### INDORSEMENT.

A child showing one-sixteenth or less Indian blood, whose parents live on an Indian reservation, Indian fashion, who, if debarred from the Government schools, could not obtain an education, may be permitted in the reservation day and boarding schools, but it is preferable that it be not transferred to a nonreservation school, without permission from the Office. Children showing one-eighth or less Indian blood, whose parents do not live on an Indian reservation, whose home is among white people where there are churches and schools, who are presumed to have adopted the white man's manners and customs, and are to all intents and purposes white people, are debarred from enrollment in the Government nonreservation and reservation schools. Superintendents, in all cases where doubt exists as to the degree of Indian blood of a child proposed for transfer, should fully satisfy themselves of the facts by affidavits from reliable persons, which affidavits must be kept on file at the school.

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other non-reservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

A pupil dismissed from school for cause must not be enrolled in any other school without the permission of the Commissioner of Indian Affairs. Full facts must be submitted with each request.

## FOR NEW YORK PUPILS.

This blank is to be filled out and signed by a former teacher of the applicant, by a school trustee, a school superintendent, or by some other person conversant with the status of the applicant's school attendance.

This is to certify that Lillian Henry

Lewiston New York, from Sept. 1906

Mr. Eli Henry,

My dear Sir:

In reply to your letter of March the 27th, I am pleased to state that your daughter Lillian expects to complete the work in Grade VIII in the public schools at Mount Holly, New Jersey, this year. In connection with her public school work she has been taught house-keeping.

Lillian expects to return to Carlisle the latter part of May and in the meanwhile I shall consider further your request that permission be given her to spend the vacation months at your home. She has but one more year at Carlisle to complete the five year period for which she was enrolled.

Herewith I enclose a form on which a formal request for your daughter's vacation may be submitted to me, and it cannot be considered unless the amount required to pay for her return transportation is deposited at the same time. In Lillian's case not less than \$17.50

from June 1st, 1916, to September 1st, 1916, to

enable her to visit her home. We hereby agree to pay all expenses, including round-trip railroad fares, sleeping-car fares, meals, lodging, stage fares, telegraph and telephone messages, and other incidental expenses connected with the visit. We further agree that said pupil shall be returned to the Carlisle school on or before the last day of the leave of absence.

We further agree to deposit with the superintendent of the school sufficient money to defray all expenses to be incurred, and should the pupils, or any one of them, fail to return to school at such time as may be agreed upon by the parents or guardian and the superintendent of the school in which the pupils are enrolled, the amount of money remaining with the superintendent, necessary to the return transportation of the pupil or pupils so neglecting to return, shall be forfeited to the Government; provided, however, that in all cases where it can be shown that there were justifiable reasons for the failure of the return of the pupil the forfeiture of the funds shall not take place.

If the pupil neglecting to return is from a reservation, the superintendent of the reservation shall certify to the reasons for the nonreturn of the pupil or pupils. If a pupil's home is not on a reservation, then the certificate of some reputable, disinterested citizen of the community may be requested as to the reasons for the nonreturn of the pupil or pupils.

Dear Miss Johnson.

I will write  
a few lines to you this  
afternoon. To let you  
know that I think  
or rather I am will-

Will you please

have company to  
go to school this  
summer.

O yes Miss Johnson  
I always did want  
to tell you this  
every time you  
came around here.  
Although I do not  
want to ~~tell every~~  
thing I know. And  
this is that. I saw  
more than once that  
William Henry flirt  
with a colored boy.

III

in the Freshman class.  
And maybe she flirts  
with more than one  
colored boy. Because  
there are about five  
colored boys in the high  
school. I see her smiling  
at him and he always  
looks for her in the  
school room as she  
goes up stairs to give  
her a smile. That's  
why I never go out  
with her or go see  
her. See, well Miss  
Johnson I am sure

that I do want to live  
with Mrs Bonds.  
Well I must close

NOTE.—One of these blanks should be filled out by each pupil at Government boarding schools, preferably with the assistance of the superintendent or some one designated to act as his representative. If the superintendent is of opinion from the information given that the pupil is entitled to enrollment he should so indicate by signing the blank in the proper place and filing in the individual pupil's folder. In the case of pupils concerning whose eligibility or need of Government aid there is some doubt, superintendents should make proper remarks and recommendations in the space indicated and forward the form to the Indian Office for consideration.

Dear Sir:-

I am in receipt of your letter dated June 28, 1917 asking why your daughter Lillian has not been returned to you. Lillian's term of enrolment expired this spring. When she was given her choice as to whether she would remain in her outing home for the summer or go home, she chose to stay. She is still living with Mrs. A. M. Fenimore of Mount Holly, New Jersey and is making a good record. Miss Johnston, the field agent for the girls, reports that she is doing splendid work in school.

Lillian is doing very well in her school work at Mount Holly, N. J. and she should be back there as soon as possible so she will not miss too much of the work and thus be handicapped all the yearmaking this work up.

the train at the "Bedding  
Terminal" and meet her  
when she arrives home.  
Her father would like very  
much for her to come for a  
short visit - and I also think  
it would be very nice - to  
let her have a little vacation,  
so if you approve of it I shall  
be only too glad to help

Trusting I will receive  
a very early reply and  
you will think well  
of it.

I am  
very Sincerely

Dear Madam:

I have Lillian Henry's letter, in which she says that because she is going to fail in two of her subjects, she wishes to stop school at this time and begin working for wages.

Lillian should not, by any means, stop school at this time. She should remain in school out there until the end of the school term. If she cannot, for any reason, do this, I want her to return to Carlisle when the changes are made April 6th and continue her school work here. Let me hear from you at once what the decision is.

Very truly yours,

Dear Mr. Francis;

I am asking a  
permission to do some  
thing which I hope  
you will grant for  
reasons stated.

It will be impossible  
for me to pass two of  
my subjects in my  
studies this year and

need the money to purchase them.

I am not going to return home for good. I have already made arrangements for returning to the same outfit home next fall so that I can continue in my education and take my subjects over again.

For these reasons I hope will allow me to discontinue school

since I have decided to return home for the summer vacation, I think it would be very much better if I would discontinue attending school and begin to earn money. From now on till I come in. Would also like to know if I could prepare some clothes which <sup>will</sup> be necessary to be had, with the money earned.

I will need several things and therefore

Yours truly  
Lillian Henry.

I approve of this letter  
for reasons Lillian has  
stated and hope to  
receive an early reply.

Very Respe.

Mr. Eli Henry,

Sanborne, N. Y.

Dear Sir:

Our records show that your daughter Lillian has completed her term of enrollment and will be entitled to go home this coming June at Government expense. She is planning to go to you as soon as her school in Mt. Holly closes.

Lillian has a balance of \$50.98 in bank at the present time, this being money which she has earned under the outing. You understand this amount does not represent all her earnings as she has drawn upon her account from time to time during the five years she has been at Carlisle,

Very truly yours,

Miss Lillian Henry,

Sanborn, N. Y.

Dear Lillian:

As you have completed your term at this school, you are not eligible for transfer to any of the Western Schools when the Carlisle School is closed, September 1st. If you wish to go to Haskell it will have to be at your own expense, since you have been informed by the Superintendent there that he cannot pay your transportation.

Very truly yours,

Dear Friend:

In response to your letter of August 2, I am mailing you, herewith, an application blank you request. I understand that quite a number of Carlisle students will be transferred to Haskell Institute and if you will write to Mr. C. V. Peel, Clerk in Charge at Carlisle, I think perhaps he can arrange to have you come at Government expense. We are not permitted, under the present rules, to pay railroad fares from the state of New York. Of course, if you are able and willing to pay your own transportation, you can do so.

Hoping to hear from you again and to have you among our students next month, I remain

Very sincerely,

Assistant Superintendent.

Dear sir:-

I am enclosing  
a letter which I  
received from the  
Haskell Institute. I  
would be very much  
obliged if you would

So far that reason  
I am especially  
anxious to go.

Thanks very much  
for sending my  
money.

Very truly

Lillian Henry

find out whether I  
could go at government  
expense, as I am  
not satisfied with  
the education I have.  
I finished the second  
year of Latin course  
in High school but  
I can't say that I  
care to be a teacher  
and the business  
course at Nashell  
has a great attraction for  
me.
