The REPORT BOOK

Containing the reports of

Louis Beartail

Grade 6

FOR THE SCHOOL YEAR
1916 - 1917

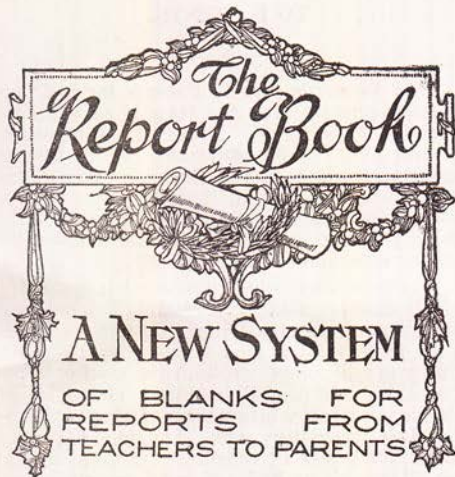

TO THE TEACHER.

This little book is intended to contain all the Reports necessary to be made regarding the Attendance, Deportment and Progress of the pupil herein named. See to it that it is well kept. Fill the blanks regularly and carefully at the close of each month. Send them to parents promptly at the time indicated on the second page of the cover, and see that they are returned with the proper signature.

Make all entries with pen and ink, and in such a way that no one can fail to understand. Exercise such care that erasures shall never be necessary. The manner in which these Reports are made will be a good index to the general character of your school.

This book is arranged for either Primary or High Schools. When used in the High School, the leaf containing the names of the Primary and Grammar School branches may be removed by cutting off at the dotted line. The report of Examinations in the High School branches, and Attendance and Summary, will then face each other.

If rightly used, this book will prove to be a valuable medium of communication between you and the parents. It will stimulate the pupil to do his best work at all times, and it will otherwise assist you greatly in securing desired results at school.

TO PARENTS.

This Report is sent to Parents for their inspection directly after the close of each school month. After having inspected the items reported, please write your name in the proper space on the last page of the book, and return to the teacher. Should there be any delay in the presentation of this report, or any neglect in its preparation, you will confer a favor by calling attention to it immediately.

As this is intended to be a complete summary of all that pertains to your child's school life this year, it is hoped that you will regard it with more than a mere passing interest, and that you will co-operate with the teacher in securing the best possible results. The value of the Report Book will largely depend upon the interest shown in it by you. The pupil naturally looks for praise or censure, according as the record is good or bad. If good, an encouraging word should be spoken. On the other hand, if irregular attendance, low deportment, or neglected lessons be reported, the fact should not pass unnoticed.

Should you at any time discover anything of an unsatisfactory character, through means of these reports or otherwise, it is earnestly desired that you will call upon and consult with the teacher at once. By pursuing this course, misunderstandings will be avoided, and the parties most interested in the welfare of the pupil will mutually assist each other.

Louise Beartail
Care Mrs. L. M. Robinson
Haddonfield, N.J.

Dear Louise:-

I have Miss Johnston's report of her visit to you. She sends me your spelling test for January and I am very glad to know that you have made such a good mark, one of the best in the class Miss Johnston writes. This would be a good item for the Arrow and I would put it in Louise, if it was not for the fact that your report in other ways is so discouraging. We do not any of us know what to do with a big girl like you who has no ambition to do what she ought to do. If you were a little girl and should say, "I should worry" when you were corrected for not doing the right thing, we would know what to do to spur you up but you are a great big girl or rather woman, 19 years old and we cannot discipline you like a child. I should think you would be ashamed to act like a child when you are really a woman.

You have every chance where you are to learn what Mr. Lipps wants the Oklahoma girls to learn especially, that is to keep house, learn to take care of property and to learn to keep yourself neat and clean. With Mrs. Robinson, you also have the opportunity of learning how to care for little children. Yet with all these advantages, you show no interest and go around doing your work in a "don't care" sort of way. If you are acting in this way so that you

Miss Beartall-2

may be returned to Carlisle, you are making a sad mistake. Our girls here just now are working hard and trying to make their grades in school and in their vocational work and they do not want any lazy, indifferent girls like you here. You will have to "make good" under the outing before we can allow you to return to Carlisle. You went out this fall of your own accord and with the understanding that you would remain all winter and this you will have to do.

Now Louise, I dislike very much to have to scold you in this way, especially by letter and I hope neither Mr. Lipps or I will have to ever write you such a letter again. This depends entirely upon yourself. I am going to ask Mrs. Robinson to make me a report about you, a month from today and I want you to make this report very different from the one I received from Miss Johnston this morning. You can do it and I shall expect you to. I am sending this letter to you through Mrs. Robinson. I want her to read it and then give it to you.

Very truly yours

Chief Clerk in Charge.

Any general statement or wishes of patron or pupils, together with Agent's estimate of place, people, and pupil:

Louise is an Oklahoma girl who needs particularly the Outing training. In this home are two little girls - one of whom Louise takes to Kindergarten every morning and returns with her at noon. The other child is a baby. Louise has excellent opportunities to learn about the care of the little ones and how to prepare their food. She is very fond of the children and she does take care of them but she does not want to stay under the Outing this winter - Her whole and only desire is to return to Carlisle so she takes very little interest in her duties. Her whole attitude is a "pleasant - "I should worry," which she says frequently.

She enjoys her Sunday School class. Her school work is satisfactory but she has no ambition to progress or pass the examinations at the close of the term.

She will not get up in time in the mornings to properly wash and dress herself for school. She has the use of the bathroom but avoids taking a regular bath. Her room and bed were in poor condition.

I have gone over all these points with Mrs. Robinson and have urged her to see if she can make Louise Care.

Dear Mr. Lipps: -

I am enclosing Louise Beantail's report. I think a letter from you at this time would help very much.

Also enclosed is a list of one hundred words used as a psychological test by ^{the} New Jersey State Teachers' Association.

This ^{same} list of words is to be used as a spelling test in sixth grade every month during the school year. No previous announcement of the examination is made - neither do the pupils make any special preparation. The teacher pronounces the word and uses it in a sentence - no other explanation is given.

Louise's paper enclosed speaks for itself. Her teacher, Miss Reed, was very much pleased. Her paper was one of the best in the class.

Very respectfully,
Lida M. Johnston

My dear Sir:

One of your wards, Louisa Beartail, will be entitled to return home this summer on account of the termination of her period of enrolment, and our suggestions that she remain here during the vacation months have not convinced her that she should do so. It will have to be arranged, therefore, so that she can leave here with the other girls who are to go to their homes this year on the 6th of June. A ticket for her use to Checotah will be provided.

Trusting something useful can be found for Louisa to do after she returns home and that she will be with us in September to resume her studies, I am,

Dear Mrs. Robinson:-

Your letter without date in regard to Louisa Beartail was referred to our school physician. He sends me the following statement.

"Louisa Beartail has no record of ever having had appendicitis. During the winter she suffered with acute bronchitis and gripp but I cannot remember that she was ever otherwise ill."

Should an appendicitis operation be necessary, Louisa will have to be taken to the German Hospital in Philadelphia. I would suggest that you have your physician give Louisa a thorough examination. I will await his recommendation.

I trust that it will not be necessary for Louisa to undergo this operation and I think if she takes proper care of herself, possibly, an operation may be averted. Miss Johnston will not be in the outing field until the last of the month. I presume, too, that Louisa has been lonesome as she is the only Indian girl there but as she becomes accustomed to her surroundings that feeling will wear away. I shall hope for the best possible report.

Dear Sir:

Your letter in regard to Louisa Beartail has been received. In reply allow me to state that early this fall when Louisa returned to school she made application to go under the outing and was very anxious to go. The home selected for her is one with excellent public school advantages, but doubtless you are ^{not} aware that owing to the prevalence of infantile paralysis throughout Pennsylvania and New Jersey this year the schools could not open on schedule time. I believe now that most of them did open on October 2nd. By this time I judge Louisa is in school and she will have opportunity to attend the full day instead of one-half day as we do in our industrial ^{schools} ~~class~~. I will have our field agent visit her shortly and trust I shall be able to report her progress most favorably.

Very truly yours,

Checotah, Okla.

Dear Sir:

I have your letter relative to the going home of John and Louise Beartail and Tookah McIntosh, and have to advise that both Louise and John have decided that they would rather stay here if you are willing that they should have for their personal use the money which you sent to pay their fare home.

As there seems to be no special reason why Tookah should go home this summer I have advised her to remain at the school. She was at home last summer and as the trip is an expensive one it seems best all around that she forego a trip home this summer. If it is agreeable to you I can let Tookah have the money for personal use which you sent to pay her fare home.

Very truly yours,

D:R

Dear Sir:- Replying to yours to hand beg to advise that I had wanted the children to come home for the reason that they had promised their Grandmother that they would come back this summer and see her as she is getting very old now. But if they want to stay there and you insist on keeping them they may stay. If they come home I will get them back to you before school opens again. Please let me hear from you further.

Yours truly,
