INDORSEMENT.

A child showing one-sixteenth or less Indian blood, whose parents live on an Indian reservation, Indian fashion, who, if debarred from the Government schools, could not obtain an education, may be permitted in the reservation day and boarding schools, but it is preferable that it be not transferred to a nonreservation school, without permission from the Office. Children showing one-eighth or less Indian blood, whose parents do not live on an Indian reservation, whose home is among white people where there are churches and schools, who are presumed to have adopted the white man's manners and customs, and are to all intents and purposes white people, are debarred from enrollment in the Government nonreservation and reservation schools. Superintendents, in all cases where doubt exists as to the degree of Indian blood of a child proposed for transfer, should fully satisfy themselves of the facts by affidavits from reliable persons, which affidavits must be kept on file at the school.

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other non-reservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

A pupil dismissed from school for cause must not be enrolled in any other school without the permission of the Commissioner of Indian Affairs. Full facts must be submitted with each request.

Important—Only those students who desire to come to Carlisle because they have a definite purpose in view will be admitted. Applications for enrollment must be submitted in all cases for consideration before transportation can be made available. Time will then be taken to find out the records students have made in the schools previously attended, and to secure recommendations as to their moral character and their worthiness for further attendance at a Government institution.

Mrs. Emily P. Lincoln,
Superintendent, The Thomas Indian School,
Iroquois, N. Y.

My dear Mrs. Lincoln:

I thank you for the teleggam you sent yesterday notifying us to be on the lookout for Dennis Button. The boy arrived here last evening and he appears to be the desirable kind of a boy we want to become students at Carlisle.

Will you also allow me to assure you in this connection that the assistance you gave in securing an advisable routing for Dennis's ticket is appreciated? The longer routing can be allowed when there is a good and sufficient reason to make the change and I trust that you were not too greatly inconvenienced by having to complete such arrangements.

Hoping we can soon advise you that Dennis is doing good work, I am, with best wishes for a successful year,

Very respectfully,

HKM.

Dear Sir:-

I am writing to let you know that I am not sending Dennis Button this morning as I wrote you I would. I found his ticket read from Collins to Olean on the Erie and from Olean to Harrisburg on the Pennsylvania and from there on the Cumberland Valley. This meant changing cars four times with quite a long wait and a change of stations in Olean, and as this young man has never travelled at all, I felt somewhat anxious about his making this route without any trouble. Our station agent thought he could get the ticket changed to a more direct route for him, so I took the liberty of having him try and will send Dennis just as soon as we hear.

In thinking of his making the trip, I had thought he would be ticketed from Collins to Buffalo on the Erie and from Buffalo to Harrisburg on the Pennsylvania and expected to send some one into Buffalo with him to see that he get started from there all right. Perhaps the young man could have made the trip all right the way the ticket read, but as I was afraid he might make some mistake and the agent thought he could change his ticket, I thought best to let him do so.

r. O. H. Lipps - 2.

Trusting the delay in his reaching there will not be of
any great inconvenience, I am

Dear Sir:-

Replying to your letter of the 24th inst requesting that your nephew Dennis Button be allowed to go to you for the balance of the summer, I have to advise that it does not seem best to grant your request. In the first place, we need all the boys who are here now to carry on the routine work of the school. We have two large farms and the crops we have put in this year, require many hands.

In the second place, Dennis has had his vacation. I allowed him to go to his home at the time of the Thomas School commencement, to remain several weeks. He has money but I do not think it would be wise to let him have it to pay another fare to his home. He is getting along all right here, is well and contented and there seems to be no special reason for him to go home now.

Very truly yours
