of Government aid there is some doubt, superintendents should make proper remarks and recommendations in the space indicated and forward the form to the Indian Office for consideration.

Paul is 22 years of age and wants to go home and attend to his stock. If he is going home, there would hardly be any use for him to begin school now. What do you say? I think we should hear from the agent shortly now.

Dear Sir:

Re: Paul Redstar.

Acknowledging your letter of the 11th, enclosing check for \$63.74 for this employe; same has been duly turned over to him.

There seems to be some misunderstanding relative to this employe's not registering, as he has his Registration Card; also letter from the Board showing where he had written to the Pine Ridge Reservation for his Questionere; but same has not been received.

We have interceded for him and he is no longer detained at the station and we will ascertain to-day, whether or not it will be advisable for him to leave the City under present conditions, as he is desirous of going to Madison, South Dakota.

Dear Sir:-

Dear Sir:-

It was our understanding that Paul Red Star had left you and gone to his home at Manderson, South Dakota so his name was dropped from the rolls of the school the last of July. As our school will be permanently close September 1st, I do not think it advisable to re-enrol him, if he has returned to you. I am therefore returning the check for \$2.50 which you sent here to be deposited to his credit. His account has been closed out.
