SPECIAL NOTE.

This form must be executed in duplicate when a child is transferred from a reservation to a nonreservation school. The Superintendent of the nonreservation school will retain the original for his files, and the duplicate shall be deposited in the Agency records. The agent will then send to the Commissioner of Indian Affairs his certificate as provided by law. All the blanks must be properly filled in every case.

INDORSEMENTS.

The laws relating to the transfer of Indian children from reservations and schools are as follows:

That hereafter no Indian child shall be sent from any Indian reservation to a school beyond the State or Territory in which said reservation is situated without the voluntary consent of the father or mother of such child if either of them are living, and if neither of them are living without the voluntary consent of the next of kin of such child. Such consent shall be made before the agent of the reservation, and he shall send to the Commissioner of Indian Affairs his certificate that such consent has been voluntarily given before such child shall be removed from such reservation. And it shall be unlawful for any Indian agent or other employee of the Government to induce, or seek to induce, by withholding rations or by other improper means, the parents or next of kin of any Indian to consent to the removal of any Indian child beyond the limits of any reservation. (28 Stats., p. 906.)

Provided, That hereafter no Indian child shall be taken from any school in any State or Territory to a school in any other State against its will or without the written consent of its parents. (29 Stats., p. 348.)

The rules provide that—

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other nonreservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

An Indian boy or girl 18 years old and over may, without the consent of parents or others, personally sign the application form on its being changed to suit the case.

This form is to be used only in transfers from reservations or Indian schools to nonreservation schools.

Mr. Clement Vigil
Kamp Kohut, Oxford, Maine.

Dear Clement,--

I must come to you for help again. Will you have the enclosed checks signed by the boys and return them to me at your earliest convenience? The checks are not to be signed on the face. The boys are to endorse them on the back only.

I suppose you know that the old Carlisle School has been abolished and that it will be turned over to the War Department September 1st. All the pupils will be transferred to other schools in the west. Wallace and I will likely go to Chilocco along with Mr. Blair, Miss Donaldson, Mr. Snyder and a few others. Mr. Lipps has found places for all of us there. Wallace wants you and Emerson down there, if you care to go. Mr. Blair and I were talking about how nice it would be if as many of your class as could, would go there so that you could finish there next year, together. Wouldn't it be nice to have you and Emerson, the Anderson boys, Owen and all the others to finish together? Think about this and talk it over with the other boys. We may be able to do it.

The outing boys and girls are to be recalled the 26th and 27th of August and arrangements made soon after this date to send the pupils west. I do not believe that you camp boys can get in before the 2nd of September as we must comply with the requirements of the Contract you all signed.

Let us hear from you when you have time. Our school at the present time is shot to pieces, as it were. There are a very few of the pupils here now. The employees who are here, are packing and we are all very, very busy.

Remember me kindly to all the boys. Dr. Kohut gives splendid reports about all of you and we are glad you are all doing your best.

Our Year Book 1918 is being printed now but with everything so torn up, I do not know when it will be finished. I will send you each a copy if it comes out before time for your return to Carlisle.

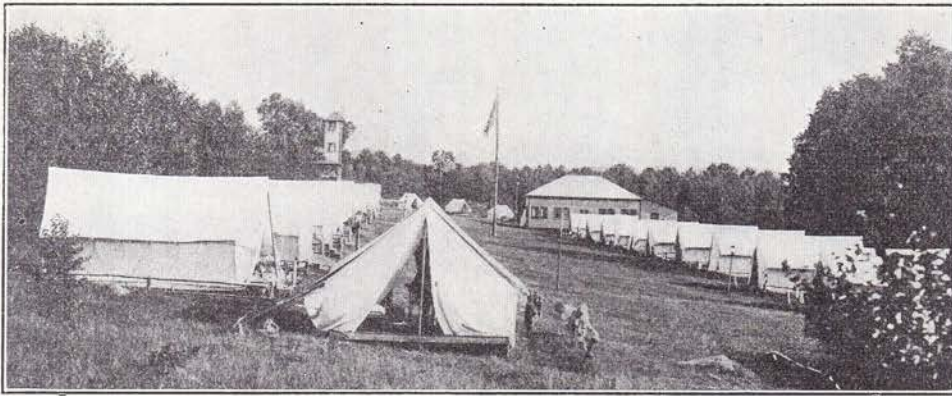

With best wishes to you, I am

Sincerely

Outing Manager.

Mr. Clement Vigil

Carlisle, Pa.

Dear Clement:

A line just received from George informs me that he has gone into aviation and is on his way to Waco, Texas, from which point he expects to write to me. I wish you would send me his address just as soon as you hear from him, as I wish to send him some letters of introduction to some very intimate friends there, who will be interested in him for my sake. It will do him good to know some warm-hearted southerners.

While I am keenly disappointed at his enlistment, because we shall lose his services at camp, we are proud of his being in the ranks on behalf of the great cause to which we are all devoted. This leaves only Mr. Friedrich, Mr. Kugel, Mr. Williams and yourself on our official staff. I only fear to receive a similar message from you. Only today I had a card from Edgar Wilkoff asking me to put him in your tent, and quite a number of other boys have requested the same privilege.

If you have anyone at Carlisle whom you can personally recommend for a counselorship, we would appreciate your putting us in touch with him. In fact, we could use two of your friends if they are the right caliber. If they measure up to the high standard you and George have set, we shall be glad to appoint them. We will pay them Fifty Dollars for the first year and transportation from New York City to Maine and return. Please give this your prompt attention, and let me have George's address as soon as you hear from him.

With kind greetings from us all, I am

Faithfully yours,

WHAT PARENTS SAY of KAMP KOHUT

Rev. Dr. Stephen S. Wise, New York City:

"KAMP KOHUT" takes its name from the distinguished educator, Dr. George Alexander Kohut, who has for many years been a remarkably successful teacher of youth. Dr. Kohut is not only a scholar and writer of distinction but an instructor of youth in the highest sense of the term, who interprets teaching in the term of high aspiration and preparation for complete and serviceable living. A Summer at Kamp Kohut ought to be a treasured privilege to the right kind of boy.

ALBERT FRANK & COMPANY
26 Beaver Street

New York, February 9, 1917.

My Dear Doctor:

I cannot refrain from telling you what a great pleasure and privilege it is for me to have the boy attend your camp season for the second time, as I have found that it has been of great benefit to him, both from the standpoint of his mental and physical condition.

Friends of mine have told me they noticed the good results your camp has accomplished in adding to his self-possession and bringing out all his manly qualities of reliance, poise and control.

Yours sincerely,

ISAAC M. ULLMAN
New Haven, Conn.

New Haven, March 23, 1916.

My dear Dr. Kohut:

I am very much interested in the camp life as an educational factor, and should be very glad to join with other friends in congratulating you upon the work you have done, and in recommending you to anybody who is considering the question of placing a boy for the summer where it will do him the most good.

Very truly yours,

TOWNSEND & GUITERMAN
32 Liberty Street

New York, February 7, 1916.

Dear Dr. Kohut:

I felt not the slightest anxiety or concern during any of the time my boy was with you. You understand perfectly how to handle each boy and know each of their peculiarities and dispositions. You stand to them in the place of a parent and possess the wonderful faculty of winning the confidence and sympathy of each individual boy.

Your extended experience, your personality and the splendid equipment, give assurance that a parent may leave his own in your custody with safety, security and satisfaction, and bespeak for the boys a bright and beneficial summer.

Very truly yours,

OPPENHEIM, COLLINS & CO.
Chestnut and Twelfth Streets

Philadelphia, March 1, 1916.

My dear Dr. Kohut:

I cannot too highly commend or praise the value of camp life for boys, not merely as an educational factor, but an outdoor training which cannot help but result beneficially and greatly improve the health of any young boy. In fact, I firmly believe it establishes a foundation for boys which, I feel quite well satisfied, will reward them when they begin to take up their duties in later years.

With kindest regards, I remain,
Yours very truly,

THE GEM CUTLERY CO.
210-212-214 Eleventh Avenue

New York, February 25, 1916.

Dear Dr. Kohut:

It gives me pleasure to say that my two boys have been in your care for several years, during the summer months, and have received, not only your personal supervision, but the faithful attention of your entire staff. I have myself visited the camp, on many occasions; have noted the scrupulous and conscientious system of government in force and can sincerely attest the high efficiency and splendid morale of your institution.

No parent, having a child in your charge, need entertain the slightest doubt as to its physical and moral welfare.

It is only fair to you to state that I am so well satisfied with what you have been able to do for my boys, that I intend to place them in your care for several successive seasons.

Sincerely,

S. S. ROSENSTAMM
61 Broadway

New York, February 15, 1916.

Dear Dr. Kohut:

Last summer while sojourning at Poland Springs, I took advantage of visiting my nephew at Kamp Kohut, which, as you know, is only a short automobile distance from the Springs.

My nephew being one of the Class of 1915, it was his third consecutive year at the Kamp, and I wish to express to you, in as few words as possible, that I believe his stay at Kamp Kohut, under your supervision and with the aid of your able corps of assistants, much has been accomplished to benefit him physically, morally and intellectually. I was much impressed with the general atmosphere of good fellowship that appeared to exist amongst the boys, not a little, no doubt, being due to your influence and their splendid outdoor life.

I cannot speak too highly of the opportunity that the Kamp affords the youth of a crowded city and would highly recommend to parents and guardians to give their little sons and charges a chance to take advantage of the many benefits Kamp Kohut affords.

Sincerely yours,

Clement is getting along well and is well liked by his patrons. He is an excellent worker and has good habits. I feel that he has been underpaid.

Mr. Betts is a man of quiet disposition and kind; that he is a hard worker and apt to overlook the burden a boy has to bear. I am not thinking Mr. Betts would under pay anyone on purpose but he perhaps is judging the boy's worth by what he earned when a boy, rather than by the modern value of a day's work.

My dear Sir:

In reply to your favor of May the 8th, this is to report to you that your son Clement has again gone to one of our Outing homes and that he is now working for Herb. W. Bloomfield at Tullytown, Pennsylvania.

Clement has been well all year, and the reports that have come to us from his Outing home indicate that he is making his usual good record.

Regretting that Clement has not kept you informed about himself, and hoping that a letter direct to him at Mr. Bloomfield's home will bring you a similar favorable report, I am,

Dear Sir

128

In answer
to telegram received this
noon. Clement-Digil said
nothing to me in reference
to leaving me, until he
was ready to leave the house
going to school yesterday

as usual. ² when my children
returned from school. The same
one he went to, they told
me he had given up his
work saying he was going
to leave. upon investigation
in his room I found he
had made all preparation
to leave. when he returned
from school about - 4-30
I asked him he said

³ Yes I am going to leave
the school has given me
authority to do so. because
Law kept me home from
school last week. Now
concerning the school affair
I merely asked him to
stay home for one day
to help finish up corn
husking, as it looked
like rain and I wanted
to get the corn in, he had

previously to this star ~~down~~
~~from~~ school to go gunning
never consulting me, first
sited himself about it.
I thought if he could go
gunning he could help me
for a day. I paid him
well for all he did for
me, giving him the wage
of an experienced hand
he was not this, by any
means, it was a contemptible

to treat a man had
been as good to him as
I have been, he used to
go off every Sunday morning
staying away until four in
the afternoon, asked where he
had been, his answer was
out he also went out - Sat-
day evening staying until
midnight, he never to my
knowledge drank liquor of
any kind, so the other thing

I put-up with. he was always
of a surly disposition but
that I attributed to the
Indian in him, he very
often never answered, when
spoken to. On Monday of
last week, I asked him to
stay home for that day
he was quite indignant
at being asked to help break
the corn saying the school

would not allow it; I offered
to take the responsibility for
that day, but after consulting
my wife. I decided to let
him go to school, and
hire a man for the day.
I told him after he came
from the mill to go to
school as I guessed I would
get-along. he never paid
any attention to me but
stayed home Mon. Tues. Wed.

there being no school ^{on} ~~the~~ ^{my} ~~day~~
on Friday, so he lost ~~that~~
day, which was entirely
his own fault. he has just
wanted an excuse to get
away, why wasn't he man
enough to say so? not-
less me in the manner
he did he never got up before
six in the morning and
it was 4.30 when he started
in the evening it is dark at five
so you can see he had not

many hours of work. we have
only ~~one~~ ~~cow~~ milking.
his work was not laborious,
as to losing any thing in
the educational line, he
was in a home where
he could receive a great
amount of help that way
my daughter (who is
a school teacher) frequently
offered to help him with
his work. he resented all

10
this, going to his room,
and shutting himself in
rather than have any as-
sistance, this I thought
might be one of the
peculiarities of the race.
So you can see or I have
tried to make it plain
that he was in no dan-
ger of going back in
his school work. if he.

would only allow the
women folks to help him
they would have seen only
not glad to have done so.
But he was very disagree-
able for some time back.
He told my little boy he
had plenty of money his
father having sent him
twenty five dollars last week
and told him he wanted
him to go back to school

not work out - for the while
He demanded his money
has left, & I paid him all
I owe him, but received no
receipt from him for this
money. I told him I wanted
one that he left without giving
me any. I am not sorry
he has gone, but he needs
a good reprimanding for
the manner in which he
left and his insolence to
Mrs. Blomfield Yours respectfully

Dear friend:-

I have read your letter regarding the conduct of Clement Vigil, carefully and have had Mr. Dickey, Mr. Denny and Mrs. Denny talk with him and they have all arrived at the one conclusion that it was a case of incompatibility. He did wrong in taking matters into his own hands and he has been reprimanded for this. We consider your home a good one for our boys and should you want a boy again in the spring, we will be glad to send you one. I am sorry that you have had this trouble with Clement. He has always been a most exemplary boy here and we are much surprised that he should have acted as you say he did in your home.

Very truly yours

Nambe, New Mexico.

My dear Sir:

I have received your favor of the 17th instant and must state in reply thereto that your son Clement's period of enrolment at Carlisle does not terminate this year because he did not come to Carlisle until late in December of 1910. In accordance with the Indian School rules then in force he could not be given credit on his enrolment for the remainder of that year and so will not be entitled to return home at Government expense until after the close of school in June of next year. *Vigil*

Clement has made a very excellent record at Carlisle and should be able to make rapid progress during the year he will yet have to remain to complete his term of enrolment.

Very truly yours,

HKM.

My dear Friend:

I have received your favor of the 15th instant, in which it is asserted that your son Clemente may not be able to return to Carlisle by the 5th of September on account of his poisoned arm which is healing so very slowly. It is unfortunate indeed that Clemente's vacation has been somewhat spoiled by such an affection, but it is hoped we shall hear soon that he is entirely well.

While I should prefer to have Clemente here by the 5th of September, I shall interpose no objections to his coming later to resume his studies. It will be well to have him write me two weeks before the date he plans to start for Carlisle. That will then give me an opportunity to assist him as may be required. In the meanwhile an application for his reenrolment can be submitted for our files on the blank in duplicate I am having enclosed herewith.

Thanking you for this opportunity to write to you regarding Clemente's return to Carlisle, I am,

Very truly yours,

Dear Sir: as
school time is almost at
hand I thought to write
& tell you that Clement
got blood poison he wished
to return to school by the
1st. of Sept, if he gets
well by that time. He is
afraid that he will not be
well by that time as
his effected arm is healing
slow but if he is not able
to come on time we may

be able to arrange it with
Mr. Sengder to allow him to
continue his studies there at
Santa Fe as I understand that
course of study will be
the same as the one you
have at Carlisle.

we are very anxious to have
him finish there if he
could.

Dear friend Clement:

Your letter of September 5th was delivered to me this morning and I am glad to know you have recovered to a sufficient extent to make it safe for you to return to your home. All of us are very much pleased too to hear that you are planning to return here for an additional period of enrolment and in order that you can use the money now to your credit in our school banker's office I am complying with your request by having a check in the amount of \$31.08 enclosed herewith. It will be entirely satisfactory to have you come on at any time, but it is hoped you will not have to lose too much time before you can return to begin your studies.

Again assuring you that we are pleased to hear about your return to your home from the Santa Fe Hospital and hoping that we shall see you here soon, I am,

Very truly yours,

My dear Sir:

Your son Clemente's period of enrolment at Carlisle terminates this year and he will be entitled to go home at government expense for transportation. When Clemente was seen at this office yesterday he stated that he would like to be provided with a ticket for use to Santa Fe and it is being arranged accordingly. It is being planned so that he can leave here on the 7th of June with the other boys who are to start away from Carlisle on that date to go to their homes.

Clemente has made a most excellent record at Carlisle and I trust he can return here in time to resume his studies on the opening day of school in September. I should like to enroll many more young men who are as desirable as is your son.

Very truly yours,

NOTE.—One of these blanks should be filled out by each pupil at Government boarding schools, preferably with the assistance of the superintendent or some one designated to act as his representative. If the superintendent is of opinion from the information given that the pupil is entitled to enrollment he should so indicate by signing the blank in the proper place and filing in the individual pupil's folder. In the case of pupils concerning whose eligibility or need of Government aid there is some doubt, superintendents should make proper remarks and recommendations in the space indicated and forward the form to the Indian Office for consideration.

Dear Friend:-

I received your letter of the 1st, and I am very glad to hear from you, and at the same time I am glad to know that the students there are well started on in their work.

I want to thank you ever so much for the opportunity that you are offering me of coming back to Carlisle, I will be only too glad to grasp this opportunity offered me and I am ready to return anytime that you can send me my transportation.

The reason that I did not return soon was that my folks are poor and could not help me.

Me to pay my way up there, in fact, what little money I had went towards helping them and towards helping pay my doctor's bill while I was treated during the time that I had blood poison.

I entered to school here three weeks ago thinking that I could not return to Carlisle this winter, Mr. Snyder the Supt. here was very kind to let me enter this school just for whatever time I wanted, that is I asked him to write to you or Mr. Haganette concerning my return to school, or else to find me a place of employment, And knowing that it would take some time to make their arrangements I asked him if he could not allow me to go to school

here until something turns up, so as
not to be idling my time away at
home this winter. He very willingly
told me to come as soon as I could.
So I came the following Sunday and
have been going to school since,
although the grades here do not run
any higher than the 8th. But I have
been doing my best and have been
getting along well.

The Carpenter shop here is not
as good a one as that at Carlisle.

Thanking you again for the same
I will close with best wishes to you
for a pleasant winter. Hope to hear
from you soon again.

Dear Sir:

I am in receipt of your letter requesting the privilege of retaining the services of Clement Vigil permanently at the Kohut School for boys at Riverdale-on-Hudson, New York.

As Clement is of age, I think that this is a matter which he alone can decide. If his people at home do not object and Clement wishes to accept your offer, I would offer no objections to his remaining with you.

I would like to have Clement write me just what he would like to do and I will consider the matter further before giving a final decision.

Supt. U. S. Indian School,

Dear Sir:-

*through
September*

In connection with my recent letter, requesting the privilege of retaining the services of Mr. Vigil and two or three of your other students in our employ, let me say that I would very much like to engage Mr. Vigil permanent- at the Kohut School for Boys, at Riverdale-on-Hudson, N. Y., and would thank you to advise me whether such an arrangement would be feasible, provided he could continue his studies at some N. Y. City school, under my personal supervision, and devote a part of his time to our interests.

I am deeply interested in Mr. Vigil and have the highest regard for his integrity of character and his deep sense of loyalty which have proven valuable assets in his relations to us at this camp during the past two seasons. I believe it would prove to his advantage to attach himself to the Kohut School, which opens on or about the 25th of Sept. and closes the first of June. After that date he could assist us in the preparatory work at our camp and continue during the summer as before.

KAMP KOHUT

I sincerely hope that you will yield to my solicitation on his behalf and that we may arrive at some satisfactory arrangement concerning him.

Thanking you for a specific reply to this as well as to my previous communication, I am,

Dear Clement:

I have your letter saying that you have made application for employment at the Santa Fe Indian School and have been successful. Both Mr. Denny and I believe that you have done the right thing and we know that you will make a valuable employee.

We will take care of your two trunks until you return to the school. We may not be in the small boys' quarters then, but will be in Carlisle somewhere. We are sending the children away on Wednesday and Thursday of this week and I am sorry that we cannot include the Kamp Kohut boys, but we could not very well break the agreement we made with Dr. Kohut. Will you please see that the boys return as promptly as they can so that we can arrange for their transfers.

Very truly yours,

August 20th, 1918.

Dear Mrs. Klenney:

Doctor Kohut has shown me your letter. I was not aware that he had written to you about me, and had therefore written for a job at Santa Fe Indian School.

I received an answer today telling me that I can come not later than the last of Sept. and I have therefore decided to stay here a week after camp closes, as I don't want doctor

to feel that I don't want to help him.
He is very much in need of my help and
since he has been so kind to me I
have decided to help him a week longer.

Now I want to know if I'll have
to pay my own way out to Santa Fe
or not. If so please find out what
my fare will be from Carlisle to
Santa Fe.

I have a trunk and in my room
do you think that Mr. Henry can look
after it until I come or not.

There is also a large trunk ^{belonging}
to John Ortega which he told me to keep
for him. Will you kindly find out from
him what he wants done with it? I have
written him as I do not know his address.

About the money that Mr. Henry paid
for the boys here, for having the trunks
transferred from Penna. Station to the
Grand Central, tell him to get it out
of their wages as soon as they come in
if he can't get it from them let me know
and I'll try and fix it up with him.

Thanking you for all this trouble
and hoping to hear from you again.
Yours Truly Clement L. Smith.
