Mr. L. N. Ishcomer,
Golden, Okla.

Dear Sir:

I have your letter relative to the use of a part of the money by Julius which was sent here to pay his transportation home.

Under our system money sent for the benefit of any student is immediately deposited to his personal account and this was done in the case of the money sent by you for Julius. Early in the year Julius decided that he wanted to enlist in the Navy, but I told him that on account of his youth I wanted him to procure your consent.

Later on he personally told me that he did not care to go home and in view of the great distance to Oklahoma it seemed to me that his position was right. Also the Commissioner of Indian Affairs had directed me to hold sufficient boys here to handle the crops upon the farm and the other work of the school, and it was necessary for me to make the order general and I so advised you by letter. I understood that he had arranged the matter with you. He also gave us the impression that he was to be permitted to use the money. He submitted formal requests for the use of the money, which was approved by the disciplinarian, and Julius spent the money.

Among so many students it is difficult for me to bear in mind the facts in every case. I regret exceedingly the misunderstanding which

7/26/17

has caused so much annoyance, and assure you that I was doing what I believed to be for the best interests of you both. In the future I assure you that I will give most careful personal attention to all of his expenditures.

Very truly yours,

Dear Sir:

Receipt is acknowledged of your letter of the 11th inst. relative to the return home of Julius Ishcomer.

As I wrote you in my other letter Julius has entirely given up the idea of going home this summer and has already spent the money sent for his transportation expenses for his personal use. He is planning on going to Atlantic City this coming week to spend a few days down there enjoying the ocean breezes.

If the boy's father is financially able why would it not be a good plan for him to visit his son here. He could then see for himself how we take care of his boy.

Dear Sir:

Receipt is acknowledged of your letter of the 2nd inst., in which you refer to Julius Ishcomer.

I am forwarding your letter to Mr. L. N. Ishcomer, the father of the boy. I know that Mr. Ishcomer will be very much disappointed in not getting to see the boy this summer, as he has been up there two years, and his father is very anxious to have him visit him this summer. The boy is in good circumstances financially, and in my judgment, it would be proper to let him return home, provided it complies with the regulations of your school.

The Court has authorized him to advance the money for transportation, and I am sure that Mr. Ishcomer will be glad to send an additional deposit, in order to have the boy return home for this summer's vacation.

Yours truly,

Dear Sir:--

Replying to your letter relative to the return home of Julius Ishcomer, I have to advise that sometime ago, Julius decided that he would give up his trip home this summer and asked to use the money sent him for travelling expenses, for his various needs.

At the present time he has a balance of \$44.00. Later in the summer he wishes to use some of this money and take a little trip to the seashore. This however has not been decided upon.

I wrote Mr. Ishcomer on the 16th of June of his son's decision. I also told him that Julius was in good health and getting along nicely here and that there did not seem to be any special necessity for his going home at this time.

Very truly yours

Dear Sir:

In Re: Julius Ishcomer, Minor
L. N. Ishcomer, Guardian.

On May 23, 1917, I wrote you advising that the Court had made an order authorizing the Guardian to send the funds to this boy sufficient to permit him to return home for the summer vacation. His father is very anxious to see him.

Fifty Dollars was sent in the letter of May 23rd, and an additional amount was sent thereafter, On notice from your office that an additional deposit was required.

Mr. Ishcomer advises me that he has not heard from the boy, and that he has not come home, and he wants me to write you in his behalf, urging you to send the boy home at once.

I am well acquainted with Mr. Ishcomer, and with this guardianship case. I was U. S. Probate Attorney for several years, and know Mr. Ishcomer to be a man of good character, and am satisfied that he is anxious to return this boy to school, after he has remained through the summer vacation.

Dear Sir:

I am in receipt of your letter of the 23rd inst. relative to the return home of Julius Ishcomer, a pupil of this school.

The money enclosed with your letter, \$50.00, is not sufficient to cover the expenses of Julius' return home and for his return to Carlisle in the fall.

I enclose herewith a vacation request blank which covers our requirements regarding the deposit of money for pupils fares.

As the fare to Durant will be in the neighborhood of \$35.00, the amount to be deposited with me should be \$70.00. As soon as Julius' guardian sends me the \$20.00 required I will arrange for his ward's return home.

Very truly yours,

Dear Sir:

In re: Julius Ishcomer, a Minor;
L. N. Ishcomer, Guardian.

I have heretofore acted as United States Probate Attorney for this District, and Mr. Ishcomer is Guardian at Atoka, for Julius Ishcomer, who is now in the Carlisle Indian School. I represented Mr. Ishcomer, and was in the County Court today with him at Atoka, and the Court authorized him, as Guardian, to furnish funds for the minor to return home to visit his father.

The Court authorized the Guardian to draw on the funds in the bank, and you are requested to permit the boy to return home as soon as the term closes. Mr. Ishcomer says he wants the boy to return to school in the fall, and the Court will require him to be returned at the opening of school.

I am sending you herewith a Money Order in the sum of Fifty Dollars (\$50.00), which Mr. Ishcomer asks me to enclose for him.

OUTING RECORD - CARLISLE INDUSTRIAL SCHOOL

October 19, 1917

Mr. L. N. Ishcomer,
66 Rufe Street,
Golden, Oklahoma

My dear Mr. Ishcomer:

[Julius] came to me today with the request that all his funds in my possession be turned over to him. I asked him his reason for his request and he showed me a letter in the postscript of which was your suggestion that this be done.

Under the regulations of the Indian service pupils are not permitted to have large sums of money in their possession. It is apparent that having as many pupils as we have at Carlisle as some have larger amounts of money than others it is necessary that some control be held over the matter of expenditures by pupils, first, in order to prevent jealousy and lastly, but more important, because most of the real necessities of life are furnished by the school and we are endeavoring to develop ideas of economy in our boys and girls.

Julius is inclined to be extravagant. There is no necessity for him spending as much money as he does and certainly not more.

When Julius' application was signed by you, you agreed to abide by the regulations of the school. I suggest to you, therefore, that you assist us in controlling Julius' extravagant expenditures rather than to suggest ways to him by which he might evade the strict rules of the school.

Sincerely yours,

VACATION REQUEST FOR PUPIL.

We, the undersigned, respectfully request that leave of absence be granted

Julius Ishcomer

from Carlisle, Pa. to Rufe, Oklahoma to

enable him to visit his home. We hereby agree to pay all expenses, including round-trip railroad fares, sleeping-car fares, meals, lodging, stage fares, telegraph and telephone messages, and other incidental expenses connected with the visit. We further agree that said pupil shall be returned to the said school on or before the last day of the leave of absence.

We further agree to deposit with the superintendent of the school sufficient money to defray all expenses to be incurred, and should the pupils, or any one of them, fail to return to school at such time as may be agreed upon by the parents or guardian and the superintendent of the school in which the pupils are enrolled, the amount of money remaining with the superintendent, necessary to the return transportation of the pupil or pupils so neglecting to return, shall be forfeited to the Government; provided, however, that in all cases where it can be shown that there were justifiable reasons for the failure of the return of the pupil the forfeiture of the funds shall not take place.

If the pupil neglecting to return is from a reservation, the superintendent of the reservation shall certify to the reasons for the nonreturn of the pupil or pupils. If a pupil's home is not on a reservation, then the certificate of some reputable, disinterested citizen of the community may be requested as to the reasons for the nonreturn of the pupil or pupils.
