Dear Sir:-

I have a letter from Mr. Henderson who is now Superintendent of the Cherokee School that the mother of Taquette Oesowie is concerned over the boy's health. He writes to her that he has been ill. As some of his family have died of tuberculosis, she is worried, naturally, over her son's health. Will you have your family physician give Taquette a thorough examination and then make a report to me. Will you have this done at your earliest convenience.

Very truly yours

NOTE.—One of these blanks should be filled out by each pupil at Government boarding schools, preferably with the assistance of the superintendent or some one designated to act as his representative. If the superintendent is of opinion from the information given that the pupil is entitled to enrollment he should so indicate by signing the blank in the proper place and filing in the individual pupil's folder. In the case of pupils concerning whose eligibility or need of Government aid there is some doubt, superintendents should make proper remarks and recommendations in the space indicated and forward the form to the Indian Office for consideration.

Dear Mr. Robinson:

I have your letter saying that Tahquette Oosewie left you last Sunday and that you do not know of his present whereabouts. If he does not return to you within the next week or ten days you can send me whatever clothing he left in your home by express, charges prepaid from his wages in your hands, and, ~~also~~ send the balance due him, if any. If he returns to the school, I will let you know.

I do not think it advisable to return him to you should he come back here.

Mr. Oscar Lipps

Dear Sir,

Tahquette

Rosewie left here yesterday  
or rather last night.

We do not know why he  
left as he seemed unusual  
and there had been no  
words or anything to  
make him cross.

We were at church and  
he instead of going to  
church came back and  
got his clothes and  
left. He hasn't seemed  
satisfied since you

said for Mr. Robinson to go with him and help him get his new suit etc. He wanted us to give him the \$25 and let him go himself. He didn't seem to want Mr. Robinson to go with him and was rather cross about it, so we do not know whether that is why he left or not. I am sure we tried to make him comfortable and happy and he had nothing much to do excepting farm work at night & morning and went to school. Hoping you may find him if he doesn't return to school.

Respectfully,

C. M. Robinson.
