Such consent shall be made before the agent of the reservation, and he shall send to the Commissioner of Indian Affairs his certificate that such consent has been voluntarily given before such child shall be removed from such reservation. And it shall be unlawful for any Indian agent or other employee of the Government to induce, or seek to induce, by withholding rations or by other improper means, the parents or next of kin of any Indian to consent to the removal of any Indian child beyond the limits of any reservation. (28 Stats., p. 906.)

Provided, that hereafter no Indian child shall be taken from any school in any State or Territory to a school in any other State against its will or without the written consent of its parents. (29 Stats., p. 348.)

Dear Sir:-

I have a letter from Mr. Henderson who is now Superintendent of the Cherokee School that the mother of Taquette Ocsowie is concerned over the boy's health. He writes to her that he has been ill. As some of his family have died of tuberculosis, she is worried, naturally, over her son's health. Will you have your family physician give Taquette a thorough examination and then make a report to me. Will you have this done at your earliest convenience.

Very truly yours

Dear Sir,

Tahquette Roseville left here yesterday or rather last night. We do not know why he left as he seemed as usual and there had been no words or anything to make him cross. We were at Church and he instead of going to church came back and got his clothes and left. He hasn't seemed satisfied since you

said for Mr. Robinson to go with him and help him get his new suit etc. He wanted us to give him the $25 and let him go himself. He didn't seem to want Mr. Robinson to go with him and was rather cross about it, so we do not know whether that is why he left or not. I am sure we tried to make him comfortable and happy and he had nothing much to do excepting barn work at night & morning and went to school. Hoping you may find him if he doesn't return to school,

Respectfully,

C. L. Robinson.
