Attendance of Pupils.

Section 1414. Every child having a legal residence in this Commonwealth, as herein provided, between the ages of eight and sixteen years is required to attend a day school in which the common English branches provided for in this Act are taught. Every parent, guardian or other person in this Commonwealth having control or charge of any child or children between the ages of eight and sixteen years is required to send such child or children to a day school in which the common English branches are taught, and such child or children shall attend such school continuously through the entire term during which the public elementary schools in their respective districts shall be in session. Provided further, that the board of school directors in any district of the fourth class may at a meeting held at any time before the opening of the school term reduce the period of compulsory attendance to not less than 70 per centum of the school term as fixed in such district, in which case, however, the board of school directors must at the same time fix the period for the compulsory attendance to begin.

Section 1415. The board of school directors of any school district in this Commonwealth may, upon satisfactory evidence being furnished to it, showing that any child or children are prevented from attending school, or from application to study on account of any mental, physical or other urgent reasons, excuse such child or children from attending school as required by the provisions of this Act; but the term of "urgent reasons" shall be strictly construed and shall not permit of irregular attendance. Every principal or teacher in any public, private or other school, may, for reasons enumerated above, excuse any child for non-attendance during temporary periods.

Section 1416. The provisions of this Act requiring regular attendance shall not apply to any child between the ages of fourteen and sixteen years who can read and write intelligently and is regularly engaged in any useful and lawful employment or service during the time the public schools are in session, and who holds an employment certificate issued according to law.—Approved May 18, 1911.

NOTE.—One of these blanks should be filled out by each pupil at Government boarding schools, preferably with the assistance of the superintendent or some one designated to act as his representative. If the superintendent is of opinion from the information given that the pupil is entitled to enrollment he should so indicate by signing the blank in the proper place and filing in the individual pupil's folder. In the case of pupils concerning whose eligibility or need of Government aid there is some doubt, superintendents should make proper remarks and recommendations in the space indicated and forward the form to the Indian Office for consideration.

Dear Madam:

Replying to your letter concerning clothing needed by Fanny Silas, a pupil in your care, I have to say that if you will send her dress measures I will have her dresses made here. The other clothing requested will be mailed in a few days. You can tell her that our school sweaters are selling now for \$8.50. I would advise her to write directly to Mr. George F. Tyrrell if she decides to get one of the sweaters as he handles them entirely.

Yours very truly,

D/R

Dear Sir.

Replying to
yours of Dec 14th in
regard to clothing
for Fanny Silas
would say that we
received the challenge
and I made her a
one piece dress, which
is very nice for S.S. etc.
I did ask you for a
skirt as her second
best literally went to
pieces and she has been
wearing her uniform
skirt to school until

is getting thin
shabby. I would like
a new skirt for
her if you would allow
it. Also when she sent
in her out grown thing
last summer you did
not replace her afternoon
house dress. Her under-
wear too is pretty well
gone as this is the third
winter that she has been
wearing it. She wants
a sweater and has saved
about four dollars. What
will she have to pay to get
a good sweater from the
school? I enclose a
list of the things I think
she should have. She is a
good girl and appreciates
what is done for her.

Sincerely Mrs R. Y. Simpson
