Dear Sir:-

I write with reference to the list of Outing patrons marked "Undesirable Patrons" which you handed to Mrs. Denny.

Miss Ella Hart, Mrs. W. W. Long, Mrs. Ralph Bowers and Mrs. A. A. McConnell, have not applied for pupils this season.

Mrs. Hannah Haines has in her home at present, a Protestant girl who will remain with her.

Polito Chaves living with William Yates of Wood Hill, Pennsylvania, has asked to remain there until September when he will go home. This request was granted before your list was presented.

Mr. William Bucher has applied for a boy and arrangements are being made to send him a Protestant.

Amy Atsye has asked to return to Mrs. O. D. Trutt. As Amy attends the Presbyterian Church and as she is related to Mrs. Trutt by her sister's marriage, it seems advisable to grant her request.

Very truly yours

Mr. P. T. Lonergan,
Superintendent, The Pueblo Day Schools,
Albuquerque, N. M.

My dear Sir:

Referring to your letter of May the 28th, regarding the reported condition of Amy Atsyo's eyesight, this is to state that she went to one of our Outing homes on May the 29th, and as that necessitated the passing of a most careful physicial examination you can rest assured that her eyes must not have been as seriously affected as she believed they were when she wrote you in March.

The young lady's letter to you is being returned herewith.

Very respectfully,

HKM.

Supervisor in Charge.

Carlisle, Pennsylvania.

March 8, 1914.

Dearest Mr. Lonergan:

Just a few lines to you this evening in which I just made up my mind to do so, of course I have been wanting to write a letter soon since I came here, but failed to do so, because I always had something to do, but as you know today is Saturday and have nothing to do very specially it give me a great pleasure to write a few couple lines to you.

Well I am glad to say that ever girls and boys from home are in a good condition as usual, so am I. I hope you are the same way with the work you are doing for the passed days.

Mr. Lonergan I cannot say that I like this school very well, well as I did out at Riverside. I really cannot help it, but tell you, so for this reason I shall tell you I don't like it at all. Of course at first when I remain here for about two or three months I thought to myself I would get along all right, but I see I don't, not a bit.

Also, the other thing is this Mr. Lonergan I have trouble with my eyes. Of course, I never did had trouble with them before.

Well I must tell you that, or ask you if I could go home this summer. No use of my staying here, while the others are going out to work. Of course I did sign to go out under

outing system but I don't hardly think I'll get to go on account of my eyes, that keeps me back. I often wish that I never came to Carlisle.

Dear Mr. Donergan you may think that we did like this school, but the other times I seen George P. and the rest of the boys that came with me and George stated that he was sure to go home sometime soon, if I am not mistaken. He and Guy don't seem to like it at all so for my part I don't see any kind of pleasure here at this school, beside other school are having a great time and while here we are just in a cage all the time, it is getting pretty strick now a days.

But as Mr. Friedman isn't under the school Supt. any more he have been put out for some reason, because he did not run this school right as he ought to. One of the Supervisor is in his place for couple months, but he will soon be leaving. I don't know who will take his place after he leaves here at Carlisle, Well Mr. Lonergan I have been good since I came here, never was into any trouble like the others did here at Carlisle. Also I shall go home but of course it is for my benefit to attend school and my eyes are too weak for anything so I don't see why I should stay and I ask please if I can go home this June.

Well Mr. Lonergan I am sorry to say that I cannot stay here while the other girls and boys are going out to working. so what do you think of this? Mr. Lonergan I take a notion you have pity on me.

I must close my letter now, with best regards to you I remain as your friend,

Amy Atsye

Dear Sir:

I am inclosing a copy of a letter received from Amy Atsye who is enrolled there from this jurisdiction.

This girl was a very good girl while here and was employed for a time as assistant in our sanatorium. If her eyes are in such condition that she cannot accomplish anything at school, it might be well to permit her return home.

Kindly let me hear the facts in her case.

By a strange coincidence Amy was placed in this home which proved to be a home keenly interested in Amy because one of the family ^(Cousin) had married Amy's sister, Seichin Otsuye, a Catholic graduate, some years before. Seichin Otsuye strangled in about 1907 leaving a little girl. Amy occasionally sees her little niece and a happy relationship has begun.

In school Amy is not quite up to her grade but is a faithful student, trying to do her best. One could hardly find any fault with Amy Otsuye.

Mrs. Marie S. Ataye,

Laguna, New Mexico.

My dear Madam:

Replying to your letter of April the 14th, I will advise that I would prefer not to have your daughter Amy taken out of school just at this time because she has been enrolled here but a very few months. However, if your request is submitted to me thru the office of Superintendent Lonergan and he recommends what action should be taken further consideration will be given it.

As near as it can be determined an amount of not less than \$107.00 would be required to pay for Amy's transportation home and with which transportation for her use could be secured at the termination of her period of leave. That amount would have to be deposited with your Superintendent or with me here.

NOTE.—One of these blanks should be filled out by each pupil at Government boarding schools, preferably with the assistance of the superintendent or some one designated to act as his representative. If the superintendent is of opinion from the information given that the pupil is entitled to enrollment he should so indicate by signing the blank in the proper place and filing in the individual pupil's folder. In the case of pupils concerning whose eligibility or need of Government aid there is some doubt, superintendents should make proper remarks and recommendations in the space indicated and forward the form to the Indian Office for consideration.

Rev. Fridolin Schuster,

Dear Sir:

When your letter of recent date in regard to Amy Atsye's church attendance was received here the young lady was seen at this office and was questioned. She stated that she did not attend the Catholic church before she came to Carlisle and that when she arrived here she was erroneously reported as being a member of that church. It seems that for some time she attended services with the other students here who are Catholics because her name was so listed, but later she determined to attend elsewhere because she had not become a member of the Catholic church.

In view of the fact that at Carlisle students more than eighteen years of age have been allowed to elect to what church they desire to belong a similar privilege must be given Amy Atsye and the mother's request that was conveyed here by you cannot be complied with unless the girl consents.

-2- Rev. Fridolin Schuster, Box 699, Gallup, New Mexico.

In regard to Amy's coming home, this is to state that no objection to her release from this school will be interposed if it is recommended by Superintendent Lonergan that such action be taken. It is hoped, however, that the mother can arrange to get along without Amy's help until the latter has completed her period of enrolment at Carlisle.

Referring farther to your letter, I beg leave to report that Katie Cochran's trunk had gone forward by express before hearing from you. A list of the ornaments and other articles in the trunk when it was shipped was sent to Mr. Cochran for his information. The trunk's safe delivery to Mr. Cochran has not been reported.

I thank you for the information relative to Peter Davis. It is sad that so young and promising a person had to be afflicted as Peter was and that he did not make a more earnest attempt to regain his strength by remaining at the Laguna Sanatorium.

Very truly yours,

HKM.

Dear Sir: —

I have been told that Amy Atsye, a Laguna girl at your school, has left the Catholic Church and is attending Protestant service. I asked Amy's mother, her father is dead, if she was satisfied to have her daughter attend Protestant service and she told me: No, that her daughter was baptized and confirmed in the Catholic Church, her people are Catholic and she wished Amy to be Catholic also. I then asked her to put her thumb print on the enclosed Blank in presence of two witnesses, which she did. As Amy is not of age will you kindly see that the request of her mother is complied with.

Amy's mother requested me to write to you and inquire if her ~~most~~ daughter, Amy, could not be sent home. Her mother is old and alone and really needs the attention and care of her daughter. This request might appear to follow from the other one, but I assure you that there is no connection between these two requests and that I have in no way influenced Amy's mother.

Last week I was at Paguate and there Mr. O'm. Cochran, father of Katie Cochran who died recently at Carlisle, approached me with a request to write to you. He says that Katie had some money on deposit at the school and also that her necklace or silver beads were still at Carlisle. Now he asked me to inquire of you if said articles could be returned, as he is anxious to have them, especially the beads.

Peter James Davis, a Laguna boy, who returned from Carlisle some months ago died on November 2. The poor boy had hopes to the last. The doctor of Laguna tried his best to induce Peter to remain at the Sanatorium of Laguna, but he would not.

Wishing you a Merry Christmas and great success with your school I am

Dear Mrs. Trutt:-

I have your letter relative to Amy Atsye's sickness and have to say that after careful consideration it has been decided that she would better return to Carlisle and then to her home. Her people have written me that they would like to have her at home. They are anxious about her health and we at Carlisle are also anxious. If she has not earned enough wages to pay her fare to Carlisle and to reimburse you for what you have advanced for her, please send me the bill to be paid from her account here. She has \$10.26 to her credit. You can also send her doctor bill to me. We have arranged for the other outing girls to return to Carlisle next Thursday June 1st. Dear Madam:

I thank you for your favor of the 6th instant advising that Amy Atsye's condition has been found far less unsatisfactory than was feared and that she desires to remain in your home for the summer months. In view of the favorable report her sister at Laguna, New Mexico, has been advised that Amy may remain with you until further consideration can be given the request that she be returned home. It will likely be decided, therefore, that Amy is not to go home and you may assure her that we will do what we can to arrange so that she may continue with her studies and her work in the east.

Mrs. Helen Francis,
Laguna, New Mexico.

My dear Friend:

You will recollect that in our letter of May 26th you were advised that your sister Amy would be returned here the following week on account of the fact that she did not seem to be very strong physically. Just about that time, however, an improvement in Amy's condition was noted and it is now her request that she be allowed to remain at the home where she is staying. If her return home must be effected it is Amy's desire that she be allowed to remain in the east until the hotter summer months are past.

Below I submit for your information a brief statement by a physician of Philadelphia who has recently given Amy a very close physical examination:

"I might say that Miss ^{Amy} Atsye has had a neuralgic attack affecting head and ears. Otherwise she is in good health with no chronic suggestions."

In view of the fact that nothing serious seems to be the matter and she is so anxious to continue her stay in the east permission is being given her to remain with Mrs. Trutt until we hear from you again.

-2- Mrs. Helen Francis, Laguna, New Mexico.

Please be assured that Amy is being well cared for and that the condition of her health has been taken into consideration in connection with your request that she be sent home. There is no cause for alarm and I hope you will advise us soon that the action taken meets with your approval and that your mother and you are willing to let Amy continue her stay in the east.

Very respectfully,

HKM.

Acting Superintendent.

Mrs. Helen Francis,

Laguna, New Mexico.

My dear Friend:

Your sister, Amy Atsye, has returned here from her outing home and it can now be arranged to let her come to her mother's home as has been requested. However, I must state in this connection that thru an oversight it was not mentioned to you previously that Amy does not have enough money to her credit here to pay for her transportation and that because her period of enrolment here has not terminated she cannot be provided with a ticket at government expense. It will be necessary, therefore, to send not less than \$50 as the greater part of the amount she now has will be required to pay for incidental expenses enroute home.

Regretting very much that it cannot be decided to let Amy remain here and hoping that I shall hear from you soon about the amount that is required to pay for her transportation, I am,

Very respectfully,

HKM.

Superintendent.

My dear Madam:

When your letter of the 24th ultimo was received here your sister, Amy Atsyo, was seen at this office and she stated then that she will have to wait here until the amount required to pay for her transportation home is forwarded here. In this connection I beg leave to add that the question of paying for Amy's transportation home is one that must be decided in accordance with the provisions of the School Rules, as she was enrolled for five years and there is no good and sufficient reason to send her home now at Government expense.

Very respectfully,

HKM.

Superintendent.

Dear Friend

Your letter of July 5th reached me, and you said it was an oversight. But in my part it did not seem that way for when I awaited your reply I thought that very instance you would say in your letter that we were to pay

Amy's transportation, And I am telling you the truth that our mother hasn't a cent to pay Amy's transportation to her home. We did not know how many years Amy was going to be in school until Dr. Hillion who was the witness told us that she was to remain five years I told him to write to you be

fore he left Laguna to let Amy stay only three years for my mother never promised them to let Amy stay that long for she old and needs some one to do the house work and she gets sick very sudden.

The child has been in your care for three whole years and you ought to be just as willing to pay her transportation to her home for we hope that my sister has obeyed in every way and at school & in the country home.

Now I do not want my sister to have that sickness again for I know she will be apt to get it again as it is camp.

out east always.

I know the government
is always willing to do it, but
you teachers always refuse
to return children back to their
parents or home when they
are in need not until the
child gets worse.

I will now come to conclusion
Hoping to hear from you.

Your Friend.

Mrs Francis.

Mrs. Helen Francis,
Laguna, N. Mex.

Dear Friend:

I was very much surprised to get your telegram Friday inquiring about the health of your sister Amy as this was the first intimation that there was anything the matter. The Doctor has just reported that Amy is in splendid condition and there is absolutely no cause to worry about her health.

Amy's term of enrollment expires this coming June and I will arrange to send her home.

Very truly yours,
