Mr. O. H. Lipps,

Supt. Indian School,

Carlisle, Pa.

Dear Sir:-

The parents of Nellie Sanderville and Irene Evans have been notified as to the contents of your letter of the 21st, and have been requested to remit \$19.66 each if possible. Probably Thomas Kiyo Sanderville, the father of Nellie could make this payment, but Irene Evans' mother is a widow, and I doubt if she can make the payment.

Very truly yours,

Superintendent.

Dear Sir:

Replying to your letter asking about your children, I have to advise that all three are in good health. The matron informs me that Nellie has had trouble with her eyes and is in the hospital for treatment, but that her general health is very good. The disciplinarians inform me that William and Charles Marceau, outside of colds which they have had this winter, are also in good health.

Trusting that this information is satisfactory,
I am,

Very truly yours,

Mr. C. E. Hays,

Superintendent,

Carlisle, Pa.

Dear Sir:-

Referring to your letter of February 21, 1917 relative to expenses incurred by Nellie Sanderville, and Irene Evans, I quote for your information from letter from Tom Kiyo, father of Nellie Sanderville:-

"In reply to yours of the 26th inst., asking me to remit \$19.66 incurred by my daughter, Nellie, who was sent to Philadelphia for eye treatment, from Carlisle School, I have the honor to invite your attention to Treaty stipulations wherein the United States guarantees to educate and procure medicine and medical attendance, and I do not think I ought to pay a cent for medical treatment of my daughter since Carlisle Indian School has received a liberal appropriation of \$151,250 and I think Congress has provided for such purposes therefore, I can see no way I should pay such a bill.

Yours truly,
Tom Kiyo.

As advised before, Mrs. Evans cannot very well pay, and from the attitude of Mr. Kiyo, it is apparent he will not remit.

Very truly yours,

C. L. Ellis

As soon as I hear from Miss Johnston I will write you again.
