Mr. James E. Henderson,
Superintendent, The Cherokee Agency,
Cherokee, N. C.

Dear Mr. Henderson:

This is to acknowledge receipt of your favor of July the 20th, with which you forwarded a communication from Mr. William Wahyahnetah to the effect that he would endeavor to repay Maggie Mitchell at the rate of \$2.00 per month for the amount of \$18.00 that was received by his daughter Maggie through a mistake.

However, it is learned upon further investigation that Maggie Wahyahnetah has already earned the greater part of the amount due Maggie Mitchell and that by the end of the present Outing period she will probably have the entire amount to her credit. I believe the girl herself should repay the amount, although she was not entirely at fault in the matter, and that there will be time enough to adjust the claim after the close of this month.

If, in the meanwhile, the father desires to help out too it would be a favor to Maggie.

Very truly yours,

HKM.

Acting Superintendent.

Mr. O. H. Lipps,

Superintendent,

Carlisle, Pa.

My dear Mr. Lipps:

Answering your letter of July 3d, relative to an amount of \$18.00 that was received by Maggie Wahyahnetah that should have been given to Maggie Mitchell, I will say that I have talked with the father regarding the matter and am inclosing a letter to you, herewith, from him, in which he says that he will refund the amount at the rate of \$2.00 per month.

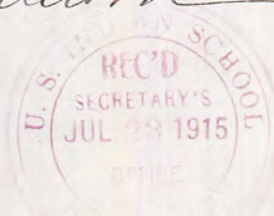

Mr. Wahyahnetah has a large family, is working on a very low salary and it is my opinion that he is not able to pay even this small amount without stinting himself.

If possible I will see that the money is transmitted to you ^{monthly} until the whole amount is paid.

Very respectfully,

James C. Henderson
Superintendent.

Dear Sir;

In regard to the money received by my daughter Maggie I have this to say That while I am in no way responsible for the mistake yet I am willing to replace it if given time to do so. I am a poor man and have a large family to support and my salary is only \$25.00

per month. Out of this sum I must meet my expenses for the month. and I have also been handicapped this Spring by an accident in which my back was badly injured and I have had to hire my work done at home but I am now back on duty at the school and I want to say that I am willing to pay you \$2.00 per mo. until I pay it up and if at any time I feel that I can spare more than that amt I will gladly send it and

I trust that in the future
all parties concerned will
be more careful for I can-
not afford to settle up
many such mistakes.

I am yours Resp.

Dear Sir:

~~Mr.~~ I have a letter signed by Mr. and Mrs. Wm. Wahyahneta requesting that their two children, Margaret and Samuel, be returned to them this fall when the Carlisle School closes. They state they do not want their children sent to any of the Western schools.

Please let me have your recommendation in this matter at once.

Very truly yours,

Dear Sir,

As Carlisle has been
abolished we are opposed
to sending our children
out West for fear that
it might not be heal-
thy for them, and we
would rather for them
to come home for the
summer. I spoke to Mr

Henderson about the matter
but do not know what reply
he gave to those in charge
when he received a telegram
wanting to know what to do
with the students from here.
A party from here went to
Haskell once and out of it
5 of them took sick and died
and since then we thought
perhaps the climate out
there did not agree with
students from here. So we
thought it no harm to write
to you about our children
Margaret and Samuel.
Samuel can go to school here
as he has not passed above
this school yet. So by this
you know we are opposed to
them going West.

My Friend,

I have your letter of the 4th, relative to \$18.00 received by your daughter, and find upon investigating that it was a check from White Earth, Minn. and intended for Maggie Way-ne-zhe-gah-bow-e-quay. If you will kindly remit the amount I will credit the proper person. I have said nothing to your daughter about the matter in respect to your wishes.

Very respectfully,

Hon. O. H. Lipps,
Carlisle, Pa.

Dear Friend;

I write you a few lines in regard to some money that our daughter Maggie received since going there. She wrote us that she received \$18.00 not long ago and she believing that it was from us took it without asking where it came from and spent part of it. We had promised to send her some soon and that was why she believed it to be from us. She then wrote to us about the money saying that she had received it. Now we (her parents) do not know from whence this money came and would like to know if it is possible to find out. We were afraid that perhaps there had

been some mistake and she given some
one else's money. If there was no mistake
in the name, whose name was signed
to the check as she said that it came
in check form.

Now we want to do what is right and
we do not want her to receive money from
just any one, we do not think it proper.
We sent her there to get the benefit of the
Carlisle school and want her to make
a lady of her self. It is also our wish that
she might take music lessons and
we will help her with that as she said
she would have to pay for it.

Nothing need to be said to her concerning
this letter as I have written to her on the
subject and will again. She has always
been a very dutiful daughter and will do as
near right as she can. You will oblige
me very much by an immediate reply.

so we can then decide what course
to take or at least we might find out
who sent the money and why.

Yours Resp.

Mr & Mrs Wm Wahyahneta h.

Dear Mr. Lipps:

Replying to your letter of the 19th inst., concerning annuity check No. 3879 dated December 11th, 1913, which Maggie Mitchell claims not to have received, and advising that your records show this check to have been delivered to Maggie Mitchell on Feb. 11th, 1914, and that her receipt was taken for the same.

Maggie Mitchell appeared in this office today and admitted that she had received annuity money as stated in your letter but claimed this time that she had not received her share of annuity money paid during the second quarter 1915. NOTE.—One of these blanks should be filled out by each pupil at Government boarding schools, preferably with the assistance of the superintendent or some one designated to act as his representative. If the superintendent is of opinion from the information given that the pupil is entitled to enrollment he should so indicate by signing the blank in the proper place and filing in the individual pupil's folder. In the case of pupils concerning whose eligibility or need of Government aid there is some doubt, superintendents should make proper remarks and recommendations in the space indicated and forward the form to the Indian Office for consideration.

Dear Mr. Francis:

Maggie Wahyahneetah wishes to return to Carlisle the last week in August and wishes you to place transportation at Ela, N.C. for her. She also has a cousin, Sampson Blythe, who finished the sixth grade work in this school this spring who wants to go to Carlisle with Maggie. He is a good boy and will make you a desirable student. Mr. James E. Henderson, Supt.,
Indian Agency,
Cherokee, N. C.

My dear Mr. Henderson:

I am informed by the Presbyterian Clergyman that Margaret Wahneta is a member of his church, having joined a year ago. She is carried on our list as having expressed a preference for the Baptist church.

Maggie will not be 18 years of age until September 9, 1918. I would be very glad if you would take the matter up with her father, William Wahneta, with a view to obtaining an expression of his views in regard to her church affiliation. Of course, after next September she can designate her own church, but until that time she is subject under the regulations to the wishes of her parents.

Sincerely yours,
