INDORSEMENTS.

The laws relating to the transfer of Indian children from reservations and schools are as follows:

That hereafter no Indian child shall be sent from any Indian reservation to a school beyond the State or Territory in which said reservation is situated without the voluntary consent of the father or mother of such child if either of them are living, and if neither of them are living without the voluntary consent of the next of kin of such child. Such consent shall be made before the agent of the reservation, and he shall send to the Commissioner of Indian Affairs his certificate that such consent has been voluntarily given before such child shall be removed from such reservation. And it shall be unlawful for any Indian agent or other employee of the Government to induce, or seek to induce, by withholding rations or by other improper means, the parents or next of kin of any Indian to consent to the removal of any Indian child beyond the limits of any reservation. (28 Stats., p. 906.)

Provided, That hereafter no Indian child shall be taken from any school in any State or Territory to a school in any other State against its will or without the written consent of its parents. (29 Stats., p. 348.)

That no Indian pupil under the age of fourteen years shall be transported at Government expense to any Indian school beyond the limits of the State or Territory in which the parents of such child reside or of the adjoining State or Territory. (35 Stat. L., 781.)

The rules provide that—

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other nonreservation school without the consent of both superintendents and the Commissioner of Indian Affairs, and superintendents will be held to strict accountability for such pupils taken to their schools.

An Indian boy or girl 18 years old and over may, without the consent of parents or others, personally sign the application form on its being changed to suit the case but in all cases where the parents are living they should first be consulted.

This form is to be used only in transfers from reservations or Indian schools to nonreservation schools.

Dear Mrs Denny -

I am now going to take the pleasure of writing a letter to you which I have been thinking of ever since Claude Morgan showed me his letter he received from Mr. Peef stating that no boys under the antiq will be permitted to go back to Carlisle until the 1st of June. But Mrs. Denny my mind in on the three months or two months rather between April and the 1st of June, I

- Two -

am quite sure I would regret it if
I should happen to miss them. I am
certain you know just how I feel about
my schooling as we had a talk on my
wanting to go to summer school in-
stead of going home although I know
I could have plenty of enjoyment there
but I do not look into it that way.
I would not part with my good
country people only I do not have
to work like most boys do, and
simply came out here so as to make
it a part of my leaving, not
thinking that things might have
a change before the first of April.

- Three -

And besides I fear that I will
have to stay until June, but please
show my letter to Mr. Lepper and
see what he will have to say about
it.

Mrs. Denny Hamill certainly appreciate
it if you will see if it can't
be arranged some way that I might
have a chance of getting back by the
first of April.

I will now close hoping to hear
from you soon.

Mr. Samuel Hibbs
Langhorne, Pa.

Dear Mr. Hibbs:-

We are in receipt of a letter from Frank Keetah asking to be allowed to return to the school the first of April so that he may continue his schooling here until school closed early in June. His idea then is to attend summer school here. Frank had a talk with Mr. Dickey and Mrs. Denny when he was at the school a few weeks ago and as he seemed in earnest about making as much progress in school as he could, I think it would be wise to grant his request to return in April. Frank is young and if he wants to learn farming later, he can do so. He also has an income which seems sufficient to meet his needs, so there is really no necessity for him to work for wages.

Bringing Frank in April 1st, will mean that you may have to look elsewhere for help until early in June when we can send you an Indian boy to help through harvest. I am sorry to have to put you out of Indian help for two months but it seems unavoidable.

Will you please tell Frank what I have written you.

Very truly yours

Superintendent.

Dear Sir:

One of the students of this school, Frank Keotah, comes to me about his allotment which I understand is situated in the former big pasture and in the territory thrown open in 1906.

It seems that this allotment of Frank's was leased to a certain white man for a period of three years and then peased for a period of five years, and Frank has heard that this white man now proposes to prove up on the land and homestead it.

Of course I understand that if this ~~land~~ was allotted to Frank Keotah it would be impossible for any white man to obtain possession of it in the manner described, but I am apprehensive that there may be some danger of the white man taking advantage of the boy unless it is brought to your attention.

Would you please investigate the matter and advise me somthat I may inform Frank.

Very truly yours,

John Francis, Jr. Supt.,

Dear Mr. Francis:

Replying to your letter of the 2nd relative to the allotment of Frank Keotah (Kesh-tigh) I have to advise that this land has a lease for five years from Jan 1, 1917. The consideration is \$40.00 per year cash and repair the house, add one room to the house and construct a cistern, estimated value of the improvements \$325.00. I am surprised that Frank should give any credence to any such report as you mention as he should know that his land is held under a trust patent from the United States and is subject to no entry by any one. It is being farmed under a proper lease from this office.

I suppose that Frank knows that the land is subject to overflow and is cut up by a lake and draw in such a way that its value is seriously impaired. It is located on Deep Red Creek and overflows are frequent. I hope this information will enable you to disabuse Frank's mind of any uneasiness.

WBF.

Very respectfully,

My dear Mr. Stinchecum:

Frank ^{ran} Keolon has come to me with the request that I ask you to send him Fifty Dollars from his funds on deposit in your hands to meet various incidental expenses which may arise from time to time while he is here at school.

If you care to send it to him I will be glad to see that it is properly used. Frank had a narrow escape from being run over by a automobile truck the other night on the grounds. The truck was a very light one, engaged in delivering drygoods, and it ran into him and gave him a good toss, but no serious injury. He is getting along fine.

Sincerely yours,
