INDORSEMENT.

A child showing one-sixteenth or less Indian blood, whose parents live on an Indian reservation, Indian fashion, who, if debarred from the Government schools, could not obtain an education, may be permitted in the reservation day and boarding schools, but it is preferable that it be not transferred to a nonreservation school, without permission from the Office. Children showing one-eighth or less Indian blood, whose parents do not live on an Indian reservation, whose home is among white people where there are churches and schools, who are presumed to have adopted the white man's manners and customs, and are to all intents and purposes white people, are debarred from enrollment in the Government nonreservation and reservation schools. Superintendents, in all cases where doubt exists as to the degree of Indian blood of a child proposed for transfer, should fully satisfy themselves of the facts by affidavits from reliable persons, which affidavits must be kept on file at the school.

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other non-reservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

A pupil dismissed from school for cause must not be enrolled in any other school without the permission of the Commissioner of Indian Affairs. Full facts must be submitted with each request.

Important—Only those students who desire to come to Carlisle because they have a definite purpose in view will be admitted. Applications for enrollment must be submitted in all cases for consideration before transportation can be made available. Time will then be taken to find out the records students have made in the schools previously attended, and to secure recommendations as to their *moral character* and their worthiness for further attendance at a Government institution.

Ella Mae and Evalinda Webster

from **June 1918** to **September 1918** to

enable **them** to visit **their** home. We further agree to deposit with the superintendent of the school sufficient money to defray all expenses to be incurred, and should the pupils, or any one of them, fail to return to school at such time as may be agreed upon by the parents or guardian and the superintendent of the school in which the pupils are enrolled, the amount of money remaining with the superintendent, necessary to the return transportation of the pupil or pupils so neglecting to return, shall be forfeited to the Government; provided, however, that in all cases where it can be shown that there were justifiable reasons for the failure of the return of the pupil the forfeiture of the funds shall not take place.

If a pupil's home is not on a reservation, then the certificate of some reputable, disinterested citizen of the community may be requested as to the reasons for the nonreturn of the pupil or pupils.
