INDORSEMENTS.

The laws relating to the transfer of Indian children from reservations and schools are as follows:

That hereafter no Indian child shall be sent from any Indian reservation to a school beyond the State or Territory in which said reservation is situated without the voluntary consent of the father or mother of such child if either of them is living, and if neither of them is living without the voluntary consent of the next of kin of such child. Such consent shall be made before the agent of the reservations, and he shall send to the Commissioner of Indian Affairs his certificate that such consent has been voluntarily given before such child shall be removed from such reservation. And it shall be unlawful for any Indian agent or other employee of the Government to induce, or seek to induce, by withholding rations or by other improper means, the parents or next of kin of any Indian to consent to the removal of any Indian child beyond the limits of any reservations. (28 Stats., p. 906.)

Provided, That hereafter no Indian child shall be taken from any school in any State or Territory to a school in any other State against its will or without the written consent of its parents. (29 Stats., p. 348.)

The rules provide that—

A pupil who has been regularly enrolled in a nonreservations school must not be taken to any other nonreservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

An Indian boy or girl 18 years old and over may, without the consent of parents or others, personally sign the application form on its being changed to suit the case.

This form is to be used only in transfers from reservations, or Indian schools, to nonreservation schools.

Important—Only those students who desire to come to Carlisle because they have a definite purpose in view will be admitted. Applications for enrollment must be submitted in all cases for consideration before transportation can be made available. Time will then be taken to find out the records students have made in the schools previously attended, and to secure recommendations as to their *moral character* and their worthiness for further attendance at a Government institution.

Mr. John Francis Jr.,
Supt. Carlisle Indian School,
Carlisle, Penn.

My dear Mr. Francis:

I am enclosing, herewith, the application of Annie Half Day, one of our girls on this reservation, for enrollment at your school.

Annie is one of the best girls we have on this reservation, and I am certain should she be given the privilege of enrolling, that she shall make good.

Annie's health during the past year, was not very good, and took a course of treatment at the Sanatorium at Toledo, Iowa, and was discharged from that institution at close of the past school year. From her personal appearance at this time, I would judge that her health is excellent, and that she shall be able to pass a physical examination. I am sorry, however, that I am not able to have the physician's certificate filled out on the application, as our agency physician was recently transferred as a 1st Lieutenant to the officers training camp at Ft. Oglethorpe, Ga.

I wish you the best of success in your preparation of Indian youth for the higher plane of life during the ensuing school year, and with kind personal regards, I am,

Very respectfully,

Dear Sir:

Replying to your letter of the 20th inst. relative to the request of Annie Half Day, that \$15.00 a month be sent her during the school year, I have to advise that Annie is a new girl and does not understand the rules that all requests for money should be sent from this office.

There is no objection to her having a reasonable amount of spending money during the year, provided she has a good supply of money, but I would recommend that you send all moneys through this office making the checks payable to me as Superintendent.

My dear Mr. Peel:-

In reply to your letter of August 2, 1918, regarding Annie Half Day, I beg to state that Anna was formerly a patient at this institution and that she was discharged because of an escapade with a boy in which she was the responsible one, and as there are still patients here who were here at that time I believe that her return would have a bad affect on the morale of the institution.

I would rather not have Anna and believe that it would be better were she to enroll at one on the other sanatoria. I would take her though as a last resort but prefer very much not to have her, for our building is quite small; our patients rather intimately associated so that a girl like Anna can make us no end of trouble.

Very truly yours,
