### **INDORSEMENTS.**

The laws relating to the transfer of Indian children from reservations and schools are as follows:

That hereafter no Indian child shall be sent from any Indian reservation to a school beyond the State or Territory in which said reservation is situated without the voluntary consent of the father or mother of such child if either of them is living, and if neither of them is living without the voluntary consent of the next of kin of such child. Such consent shall be made before the agent of the reservation, and he shall send to the Commissioner of Indian Affairs his certificate that such consent has been voluntarily given before such child shall be removed from such reservation. And it shall be unlawful for any Indian agent or other employee of the Government to induce, or seek to induce, by withholding rations or by other improper means, the parents or next of kin of any Indian to consent to the removal of any Indian child beyond the limits of any reservation. (28 Stats., p. 906.)

Provided, that hereafter no Indian child shall be taken from any school in any State or Territory to a school in any other State against its will or without the written consent of its parents. (29 Stats., p. 348.)

The rules provide that—

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other nonreservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

An Indian boy or girl 18 years old and over may, without the consent of parents or others, personally sign the application form on its being changed to suit the case.

This form is to be used only in transfers from reservations, or Indian schools, to nonreservation schools.

Dear Friend:

Your letter and the package containing a pair of moccasins were sent to Mr. Francis, now Lieut. Francis, at Fort Niagara, New York. You may have heard from him before this letter reaches you, but I do not know that he will tell you anything about the changes which are to take place at Carlisle this year.

Our school will be closed the last of this month and the buildings turned over to the War Department for war purposes. I am very sorry that this will prevent your return with a party. I am anxious, however, that you continue your school work, and would suggest that you enroll now at one of the other large Western schools, either Chemawa, or Chilocco might be preferable as you have already served a term at Haskell, or perhaps you might want to return there and complete the cours which you began. Whatever you do, do not give up school yet.

With my best wishes to you, I am

Very truly yours,

D-E

Trav. Aud. in Charge

Lodge Grass,

July 14, 1918.

Rev. John Francis Jr.  
Indian Vocational School,  
Carlisle,  
Pennsylvania.

Dear Friend;

I thought I would write to you this evening as I'm in town. I came down from the ranch where we are putting up hay. During the past two weeks we put up 250 tons of hay and still have about 400 tons of hay to get up. Men are very hard to get so it makes working very slow. There is only

four men helping me with  
my folks hay. I am  
expecting William Kennedy  
to come over. He wrote me  
a letter the other day  
asking if he could get  
work here, and I wired  
him to come immediately  
if he wanted to work.

I sent a pair of  
moccasins by mail and  
expect you received them  
by this time.

The Crows have a  
very good prospect of some  
grain as I see that a  
few have some good looking  
grain.

The Lodge Grass district appears to be the sugar beet district of the Crow Reservation, Sheridan Wyoming, a neighboring city, is the sugar beet center and they furnish the men to work these sugar beet farms.

I am expecting to take a good bunch of Crows back with me this fall to Carlisle and wish you would send our agent, Mr. Asbury at Crow Agency, blanks of application, and a good forcible letter that you

it to see more Crows  
own there to Carlisle,  
I'll recruit for you  
after the haying and  
harvesting is done. I  
hope it gives me a  
day to secure sufficient  
number to at least  
represent the Crows, that  
have been there in the  
previous years. It seems  
they are afraid to go  
to Carlisle, because of  
the rate of death, while  
Carlisle was in her  
younger days.

I haven't met any of  
the Carlisle's return

Students of late years  
but there are few of  
her early day students  
and they are the leading  
principals of the tribe.

If a few more go off  
to school, maybe we  
can finally get some  
where on the road towards  
prosperity.

I am going back to  
the ranch in the morning  
for I came down for  
provisions and repairs  
and if I stay in town,  
very long, the probabilities  
are, that my men will  
quit me.

Hoping that I find  
time again to write to  
you and surely to my  
friend Mr. Shambaugh  
I will close for this  
time.

Your Friend,  
George Pease.

Dear Sir :

I asked Supt. C. H. Asbury to write you but for fear he may forget to do so, I thought I would write too.

I would like George Pease my son, to come home for the summer to help do the ranch work and would like for him to go back in the fall to finish the school.

I would also like to have my boy Wallace, in school next year. He is now past fourteen years old, Last year I tried to get him in school but he was under school age.

Please answer

Yours respectfully

Sarah W. Pease
