INDORSEMENT.

A child showing one-sixteenth or less Indian blood, whose parents live on an Indian reservation, Indian fashion, who, if debarred from the Government schools, could not obtain an education, may be permitted in the reservation day and boarding schools, but it is preferable that it be not transferred to a nonreservation school, without permission from the Office. Children showing one-eighth or less Indian blood, whose parents do not live on an Indian reservation, whose home is among white people where there are churches and schools, who are presumed to have adopted the white man's manners and customs, and are to all intents and purposes white people, are debarred from enrollment in the Government nonreservation and reservation schools. Superintendents, in all cases where doubt exists as to the degree of Indian blood of a child proposed for transfer, should fully satisfy themselves of the facts by affidavits from reliable persons, which affidavits must be kept on file at the school.

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other non-reservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

A pupil dismissed from school for cause must not be enrolled in any other school without the permission of the Commissioner of Indian Affairs. Full facts must be submitted with each request.

My dear Mrs. McCrea,-

Mrs. Denny has showed me all the
correspondence relating to Andrew Condon's at-
tempt to see your girl Lucinda Nolan.

You have handled the case all right
so far. Take care of Lucinda as you have always
done and I will follow up Andrew in town here.

If Andrew makes any other attempts
to see Lucinda or bothers you in any way, tele-
phone me, please.

Very truly yours

Tuesday

My dear Nellie, —

I am enclosing a letter to Lucinda which came yesterday and which she has not seen. After I sent you the telegram Mr. McCrea came in full of news. He said

a permit from Mr. Francis, & which
he replied that he was in no way
connected with the school and
needed none. Henry said that
Lucinda was connected with it
and so she could not see him
unless she had permission.
He said he would get a permit
from Mr. Francis and then come
up to see her. He said he was

talking from the R. R. Station as he
evidently got off at 8.54.

Some Henry happened to look out of
his office window and saw
him (at least a big Indian boy)
walking up and down, evidently
looking for a trolley, which by the
way has not been for a week.

Henry put on his coat and followed
him until he went back to the R. R.

at about ten o'clock a
gruff voice called him
up at his office saying
"I am Mr. Andrew Coker
and wish to know if Miss
Lucinda Nolan of Conkole
is with you." Henry replied
that she was. Then he asked
to see her and Henry
said he could if he had

Station I took Lucinda
to school myself, and told
her to see no one if
she was called out of
school for her own good
and that I would explain
in the evening. Later I
said to her, "Do you know
Andrew Cushman?" "Yes Ma'am."
"Where is he?" "In Dakota."
"When have you heard from
him?" "Not since last summer."

Well, I cannot help feeling "if it
were my daughter" She is the
example. She expressed if the
fellow is a decent sort of fellow,
and I shudder to think of what
will befall her if she should
go back to her own home -
no chance to live decent there
she says - You see the

fellow has been apparently
proper after the telegram.
i. e. in calling up Henry for
permission - However, this is
now for you to decide. She says
she does not care for him now
although she did like him a little
last winter, but that he was too
jealous and so she stopped writing.
She says she does not want to see him.

part of course. Lucinda's chief
fault is lack of truth.
She does not seem to know
truth when she sees it.
At times, I do know she
knows nothing of this matter
for she shows ed & honest
surprise and anxiety and
she is no actress.

Truly,
J. M. C.

Then she told me

asked her to marry him
when her time was up
(which was last fall)

but that she had told him
she wanted more education
and that she was going to
sign for two more years.

Now I believe the child
and she seemed scared to
death when I told her
of the telegram.

Dear Lucinda:-

I am returning the check for Eight Cents as I cannot cash it until you have endorsed it on the back. After you endorse it, you can get it cashed at any place up there and it will not be necessary to send it to me again.

Regarding your return to Carlisle I have to say that if you are really anxious for an education and will do your very best if given another opportunity here, I would have no objections to your returning. I understand that your conduct has not always been good, that the very night you left Carlisle to go to your home, you visited with one of the school boys over in Harrisburg, although you knew this was strictly against our rules. If you return to Carlisle you will have to do very much better than you did when you were here before. I want to help you because you say conditions are not very good at your home but if I help you to return, you must do your part and make your conduct better than before. You understand that you will have to pay your own way back.

Dear Madam:

Replying to your letter relative to the return home of your two daughters Lucinda and Grace, I have to advise that Lucinda has returned to her outing home with Mrs. McCrea who lives at Newville, Pa. She was very glad to go back to this home and I think she will be contented and happy during the summer, and I do not think it would be wise to disturb her about going home.

Grace seems to be getting along all right here and I see no reason why she should go home at this time, unless you really need her.

The check which you returned to the school was cashed and the money given to your two daughters.

Dear Madam:-

I have your letter requesting that your daughter Lucinda, be returned to you.

Lucinda as you know, is under the outing living with Mrs. McCrea of Newville, Pennsylvania, where she seems to be very happy. In a recent letter from her, she says, "I have learned so much in two months out here in school. I am in the 8th grade and the teachers are so nice to me and the people. This will be the best for me to stay here while I have the chance to get more education. If I get home, no more school for me then."

From what she says, you will see that she is anxious to learn and does not want to go home just now. I agree with her that while she has the chance to attend a good school like the one at Newville, she should stay there and learn all she can.

Mrs. McCrea will look out for her health and if necessary will have her physician look after her too.

Very truly yours

Supt. Mr. J. Francis
Indian School, Carlisle Pa.

Dear Sir —

Perhaps my mother had
asked for me to come home.

To tell the truth I would love to go
home if my mother had respectable home
but see she dont, and so therefor I dont
wish to go at all.

I am willing to help my mother
in any thing.

The Summer when I was home,
I was discontented and was treated mean
and was as set to go to work which I did.

When I would get my payment of
my week earning, my parents would
get every bit of my money wouldnt hardly
have for my trolley fare for the week.

I know my mother very much,
all she wants is my money if I am
able to work and clothe them beside myself

She writes to me and says she don't think there's any use for me to stay here any longer, but she is greatly mistaken.

After I came back to school, I was glad to return,

But I hate to go home unless I really can help it and that's the reason I would like to sign two more years if you only permit me to.

You can tell her that I would love to come home if she had decent home for me.

I have learned so much in two months out here in school am in eight grade besides teachers are so nice to me and people.

This will be the best for me to stay here while I have the chance to get more education if I get home no more school for me than.

This all I can say.

Sincerely yours

Lucinda Roland.

RED'S
Syracuse, N. Y.

Dear Madam:-

Complying with your request, I enclose herewith a check for \$8.97, this being the amount due Grace Nolan on our books.

I do not know anything further to tell you regarding the coat which Grace left in Frances Jacob's care. Miss Knight, the matron, sent to you, the only one she could find. Frances has gone to her home in New York and might be able to give you some information about the coat.

Lucinda did not want to go home but preferred to remain with Mrs. McCrea of Newville, Pa. and attend school this winter so I did not force her to go home. She is in a good home with kind people and will be well cared for.

Very truly yours

Mr Francis M. M. M.

Supt Carlisle Ind. School
Carlisle, Pa.

Dear Sir:

Regarding the coat which you sent; I meant for you to send the new wine colored coat which I bought for my daughter. according to Lucinda's Grace Nolan's information regarding the new coat, she says that Lucinda left the coat to Francis Jacobs to take care of the coat. Kindly send it back to me if you find the coat in Carlisle. If not please find out from Francis Jacobs regarding its whereabouts.

I received the old coat which you sent but evidently that wasn't the one that I was

referring to. My daughter
will be here probably this
week. Kindly attend to this
because the coat cost me \$20
and that's more than I can
afford to lose.

My daughter Grace Nolan paid
and got a return ticket when
she left Carlisle \$18.⁰⁰ I want
you to send the \$9 balance because
she isn't going back. I claim that
Gov't will pay Lucinda's fare
because she served her term of
enrollment. Please furnish me
information in regard to it.

Sincerely yours
Lydia Nolan
