The agent will then send to the Commissioner of Indian Affairs his certificate as provided by law. All the blanks must be properly filled in every case.

NOTE.—Age limits, fourteen to twenty years. Preferably fourteen to eighteen. Students must be at least one-fourth Indian, preferably full Indian. Special cases beyond the age limit will be given consideration. An industrial course only can be taken and the term reduced to three years, in exceptional cases.

INDORSEMENTS.

The laws relating to the transfer of Indian children from reservations and schools are as follows:

That hereafter no Indian child shall be sent from any Indian reservation to a school beyond the State or Territory in which said reservation is situated without the voluntary consent of the father or mother of such child if either of them is living, and if neither of them is living without the voluntary consent of the next of kin of such child. Such consent shall be made before the agent of the reservation, and he shall send to the Commissioner of Indian Affairs his certificate that such consent has been voluntarily given before such child shall be removed from such reservation. And it shall be unlawful for any Indian agent or other employee of the Government to induce, or seek to induce, by withholding rations or by other improper means, the parents or next of kin of any Indian to consent to the removal of any Indian child beyond the limits of any reservation. (28 Stats., p. 906.)

Provided, that hereafter no Indian child shall be taken from any school in any State or Territory to a school in any other State against its will or without the written consent of its parents. (29 Stats., p. 348.)

The rules provide that—

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other nonreservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

An Indian boy or girl 18 years old and over may, without the consent of parents or others, personally sign the application form on its being changed to suit the case.

This form is to be used only in transfers from reservations, or Indian schools, to nonreservation schools.

Any general statement or wishes of patron or pupils, together with Agent's estimate of place, people, and pupil:

I have visited this home a number of times and while the patrons seem kind to the boys, and conditions seem favorable; yet there is always more or less complaint relative to the conduct of the boys by the patrons, and a spirit of discontent in the several boys who have lived there. I also notice that the wages paid are comparatively low in spite of all endeavors to secure advancement for the boys; for this reason, I deem it best to drop this home from our Outing lists.

Martin seems to me to be a good boy and a willing worker, though I have been called at differnt times to reprove him on account of conduct. In each case it was a mere trifle common to all children and which should have been corrected by the patron alone.

Mr. John Pulliam,
c/c Day School Office,
Pine Ridge, S. D.

My dear Mr. Pulliam:

In reply to your letter of December 29th, I will say that I have interviewed the teacher of orchestral music in regard to the prospects of your son Martin's taking mandolin lessons. The teacher informs me that all of the mandolins owned by the school are now in use, but that if Martin can provide himself with a mandolin of his own, the necessary lessons can be given without further expense. Martin has on deposit here a little over \$12.00, and if you wish to authorize specifically the expenditure of a sum not in excess of \$10.00 or \$12.00 for purchasing Martin a mandolin, we can arrange the purchase. It is believed that the teacher can purchase a pretty good instrument for a sum not in excess of \$10.00.

Martin seems to be in error when he states that he is a member of the school band. However, this is neither here nor there, and if you wish to authorize the purchase of a mandolin out of Martin's funds deposited here, we shall go ahead as you desire. Please let us hear from you.

Very sincerely yours,

JDD:SR
