INDORSEMENT.

A child showing one-sixteenth or less Indian blood, whose parents live on an Indian reservation, Indian fashion, who, if debarred from the Government schools, could not obtain an education, may be permitted in the reservation day and boarding schools, but it is preferable that it be not transferred to a nonreservation school, without permission from the Office. Children showing one-eighth or less Indian blood, whose parents do not live on an Indian reservation, whose home is among white people where there are churches and schools, who are presumed to have adopted the white man's manners and customs, and are to all intents and purposes white people, are debarred from enrollment in the Government nonreservation and reservation schools. Superintendents, in all cases where doubt exists as to the degree of Indian blood of a child proposed for transfer, should fully satisfy themselves of the facts by affidavits from reliable persons, which affidavits must be kept on file at the school.

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other non-reservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

A pupil dismissed from school for cause must not be enrolled in any other school without the permission of the Commissioner of Indian Affairs. Full facts must be submitted with each request.

Any general statement or wishes of patron or pupils, together with Agent's estimate of place, people, and pupil:

The records indicate that Anna is about 24 yrs. of age. She is small and does not look her age. Her term of enrollment was completed. She had no real home to go to. She preferred to remain with Mrs. C. C. Lord under the Acting. She returned to Carlisle in the fall of 1916 - and after an interview with Mr. Lippo, he gave her permission to return to her home in the country - to remain indefinitely. She was also given permission to remain out of school.

Being of so small a build and of so childlike in her disposition she fits in beautifully where there are children. Mrs. Lord and the family are very fond of her.

Mr. C. H. Shannon,
Massena, N. Y.

Dear Sir:-

Your letter to Mr. Friedman inquiring about Anna Loran comes to this office for attention. I am glad to inform you that Anna has made quite a good record here. I think like most young girls of her age she is rather inclined to be fond of boys but she has always behaved herself here and has gotten into no trouble on that account. She has been under the outing several times and made a good record. I think it might be well for you to write for further information from some of the ladies with whom she has lived under the outing. Last summer she lived with Mrs. Ralph Bowers, Waynesboro, Pa. and at present she is living with Mrs. Geo. W. Van Derveer, Mt. Holly, N. J. She has also lived with Mrs. Mae V. Marra, Harberth, Pa. Any of these ladies could tell you what kind of a little girl Anna is in the home. I think it advisable, however, that you do not disturb her this winter as she has been placed with Mrs. Van Derveer with the understanding that she remain until spring any way.

Very truly yours,

Superintendent.

Dear Sir

I am writing you for some information in relation to Anna Loran who is a pupil at your school. at the time Anna started in on her last five year period I was interested in helping her along, now that her time is up she would like to come to live with us, and it is in regard to her habits, disposition, and general nature that I would like

two little children two and

time we know how she
was a nice quiet little girl.
For this information I will

Mr John De Goff.

I have received your letter of July 13th to hand, &

in reply would say, most certainly Anna is attending her church. having missed only once I think. when her face was too swollen with toothache to venture out.

I most certainly can not understand why such a question should be asked, & would like some explanation for it, for while many times it has inconvenienced me. yet I have always had her go, and that in fact

of her asking to be allowed
to remain at home.

Trusting this is satisfac-
tory, + that I shall also have
a reason given me for that
query -

Very truly yours.

Dear Friend:

Replying to your letter of the 15th instant relative to the church attendance of Anna Loren, I have to say that the information which led me to believe that Anna was not as loyal to her church as she should be, came from Anna herself in a letter written to one of her girl friends. This is the only information which led me to write you regarding this matter.

Dear friend:-

I write to know if Anna Loren, the pupil in your care, is attending her Church, the Catholic, regularly and whether she is doing her duty according to the requirements of her Church.

If not, she should be encouraged to do this and no hindrances put forth to prevent her regular attendance at Church.

Dear Dr. Lord:-

Anna Loren returned to Marlisle on the 11th. As I was away from Marlisle for a few days last week I had not seen Anna until she came to my office this morning and stated her case. I was very much impressed with her direct statements and feel that it is for her best interests to allow her to return to make her home with you for a time. I am sure that the interest you have taken in her is what she needs and appreciates.

She need not attend school but I think it is best, at least for a while, that she remain under the outing rules otherwise. As she is anxious to return and says she is lonely for "little Arthur", I will arrange that she return to you on Wednesday, October 18th. She will arrive at Broad St. Station at 11:59 A.M. Will you please arrange to meet her there?

I trust the winter will be a profitable one for you all.

Dear Sir:—

Am sending you report of Anna Loran from Oct. 1 to Oct. 11, the date which we returned Anna to the School.

I tried to ~~see~~ make her see the advantages of attending public school this winter, but to no avail.

Anna has made us a very capable and

trustworthy girl this summer, and Mrs. Lord certainly disliked to lose her.

While we would prefer having Anna under the rules of Carlisle School, Mrs. Lord feels she would be very glad to have her return to her, even though she decides to give up Carlisle, which option she has the privilege of accepting this Fall, she tells me.

we would appreciate
very much if you could
in any way assist in
bringing about her return
to us for the winter and as
much longer as is mutually
satisfactory.

When Anna went away
she told Mrs Lord she
would be glad to forego
the trip to her home, and
return here directly from
Carlisle, if this could be
arranged.

I am enclosing my
check for \$36.00 per report
of finances enclosed.

Also find enclosed Anna's
letter to you as per
your request.

Trusting we may
soon again be favored
by being a patron of
Castile School, I am,

Yours truly,

C. Chard.

Dear Mr. Lipps,

I will write these few lines to you to let you know that I am doing well and happy out here with Mrs. Lord.

Well Mr. Lipps some times I feel like going home and again I do not care to go.

Mrs. Lord certainly is good to me and also Mr. Lord. I am always happy here. And they

treat me as one of
family. They always
me every time they
go out in the Automobile
And everywhere they
go. And the baby boy
Arthur he thinks an
awful lot of me.
And we have good
times together.

I know Mrs. Lippo
if I do go home. I do
not think I would
be any thing at all.
I would be better
off if I stay with Mrs.
Lond.

The reason I write
to my uncle is because
my can not read or
write so I always

write to my uncle.
I am going to ask
you if you would
let me stay with Mrs.
Lord. As long as my
time is up. I thought
maybe you would
let me stay here instead
of going home. I would
have to work somewhere
any way if I did go home.
So I might as well stay
here as long as I like
the place and they are
so nice to me. I hope
to hear from you and
let me know what

4
you think about it;
Mrs. Ford is very glad
to have me stay with
her. I like my work
here and I do not
have much to do.

So Mr. Lippard do hope
I can stay here and
work as my time is up
now.

I am,

Anna Loran.

Dear Mr. Wood:-

I am writing to you relative to your niece Anna Loran, a pupil of this school now living under the outing with Mrs. C. E. Lord of Mount Holly, New Jersey. Anna feels that she has been at Carlisle long enough now and would like a change. She cannot make up her mind whether she will go to her home and find work with some family up there or whether she will remain in our outing district. I understand she does not have any home to which she could go. Will you please advise what you think best for her to do.

Anna is a very good girl and is considered good help by those for whom she has worked.

Very truly yours

Superintendent.

NOTE.—One of these blanks should be filled out by each pupil at Government boarding schools, preferably with the assistance of the superintendent or some one designated to act as his representative. If the superintendent is of opinion from the information given that the pupil is entitled to enrollment he should so indicate by signing the blank in the proper place and filing in the individual pupil's folder. In the case of pupils concerning whose eligibility or need of Government aid there is some doubt, superintendents should make proper remarks and recommendations in the space indicated and forward the form to the Indian Office for consideration.

Dear Sir:

I am in receipt of a letter from Gouverneur, New York, signed by Mrs. Hattie Cole with a request that we return her daughter Anna Loran to her.

Will you please advise me of the family and conditions, and whether it would be advisable to comply with this woman's request.

The records here show that no one for a long time has been especially interested in Anna Loran, and the understanding was that she had no home to which to go. She is now living in a outing home at Mt. Holly, New Jersey, and getting along very nicely. I would appreciate an early reply, and enclose herewith a franked envelope.

Very truly yours,

Superintendent.

Dear Madam:-

Replying to your letter relative to the return home of your daughter Anna Leran, I have to advise that Anna is still under the outing living in the same home she has been living for sometime. She seems perfectly satisfied to remain where she is and has not expressed any desire to go home at this time.

Dear sir:

I have not been able to find out anything concerning Mrs. Hattie Cole, nor Annie Loran. In a general way it is a mistake to allow these children to return home after a short period. The social training is completely lost. The parents are anxious to get the wages of their children. I hope you will be able to induce the girl to stay with you.

Yours Respectfully,

V.J. Ellis.

I was very much pleased with your letter asking my permission to invest \$100 of your earnings in a Liberty Bond. I am told that the money you have in bank is all your savings from your earnings. I want to congratulate you upon having saved your money so well, and upon having decided to put it to this use.

Dear Mr. Francis,

I am writing to you this evening to ask you whether my check has been found yet.

I know very well that I did sign the check and then mail it back to you and all this time I was thinking that I did own a \$100

Liberty Bond.

Mr. Francis, will you please send me \$15.00. There are things that I do want to get. You know it takes me a long while to save to get any thing when I only get \$3 a month to spend.

I never spend my money only when I really have to. So will you please

Let me have that much
money. Mrs. Lord knows
just how I will spend
that money.

And I will thank you
very much for it,
